To Whom It May Concern;

My name is Rachel Richards. I am the Class President of the Dental Hygiene Program for the Class of 2016 at West Los Angeles College. I am writing in regards to the current Senate Bill SB 850, and the class interest in the potential baccalaureate degree in Dental Hygiene. This opportunity is very exciting for me and my fellow classmates. The possibility of achieving a bachelor degree, for the four year program that we are currently achieving two Associate of Science degrees for, will be advantageous as a bachelor degree will provide us opportunities for greater advancements in our career endeavors.

West Los Angeles Colleges Dental Hygiene program is equipped and eager to host this opportunity.

Please consider our voice in your decision when choosing the program to grant the bachelor degree.

On behalf of the West Los Angeles College Class of 2015,
