

2301. GOVERNANCE. The Board of Trustees shall establish rules and regulations not inconsistent with the regulations of the Board of Governors and the laws of this State for the government and operation of the community colleges in the District and delegate appropriate authority to officers, employees, or committees of the District, the college, or the governing board.

EC 72282

Adopted 12-02-69

2301.10 **Board Self-Evaluation**. Each Fall, the Board of Trustees will perform a self-evaluation. The Board's self-evaluation process may include a formal survey of stakeholders and constituents such as senior District management, College Presidents, the District Academic Senate President, representatives of collective bargaining units, and others. The Board will conduct its annual self-evaluation during a public session during which the Board will review the results of any data collection or survey process, assess its performance during the preceding year, and establish new annual goals.

Adopted 10-17-07

2302. GROWTH. The Board of Trustees is responsible for growth in both academic and physical areas.

Adopted 12-02-69

2302.10 Plans for Growth and Development. The Board shall establish policies for and approve current and long-range educational plans and programs and promote orderly growth and development of the community colleges within the District.

EC 72231

Adopted 12-02-69

2302.11 Master Plans. The Board shall establish policies for and approve academic master plans and long-range master plans for facilities. The Board of Trustees shall submit such master plans to the Board of Governors for review and approval.

EC 71028, 72231.5

Adopted 12-02-69
