RESOLVED, That the Board of Trustees hereby adopts a motion to initiate sanctions against Trustee Scott J. Svonkin in accordance with the provisions of Board Rules, Chapter II, Article III, Section 2300.11.
RESPONSE TO COM. NO. BT3 ("ADOPT A RESOLUTION INITIATING A MOTION TO SANCTION TRUSTEE SCOTT J. SVONKIN")

The following response is presented by Trustee Svonkin:

This is nothing short of a negative and politically charged smear attack, the likes of which reminds me of what we see from Donald Trump on a near daily basis.

We, here at this body, the governing institution for the most dynamic and respected community college district in the nation, can, should and ought to do better.

Do we, on this Board, have our differences? You bet.

And you know what, good debate, dialogue and discourse is a healthy thing for any governing body. Pure, relentless and unyielding consensus will never produce the best results for the taxpayers and the students that we serve.

We’ve seen that throughout our nation’s history -- from the halls of Congress to our State Capitol to the LACCD. It is great debate, passion, and competing conversations about ideas that is what often delivers the very best legislation and thus policies for the people who we all serve.

One very important thing you need to know is while I might not always be the most eloquent or artful speaker, know that my heart, my passion, my high-energy and the values that inspired me to run for this office, are what drive me every day. It is unrelenting zeal and a boundless commitment to protecting taxpayers and our students.

It’s why I am vigorously fighting corruption anywhere it lies, and that includes politicians who work in the shadows in order to advance the interests of corrupt entities that exploit and price gauge our taxpayers and students.

These are the reasons why I simply won’t stand for this deceitful and malicious political retribution by my colleague.
The fact is, for me, there is no gray area. There is only black and white when it comes to the issues of corruption, transparency and good government.

So as the board debated and will debate these issues publicly the issue of the bidding process and the hiring of a project management firm for the new LACCD bond, a bond campaign that I strongly endorsed and pushed for, including the bond monitor, and which my colleague, Andra Hoffman, repeatedly refused to support, I had a very strong opinion about the undertaking.

It’s why as Board President, I helped form the Facilities Committee and an ad hoc to monitor the process and made sure they reviewed the timeline for the procurement and process in public. we should debate about who ought to oversee the bond projects. Knowing full well what it’s like to have to grapple with and reform a corrupt bond project in the past, from day one of this process, I’ve been determined to ensure such wrongdoing and exploitation of our taxpayers and students never happens again.

As such, when my colleague, Andra Hoffman, who again, failed to endorse and push for the bond measure and bond monitor, refuses to set the highest standards for the program and only work with firms that hire executives that have zero history of fraud or improper activities, I was, am and continue to be shocked by her egregious hypocrisy.

Not only did she neglect to back the bond effort in the first place, but the resolute nature surrounding Andra Hoffman’s advocacy for firms that have engaged in publicly reported inappropriate activities raised serious questions for me.

Regardless, there was a debate about the issue.

Clearly, Ms. Hoffman does not share my values and has not gone on record publicly that we will not hire a corporation with a past track record of greed and corruption. And I, as a warrior for taxpayers and as a fierce advocate for our students, debated back.

But let me tell you -- these baseless, unfounded and unjust claims of this conversation being anything else than a political debate, are nothing more than a fallacy and a cheap and desperate attempt to attack my character for political gain. It’s just plain wrong -- and our taxpayers and students deserve better.

I’m not saying that I’m not sometimes both vigorous and very passionate about these issues. I recognize and admit that. But, what I am saying is that making something out of nothing -- a simple political debate like this -- is both disingenuous and deplorable.

Subject: RESOLUTION – IN SUPPORT OF THE LOS ANGELES PERFORMANCE PARTNERSHIP PILOT (LAP3) 2017-2020 STRATEGIC PLAN

The following resolution is presented by Board Members Fong and Kamlager-Dove:

Whereas, In Fall 2015, the White House announced that Los Angeles was selected as one of nine communities to participate in the first round of the Interagency Performance Partnership Pilots for Disconnected Youth initiative (P3); and

Whereas, The region’s LAP3 initiative is a collaboration of public and private agencies who have developed a strategic plan to reduce the population of disconnected youth in the Los Angeles Basin; and

Whereas, The LAP3 is a leading effort by the City of Los Angeles, the County of Los Angeles, Los Angeles Unified School District, Los Angeles Community College District, the five local California State Universities (CSU5), Los Angeles Area Chamber of Commerce, Los Angeles Housing Service Agency, and over 50 public, philanthropic and community-based organizations to improve the service delivery system for this disconnected young adult population to improve their educational, workforce, housing and social well-being outcomes; and

Whereas, The Regional Challenge is that nearly one out of six young people, ages 18-24, in the City and County of Los Angeles are out of school and out of work; and
Whereas, This statistic translates into over 170,000 young people in the County, of which 66,400 live in the City of Los Angeles, who will face future economic challenges unless they are reconnected to educational and employment opportunities; and

Whereas, Every young adult deserves the opportunity to fulfill their hopes and aspirations to graduate from high school, receive post-secondary training, find employment, afford safe and secure housing, and receive health and mental health services; and

Whereas, LAP3’s Strategic Plan lays out a systemic change effort to build a better system of care that will reduce the number of disconnected youth in the Los Angeles Basin; and

Whereas, For young adults who dropped out of high school, the LAP3 initiative plan provides a second chance for young adults to access education and employment as well as provides entry into employment and training for those not in the workforce; and

Whereas, The plan covers strategies to access housing, health, and social resources and services and lays out the following priorities:

- Aligning and coordinating with public and private agencies
- Increasing capacity and sustainability of the regional Workforce Development System
- Championing policy and systems change
- Developing programs and policies that empower youth to be self-sufficient and resilient; and

Whereas, LAP3’s strategic plan will strengthen the ability for the City, County, school districts, higher education institutions, employers, and community based partners to work together, share resources, and develop an operational plan to enable thousands of young people to not only realize a better future for themselves, but also our collective future as a region; and
Whereas, The adoption of LAP3’s Strategic Plan would support the advancement of Los Angeles Community College District mission, with an explicit focus on disconnected youth, to provide our students with an excellent education that prepares them to transfer to four-year institutions, successfully complete workforce development programs designed to meet local and statewide needs, and pursue opportunities for lifelong learning and civic engagement; now, therefore, be it

Resolved, LACCD Board of Trustees supports the LAP3’s Strategic Plan; and, be it further

Resolved, That LACCD will join the Los Angeles City Council, Los Angeles Board of Supervisors, Los Angeles Unified School Board and CSU5 as supporters and serve as an integral partner in the implementation one of the most ambitious, comprehensive, and far-reaching models in the country to integrate the delivery of education, workforce and social services to disconnected youth.

WHEREAS, prior to the issuance of the Bonds the District desires to incur certain capital expenditures (the “Expenditures”) from available moneys of the District;

WHEREAS, the Board has determined that those moneys to be advanced on and after the date hereof to pay the Expenditures are available only for a temporary period and it is necessary to reimburse the District for the Expenditures from the proceeds of the Bonds;

WHEREAS, this Board desires to appoint certain professionals to provide services related to the issuance of the Bonds;

WHEREAS, the District is duly authorized under existing laws and has been funding the acquisition of various enterprise software systems, including the purchase of Oracle/PeopleSoft Campus Solutions for the purpose of upgrading the District's student information system ("Software Projects"); and

WHEREAS, the District intends to use proceeds from the issuance of bonds under Measure CC, including the Bonds, to acquire and install the Software Projects;

NOW, THEREFORE, BE IT FOUND, DETERMINED AND RESOLVED BY THE BOARD OF TRUSTEES OF THE LOS ANGELES COMMUNITY COLLEGE DISTRICT, LOS ANGELES COUNTY, CALIFORNIA, AS FOLLOWS:

SECTION 1. Authorization for Issuance of the Bonds. To raise money for the purposes authorized by the voters of the District at the Election, and to pay all necessary legal, financial, engineering and contingent costs in connection therewith, the Board hereby authorizes the issuance of the Bonds pursuant to Article 4.5 of Chapter 3 of Part 1 of Division 2 of Title 5 of the Government Code in one or more Series of Taxable or Tax-Exempt Current Interest Bonds, with appropriate series designations, all as more fully set forth in the executed Purchase Contract (as defined herein). The Board hereby authorizes the use of proceeds from the issuance and sale of bonds under Measure CC, including the Bonds, for the acquisition and installation of the Software Projects, and the ordering of the improvements to the Software Projects. The Board further orders such Bonds sold such that the Bonds shall be dated as of a date to be determined by an Authorized Officer (defined herein), shall be payable upon such terms and provisions as shall be set forth in the Bonds, and shall be in an aggregate principal amount not-to-exceed $100,000,000.

SECTION 2. Paying Agent. This Board hereby appoints the Paying Agent, as defined in Section 5 hereof, to serve as the paying agent, bond registrar, transfer agent and authentication agent for the Bonds on behalf of the District. This Board hereby authorizes the payment of the reasonable fees and expenses of the Paying Agent as they shall become due and payable. The fees and expenses of the Paying Agent which are not paid as a cost of issuance of the Bonds may be paid in each year from ad valorem property taxes levied and collected for the payment thereof, insofar as permitted by law, including specifically by Section 15232 of the California Education Code.

SECTION 3. Terms and Conditions of Sale. The Bonds shall be sold upon the direction of the Chancellor, Vice Chancellor of Finance and Resource Development or the Chief Financial Officer/Treasurer of the District, or such other officers or employees of the District as the Chancellor, Vice Chancellor of Finance and Resource Development or the Chief Financial Officer/Treasurer may designate for such purpose (collectively, the "Authorized Officers"), and pursuant to such terms and conditions set forth in the Purchase Contract (defined herein). The Board hereby authorizes the sale of the Bonds at a negotiated sale, which is determined to provide more flexibility in the timing of the sale, an ability to implement the sale in a shorter time period, an increased ability to structure the Bonds to fit the needs of particular purchasers, and a greater opportunity for the Underwriters (as defined herein) to pre-market the Bonds to potential purchasers prior to the sale, all of which will contribute to the District's goal of achieving the lowest overall cost of funds.

SECTION 4. Approval of Purchase Contract. The Board directs the preparation of the Purchase Contract by and between the District and the Underwriters, subject to the limitations that (i) the interest rates on the Bonds shall not exceed the maximum rate permitted by law; and (ii) the underwriting discount on the Bonds, excluding original issue discount, shall not exceed 0.50% of the
aggregate principal amount of Bonds actually issued. The Authorized Officers, each alone, are further
authorized to determine the principal amount of the Bonds to be specified in the Purchase Contract for
sale by the District up to $100,000,000. The Board estimates that the costs associated with the issuance
of the Bonds, including compensation to the Underwriters, will equal approximately 0.75% of the
principal amount of the Bonds.

(b) Redemption.

(i) Terms of Redemption. The Bonds shall be subject to optional or mandatory sinking fund redemption prior to maturity as provided in the Purchase Contract or the Official Statement.

(ii) Selection of Bonds for Redemption. Whenever provision is made in this Resolution for the optional redemption of Bonds and less than all Outstanding Bonds are to be redeemed, the Paying Agent, upon written instruction from the District, shall select Bonds for redemption as so directed and if not directed, in inverse order of maturity. Within a maturity, the Paying Agent shall select Bonds for redemption by lot. Redemption by lot shall be in such manner as the Paying Agent shall determine; provided, however, that with respect to redemption by lot, the portion of any Bond to be redeemed in part shall be in the principal amount of $5,000 or any integral multiple thereof.

The Purchase Contract may provide that (i) in the event that a portion of any Term Bond is optionally redeemed prior to maturity pursuant to Section 6(b)(i) hereof, the remaining mandatory sinking fund payments with respect to such Term Bonds shall be reduced proportionately or as otherwise directed by the District, in integral multiples of $5,000 principal amount, in respect of the portion of such Term Bonds optionally redeemed, and (ii) within a maturity, Bonds shall be selected for redemption on a “Pro Rata Pass-Through Distribution of Principal” basis in accordance with DTC procedures, provided further that, such pro-rata redemption is made in accordance with the operational arrangements of DTC then in effect.

(iii) Redemption Notice. When redemption is authorized or required pursuant to Section 6(b) hereof, the Paying Agent, upon written instruction from the District, shall give notice (a “Redemption Notice”) of the redemption of the Bonds. Such Redemption Notice shall specify: the Bonds or designated portions thereof (in the case of redemption of the Bonds in part but not in whole) which are to be redeemed, the date of redemption, the place or places where the redemption will be made, including the name and address of the Paying Agent, the redemption price, the CUSIP numbers (if any) assigned to the Bonds to be redeemed, the Bond numbers of the Bonds to be redeemed in whole or in part and, in the case of any Bond to be redeemed in part only, the portion of the principal amount of such Bond to be redeemed, and the original issue date, interest rate or Accretion Rate and stated maturity date of each Bond to be redeemed in whole or in part. Such Redemption Notice shall
further state that on the specified date there shall become due and payable upon each Bond or portion thereof being redeemed at the redemption price thereof, together with the interest accrued to the redemption date, and that from and after such date, interest thereon shall cease to accrue.

The Paying Agent shall take the following actions with respect to each such Redemption Notice:

1. At least 20 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given to the respective Owners of Bonds designated for redemption by registered or certified mail, postage prepaid, at their addresses appearing on the Bond Register.

2. At least 20 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given by (i) registered or certified mail, postage prepaid, (ii) telephonically confirmed facsimile transmission, or (iii) overnight delivery service, to the Depository.

3. At least 20 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given by (i) registered or certified mail, postage prepaid, or (ii) overnight delivery service, to one of the Information Services.

4. Such Redemption Notice shall be given such other persons as may be required pursuant to the Continuing Disclosure Agreement.

A certificate of the Paying Agent to the effect that a Redemption Notice has been given as provided herein shall be conclusive as against all parties. Neither failure to receive any Redemption Notice nor any defect in any such Redemption Notice so given shall affect the sufficiency of the proceedings for the redemption of the affected Bonds. Each check issued or other transfer of funds made by the Paying Agent for the purpose of redeeming Bonds shall bear or include the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer. The Redemption Notice may state that no representation is made as to the accuracy or correctness of CUSIP numbers printed thereon.

With respect to any Redemption Notice of Bonds, unless upon the giving of such notice such Bonds shall be deemed to have been defeased pursuant to Section 19 hereof, such notice shall state that such redemption shall be conditional upon the receipt by the independent escrow agent selected by the District, on or prior to the date fixed for such redemption, of the moneys necessary and sufficient to pay the principal of, premium, if any, and interest on, such Bonds to be redeemed, and that if such moneys shall not have been so received said notice shall be of no force and effect, the Bonds shall not be subject to redemption on such date and the Bonds shall not be required to be redeemed on such date. In the event that such Redemption Notice contains such a condition and such moneys are not so received, the redemption shall not be made and the Paying Agent shall within a reasonable time thereafter give notice, to the persons to whom and in the manner in which the Redemption Notice was given, that such moneys were not so received. In addition, the District shall have the right to rescind any Redemption Notice, by written notice to the Paying Agent, on or prior to the date fixed for such redemption. The Paying Agent shall distribute a notice of such rescission in the same manner as the Redemption Notice was originally provided.
(iv) Partial Redemption of Bonds. Upon the surrender of any Bond redeemed in part only, the Paying Agent shall execute and deliver to the Owner thereof a new Bond or Bonds of like tenor and maturity and of authorized denominations equal in principal amounts to the unredeemed portion of the Bond surrendered. Such partial redemption shall be valid upon payment of the amount required to be paid to such Owner, and the District shall be released and discharged thereupon from all liability to the extent of such payment.

(v) Effect of Redemption Notice. Notice having been given as aforesaid, and the moneys for the redemption (including the interest accrued to the applicable date of redemption) having been set aside as provided in Section 19 hereof, the Bonds to be redeemed shall become due and payable on such date of redemption.

If on such redemption date, money for the redemption of all the Bonds to be redeemed as provided in Section 6(b) hereof, together with interest accrued to such redemption date, shall be held in trust as provided in Section 19 hereof, as to be available therefor on such redemption date, and if a Redemption Notice thereof shall have been given as aforesaid, then from and after such redemption date, interest on the Bonds to be redeemed shall cease to accrue and become payable. All money held for the redemption of Bonds shall be held in trust for the account of the Owners of the Bonds to be so redeemed.

All Bonds paid at maturity or redeemed prior to maturity pursuant to the provisions of this Section 6 shall be cancelled upon surrender thereof and be delivered to or upon the order of the District. All or any portion of a Bond purchased by the District shall be cancelled by the Paying Agent.

(vi) Bonds No Longer Outstanding. When any Bonds (or portions thereof), which have been duly called for redemption prior to maturity under the provisions of this Resolution, or with respect to which instructions to call for redemption prior to maturity at the earliest redemption date have been given to the Paying Agent, in form satisfactory to it, and sufficient moneys shall be held irrevocably in trust as provided in Section 19 hereof for the payment of the redemption price of such Bonds or portions thereof, and accrued interest with respect thereto to the date fixed for redemption, as provided in this Resolution, then such Bonds shall no longer be deemed Outstanding and shall be surrendered to the Paying Agent for cancellation.

(c) Book-Entry System.

(i) Election of Book-Entry System. The Bonds shall initially be delivered in the form of a separate single fully-registered bond (which may be typewritten) for each maturity date of such Bonds in an authorized denomination. The ownership of each such Bond shall be registered in the Bond Register in the name of the Nominee, as nominee of the Depository and ownership of the Bonds, or any portion thereof may not thereafter be transferred except as provided in Section 6(c)(i)(4).

With respect to book-entry Bonds, the District and the Paying Agent shall have no responsibility or obligation to any Participant or to any person on behalf of which such a Participant holds an interest in such book-entry Bonds. Without limiting the immediately preceding sentence, the District and the Paying Agent shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee, or any Participant with respect to any ownership interest in book-entry Bonds, (ii) the delivery to any Participant or any other person, other than an Owner as shown in the Bond Register, of any notice with respect to book-entry Bonds, including any Redemption Notice, (iii) the selection by the Depository and its Participants of the beneficial interests in book-entry
Bonds to be prepaid in the event the District redeems the Bonds in part, or (iv) the payment by the Depository or any Participant or any other person, of any amount with respect to principal of, premium, if any, or interest on the book-entry Bonds. The District and the Paying Agent may treat and consider the person in whose name each book-entry Bond is registered in the Bond Register as the absolute Owner of such book-entry Bond for the purpose of payment of principal of and premium and interest on and to such Bond, for the purpose of giving Redemption Notices and other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Paying Agent shall pay all principal of and premium, if any, and interest on the Bonds only to or upon the order of the respective Owner, as shown in the Bond Register, or his respective attorney duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District’s obligations with respect to payment of principal of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than an Owner, as shown in the Bond Register, shall receive a certificate evidencing the obligation to make payments of principal of, premium, if any, and interest on the Bonds. Upon delivery by the Depository to the Owner and the Paying Agent, of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions herein with respect to the Record Date, the word Nominee in this Resolution shall refer to such nominee of the Depository.

(1) Delivery of Letter of Representations. In order to qualify the book-entry Bonds for the Depository’s book-entry system, the District and the Paying Agent shall execute and deliver to the Depository a Letter of Representations. The execution and delivery of a Letter of Representations shall not in any way impose upon the District or the Paying Agent any obligation whatsoever with respect to persons having interests in such book-entry Bonds other than the Owners, as shown on the Bond Register. By executing a Letter of Representations, the Paying Agent shall agree to take all action necessary at all times so that the District will be in compliance with all representations of the District in such Letter of Representations. In addition to the execution and delivery of a Letter of Representations, the District and the Paying Agent shall take such other actions, not inconsistent with this Resolution, as are reasonably necessary to qualify book-entry Bonds for the Depository’s book-entry program.

(2) Selection of Depository. In the event (i) the Depository determines not to continue to act as securities depository for book-entry Bonds, or (ii) the District determines that continuation of the book-entry system is not in the best interest of the Beneficial Owners of the Bonds or the District, then the District will discontinue the book-entry system with the Depository. If the District determines to replace the Depository with another qualified securities depository, the District shall prepare or direct the preparation of a new single, separate, fully registered bond for each maturity date of such Outstanding book-entry Bond, registered in the name of such successor or substitute qualified securities depository or its Nominee as provided in subsection (4) hereof. If the District fails to identify another qualified securities depository to replace the Depository, then the Bonds shall no longer be restricted to being registered in such Bond Register in the name of the Nominee, but shall be registered in whatever name or names the Owners transferring or exchanging such Bonds shall designate, in accordance with the provisions of this Section 6(c).

(3) Payments and Notices to Depository. Notwithstanding any other provision of this Resolution to the contrary, so long as all Outstanding Bonds are held in book entry form and registered in the name of the Nominee, all payments by the District or the Paying Agent with respect to principal of and premium, if any, or interest on the Bonds and all notices with respect to such Bonds, including Redemption Notices, shall be made and given, respectively to
the Nominee, as provided in the Letter of Representations or as otherwise required or instructed by the Depository and agreed to by the Paying Agent notwithstanding any inconsistent provisions herein.

(4) Transfer of Bonds to Substitute Depository.

(A) The Bonds shall be initially issued as described in the Official Statement described herein. Registered ownership of such Bonds, or any portions thereof, may not thereafter be transferred except:

1. to any successor of DTC or its nominee, or of any substitute depository designated pursuant to Section 6(c)(i)(4)(A)(2) ("Substitute Depository"), provided that any successor of DTC or Substitute Depository shall be qualified under any applicable laws to provide the service proposed to be provided by it;

2. to any Substitute Depository, upon (1) the resignation of DTC or its successor (or any Substitute Depository or its successor) from its functions as depository, or (2) a determination by the District that DTC (or its successor) is no longer able to carry out its functions as depository; provided that any such Substitute Depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

3. to any person as provided below, upon (1) the resignation of DTC or its successor (or any Substitute Depository or its successor) from its functions as depository, or (2) a determination by the District that DTC or its successor (or Substitute Depository or its successor) is no longer able to carry out its functions as depository.

(B) In the case of any transfer pursuant to Section 6(c)(i)(4)(A)(1) or (2), upon receipt of all Outstanding Bonds by the Paying Agent, together with a written request of the District to the Paying Agent designating the Substitute Depository, a single new Bond, which the District shall prepare or cause to be prepared, shall be executed and delivered for each maturity of Bonds then Outstanding, registered in the name of such successor or such Substitute Depository or their Nominees, as the case may be, all as specified in such written request of the District. In the case of any transfer pursuant to Section 6(c)(i)(4)(A)(3), upon receipt of all Outstanding Bonds by the Paying Agent, together with a written request of the District to the Paying Agent, new Bonds, which the District shall prepare or cause to be prepared, shall be executed and delivered in such denominations and registered in the names of such persons as are requested in such written request of the District, provided that the Paying Agent shall not be required to deliver such new Bonds within a period of less than sixty (60) days from the date of receipt of such written request from the District.

(C) In the case of a partial redemption or an advance refunding of any Bonds evidencing a portion of the principal maturing in a particular year, DTC or its successor (or any Substitute Depository or its successor) shall make an appropriate notation on such Bonds indicating the date and amounts of such reduction in principal, in form acceptable to the Paying Agent, all in accordance with the Letter of Representations. The Paying Agent shall not be liable for such Depository's failure to make such notations or errors in making such notations.
(D) The District and the Paying Agent shall be entitled to treat the person in whose name any Bond is registered as the Owner thereof for all purposes of this Resolution and any applicable laws, notwithstanding any notice to the contrary received by the Paying Agent or the District; and the District and the Paying Agent shall not have responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any Beneficial Owners of the Bonds. Neither the District nor the Paying Agent shall have any responsibility or obligation, legal or otherwise, to any such Beneficial Owners or to any other party, including DTC or its successor (or Substitute Depository or its successor), except to the Owner of any Bonds, and the Paying Agent may rely conclusively on its records as to the identity of the Owners of the Bonds.

SECTION 7. Execution of the Bonds. The Bonds shall be signed by the President of the Board, or other member of the Board authorized to sign on behalf of the President, by their manual or facsimile signature and countersigned by the manual or facsimile signature of the Secretary of the Board, or the designee thereof, all in their official capacities. No Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under this Resolution unless and until the certificate of authentication printed on the Bond is signed by the Paying Agent as authenticating agent. Authentication by the Paying Agent shall be conclusive evidence that the Bond so authenticated has been duly issued, signed and delivered under this Resolution and is entitled to the security and benefit of this Resolution.

SECTION 8. Paying Agent; Transfer and Exchange. So long as any of the Bonds remain Outstanding, the District will cause the Paying Agent to maintain and keep at its principal corporate trust office all books and records necessary for the registration, exchange and transfer of the Bonds as provided in this Section. Subject to the provisions of Section 9 below, the person in whose name a Bond is registered on the Bond Register shall be regarded as the absolute Owner of that Bond for all purposes of this Resolution. Payment of or on account of the principal of and premium, if any, and interest on any Bond shall be made only to or upon the order of such Owner; neither the District nor the Paying Agent shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the District's liability upon the Bonds, including interest, to the extent of the amount or amounts so paid.

Any Bond may be exchanged for Bonds of like Series, tenor, maturity and principal amount upon presentation and surrender at the principal corporate trust office of the Paying Agent, together with a request for exchange signed by the Owner or by a person legally empowered to do so in a form satisfactory to the Paying Agent. A Bond may be transferred on the Bond Register only upon presentation and surrender of the Bond at the principal corporate trust office of the Paying Agent together with an assignment executed by the Owner or by a person legally empowered to do so in a form satisfactory to the Paying Agent. Upon exchange or transfer, the Paying Agent shall complete, authenticate and deliver a new bond or bonds of like tenor and of any authorized denomination or denominations requested by the Owner equal to the principal amount of the Bond surrendered and bearing or accruing interest at the same rate and maturing on the same date.

If any Bond shall become mutilated, the District, at the expense of the Owner of said Bond, shall execute, and the Paying Agent shall thereupon authenticate and deliver, a new Bond of like Series, tenor, maturity and principal amount in exchange and substitution for the Bond so mutilated, but only upon surrender to the Paying Agent of the Bond so mutilated. If any Bond issued hereunder shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Paying...
Agent and, if such evidence be satisfactory to the Paying Agent and indemnity for the Paying Agent and the District satisfactory to the Paying Agent shall be given by the Owner, the District, at the expense of the Owner, shall execute, and the Paying Agent shall thereupon authenticate and deliver, a new Bond of like Series, tenor, maturity and principal amount in lieu of and in substitution for the Bond so lost, destroyed or stolen (or if any such Bond shall have matured or shall have been called for redemption, instead of issuing a substitute Bond the Paying Agent may pay the same without surrender thereof upon receipt of indemnity satisfactory to the Paying Agent and the District). The Paying Agent may require payment of a reasonable fee for each new Bond issued under this paragraph and of the expenses which may be incurred by the District and the Paying Agent.

If signatures on behalf of the District are required in connection with an exchange or transfer, the Paying Agent shall undertake the exchange or transfer of Bonds only after the new Bonds are signed by the authorized officers of the District as provided in Section 7. In all cases of exchanged or transferred Bonds, the District shall sign and the Paying Agent shall authenticate and deliver Bonds in accordance with the provisions of this Resolution. All fees and costs of transfer shall be paid by the requesting party. Those charges may be required to be paid before the procedure is begun for the exchange or transfer. All Bonds issued upon any exchange or transfer shall be valid obligations of the District, evidencing the same debt, and entitled to the same security and benefit under this Resolution as the Bonds surrendered upon that exchange or transfer.

Any Bond surrendered to the Paying Agent for payment, retirement, exchange, replacement or transfer shall be cancelled by the Paying Agent. The District may at any time deliver to the Paying Agent for cancellation any previously authenticated and delivered Bonds that the District may have acquired in any manner whatsoever, and those Bonds shall be promptly cancelled by the Paying Agent. Written reports of the surrender and cancellation of Bonds shall be made to the District by the Paying Agent as requested by the District. The cancelled Bonds shall be retained for three years, then returned to the District or destroyed by the Paying Agent as directed by the District.

Neither the District nor the Paying Agent will be required (a) to issue or transfer any Bonds during a period beginning with the opening of business on the 16th business day next preceding either any Bond Payment Date or any date of selection of Bonds to be redeemed and ending with the close of business on the Bond Payment Date or any day on which the applicable Redemption Notice is given or (b) to transfer any Bonds which have been selected or called for redemption in whole or in part.
SECTION 9. Payment. Payment of interest on any Bond shall be made on any Bond Payment Date to the person appearing on the Bond Register of the Paying Agent as the Owner thereof as of the Record Date immediately preceding such Bond Payment Date, such interest to be paid by wire transfer to such Owner on the Bond Payment Date to the bank and account number on file with the Paying Agent for that purpose on or before the Record Date. The principal, and redemption premiums, if any, payable on the Bonds shall be payable upon maturity or redemption upon surrender at the designated office of the Paying Agent. The principal of, premiums, if any, and interest on, the Bonds shall be payable in lawful money of the United States of America. The Paying Agent is hereby authorized to pay the Bonds when duly presented for payment at maturity, and to cancel all Bonds upon payment thereof. The Bonds are obligations of the District payable solely from the levy of ad valorem property taxes upon all property within the District subject to taxation, which taxes shall be without limit as to rate or amount. The Bonds do not constitute an obligation of the County except as provided in this Resolution, and no part of any fund of the County is pledged or obligated to the payment of the Bonds.

SECTION 10. Forms of Bonds. The Bonds shall be in substantially the form as set forth in Exhibit A hereto, allowing those officials executing the Bonds to make the insertions and deletions necessary to conform the Bonds to this Resolution, the Purchase Contract and the Official Statement, or to correct or cure any defect, inconsistency, ambiguity or omission therein. Pending the preparation of definitive Bonds, the Bonds may be executed and delivered in temporary form exchangeable for definitive Bonds when ready for delivery. If the Paying Agent delivers temporary Bonds, it shall execute and deliver definitive Bonds in an equal aggregate principal amount of authorized denominations, when available, and thereupon the temporary Bonds shall be surrendered to the Paying Agent. Until so exchanged, the temporary Bonds shall be entitled to the same benefits hereunder as definitive Bonds.

SECTION 11. Delivery of Bonds. The proper officials of the District shall cause the Bonds to be prepared and, following their sale, shall have the Bonds signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Bonds, to the Underwriters upon payment of the purchase price therefor.

SECTION 12. Deposit of Proceeds of Bonds. (a) The purchase price received from the Underwriters pursuant to the Purchase Contract, to the extent of the principal amount thereof, shall be paid to the County to the credit of the fund hereby authorized to be created to be known as the “Los Angeles Community College District 2016 Election General Obligation Bonds, Series A Building Fund” (the “Building Fund”) of the District, shall be kept separate and distinct from all other District and County funds, and such proceeds shall be used solely for the purposes for which the Bonds are being issued and provided further that such proceeds shall be applied solely to the purposes authorized by the voters of the District at the Election. The County shall have no responsibility for assuring the proper use of the Bond proceeds by the District. To the extent the Bonds are issued in more than one Series, there shall be created a separate Building Fund for each such Series of Bonds, with appropriate Series designation, and all references herein to the Building Fund shall be deemed to include any Building Fund created for a Series of Bonds.

The purchase price received from the Underwriters pursuant to the Purchase Contract, to the extent of any accrued interest and any net original issue premium, shall be paid to the County to the credit of the fund hereby authorized to be created to be known as the “Los Angeles Community College District 2016 Election General Obligation Bonds, Series A Debt Service Fund” (the “Debt Service Fund”) for the Bonds and used for payment of principal of and interest on the Bonds, and for
no other purpose. To the extent the Bonds are issued in more than one Series, there shall be created a separate Debt Service Fund for each such Series of Bonds, with appropriate Series designation, and all references herein to the Debt Service Fund shall be deemed to include any Debt Service Fund created for a Series of Bonds. Interest earnings on monies held in Building Fund shall be retained therein. Interest earnings on monies held in the Debt Service Fund shall be retained therein. Any excess proceeds of the Bonds on deposit in the Building Fund not needed for the authorized purposes set forth herein for which the Bonds are being issued shall, upon written notice from the District, be transferred to the Debt Service Fund and applied to the payment of principal of and interest on the Bonds. If, after payment in full of the Bonds, there remain excess proceeds, any such excess amounts shall be transferred to the general fund of the District.

The costs of issuance of the Bonds are hereby authorized to be paid either from premium withheld by the Underwriters upon the sale of the Bonds, or from the principal amount of the Bonds received from the Underwriters. To the extent costs of issuance are paid from such principal amount, the District may direct that a portion thereof, in an amount not-to-exceed 2.0% of such principal amount, in lieu of being deposited into the Building Fund, be deposited in a costs of issuance account to be held by a fiscal agent of the District appointed for such purpose.

(b) Subject to federal tax restrictions, all funds held by the County hereunder shall be invested in Permitted Investments pursuant to law and the investment policy of the County. Neither the County nor its officers and agents, as the case may be, shall have any responsibility or obligation to determine the tax consequences of any investment. The District hereby authorizes investments made pursuant to this Resolution with maturities exceeding five years. The interest earned on the monies deposited in the Building Fund shall be deposited in the Building Fund and used for the purposes of that fund. Except as required to satisfy the requirements of Section 148(f) of the Code, interest earned on the investment of moneys held in the Debt Service Fund shall be retained in the Debt Service Fund and used by the County to pay the principal of and interest on the Bonds when due.

SECTION 13. Rebate Fund. The following provisions shall apply to any Bonds issued as Tax-Exempt Bonds.

(a) The District shall create and establish a special fund designated the “Los Angeles Community College District 2016 Election General Obligation Bonds, Series A Rebate Fund” (the “Rebate Fund”). All amounts at any time on deposit in the Rebate Fund shall be held in trust, to the extent required to satisfy the requirement to make rebate payments to the United States (the “Rebate Requirement”) pursuant to Section 148 of the Code, and the Treasury Regulations promulgated thereunder (the “Treasury Regulations”). Such amounts shall be free and clear of any lien hereunder and shall be governed by this Section and by the Tax Certificate to be executed by the District in connection with the Tax-Exempt Bonds (the “Tax Certificate”).

(b) Within 45 days of the end of each fifth Bond Year (as such term is defined in the Tax Certificate), (1) the District shall calculate or cause to be calculated with respect to the Bonds the amount that would be considered the “rebate amount” within the meaning of Section 1.148-3 of the Treasury Regulations, using as the “computation date” for this purpose the end of such Bond Year, and (2) the District shall deposit to the Rebate Fund from amounts on deposit in the other funds established hereunder or from other District funds, if and to the extent required, amounts sufficient to cause the balance in the Rebate Fund to be equal to the “rebate amount” so calculated. The District shall not be required to deposit any amount to the Rebate Fund in accordance with the preceding sentence, if the amount on deposit in the Rebate Fund prior to the deposit required to be made under this subsection (b)
equals or exceeds the “rebate amount” calculated in accordance with the preceding sentence. Such excess may be withdrawn from the Rebate Fund to the extent permitted under subsection (g) of this Section. The District shall not be required to calculate the “rebate amount” and shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b), with respect to all or any portion of the proceeds of the Bonds (including amounts treated as proceeds of the Bonds) (1) to the extent such proceeds satisfy the expenditure requirements of Section 148(f)(4)(B) or Section 148(f)(4)(C) of the Code or Section 1.148-7(d) of the Treasury Regulations, whichever is applicable, and otherwise qualify for the exception to the Rebate Requirement pursuant to whichever of said sections is applicable, (2) to the extent such proceeds are subject to an election by the District under Section 148(f)(4)(C)(vii) of the Code to pay a one and one-half percent (1 1/2%) penalty in lieu of arbitrage rebate in the event any of the percentage expenditure requirements of Section 148(f)(4)(C) are not satisfied, or (3) to the extent such proceeds qualify for the exception to arbitrage rebate under Section 148(f)(4)(A)(ii) of the Code for amounts in a “bona fide debt service fund.” In such event, and with respect to such amounts, the District shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b).

(c) Any funds remaining in the Rebate Fund after redemption of all the Bonds and any amounts described in paragraph (2) of subsection (d) of this Section, or provision made therefor satisfactory to the District, including accrued interest, shall be remitted to the District.

(d) Subject to the exceptions contained in subsection (b) of this Section to the requirement to calculate the “rebate amount” and make deposits to the Rebate Fund, the District shall pay to the United States, from amounts on deposit in the Rebate Fund,

(1) not later than 60 days after the end of (i) the fifth Bond Year, and (ii) each fifth Bond Year thereafter, an amount that, together with all previous rebate payments, is equal to at least 90% of the “rebate amount” calculated as of the end of such Bond Year in accordance with Section 1.148-3 of the Treasury Regulations; and

(2) not later than 60 days after the payment of all Bonds, an amount equal to 100% of the “rebate amount” calculated as of the date of such payment (and any income attributable to the “rebate amount” determined to be due and payable) in accordance with Section 1.148-3 of the Treasury Regulations.

(e) In the event that, prior to the time any payment is required to be made from the Rebate Fund, the amount in the Rebate Fund is not sufficient to make such payment when such payment is due, the District shall calculate (or have calculated) the amount of such deficiency and deposit an amount equal to such deficiency into the Rebate Fund prior to the time such payment is due.

(f) Each payment required to be made pursuant to subsection (d) of this Section shall be made to the Internal Revenue Service, on or before the date on which such payment is due, and shall be accompanied by Internal Revenue Service Form 8038-T, such form to be prepared or caused to be prepared by the District.

(g) In the event that immediately following the calculation required by subsection (b) of this Section, but prior to any deposit made under said subsection, the amount on deposit in the Rebate Fund exceeds the “rebate amount” calculated in accordance with said subsection, the District may withdraw the excess from the Rebate Fund and credit such excess to the Debt Service Fund.
The District shall retain records of all determinations made hereunder until three years after the complete retirement of the Bonds.

Notwithstanding anything in this Resolution to the contrary, the Rebate Requirement shall survive the payment in full or defeasance of the Bonds.

SECTION 14. Security for the Bonds. There shall be levied on all the taxable property in the District, in addition to all other taxes, a continuing direct ad valorem property tax annually during the period the Bonds are Outstanding in an amount sufficient to pay the principal of and interest on the Bonds when due, which moneys when collected will be deposited in the Debt Service Fund of the District and use for the payment of the principal of and interest on the Bonds when and as the falls due, and for no other purpose. The District covenants to cause the County to take all actions necessary to levy such ad valorem tax in accordance with this Section 14. Pursuant to Section 53515 of the Government Code, the Bonds shall be secured by a statutory lien on all revenues received pursuant to the levy and collection of ad valorem taxes for the payment thereof.

Pursuant to Government Code sections 5450 and 5451, the District hereby pledges all revenues received from the levy and collection ad valorem taxes for the payment of the Bonds and all amounts on deposit in the Debt Service Fund to the payment of the Bonds. Such pledge shall constitute a lien on and security interest in such taxes and amounts in the Debt Service Fund. This pledge shall constitute an agreement between the District and the Owners of the Bonds to provide security for the payment of the Bonds in addition to any statutory lien that may exist.

The moneys in the Debt Service Fund, to the extent necessary to pay the principal of and interest on the Bonds as the same become due and payable, shall be transferred by the Treasurer to the Paying Agent which, in turn, shall pay such moneys to DTC to pay such principal and interest. DTC will thereupon make payments of principal of and interest on the Bonds to the DTC Participants who will thereupon make payments of such principal and interest to the Beneficial Owners of the Bonds. Any moneys remaining in the Debt Service Fund after the Bonds and the interest thereon have been paid in full, or provision for such payment has been made, shall be transferred to the general fund of the District, pursuant to California Education Code Section 15234.

SECTION 15. Arbitrage Covenant. The District covenants that it will restrict the use of the proceeds of the Bonds in such manner and to such extent, if any, as may be necessary, so that the Bonds will not constitute arbitrage bonds under Section 148 of the Code and the applicable regulations prescribed thereunder or any predecessor section. Calculations for determining arbitrage requirements are the sole responsibility of the District.

SECTION 16. Conditions Precedent. The Board determines that all acts and conditions necessary to be performed by the Board or to have been met precedent to and in the issuing of the Bonds in order to make them legal, valid and binding general obligations of the District have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Bonds.

SECTION 17. Official Statement. A Preliminary Official Statement relating to the Bonds is hereby authorized to be prepared. The Authorized Officers, each alone, are hereby authorized and directed, for and in the name and on behalf of the District, to deem the Preliminary Official Statement “final” pursuant to 15c2-12 of the Securities Exchange Act of 1934, prior to its distribution and to
execute and deliver to the Underwriters a final Official Statement, substantially in the form of the Preliminary Official Statement, with such changes therein, deletions therefrom and modifications thereto as the Authorized Officer executing the same shall approve. The Underwriters are hereby authorized to distribute copies of the Preliminary Official Statement to persons who may be interested in the purchase of the Bonds, and such Underwriters are directed to deliver copies of any final Official Statement to the purchasers of the Bonds. Execution of the Official Statement shall conclusively evidence the District’s approval of the Official Statement.

SECTION 18. Insurance. In the event the District purchases bond insurance for the Bonds, and to the extent that the Bond Insurer makes payment of the principal of interest on the Bonds, it shall become the Owner of such Bonds with the right to payment of such principal or interest, and shall be fully subrogated to all of the Owners’ rights, including the Owners’ rights to payment thereof. To evidence such subrogation (i) in the case of subrogation as to claims that were past due interest the Paying Agent shall note the Bond Insurer’s rights as subrogee on the registration books for the Bonds maintained by the Paying Agent upon receipt of a copy of the cancelled check issued by the Bond Insurer for the payment of such interest to the Owners of the Bonds, and (ii) in the case of subrogation as to claims for past due principal, the Paying Agent shall note the Bond Insurer as subrogee on the registration books for the Bonds maintained by the Paying Agent upon surrender of the Bonds by the Owners thereof to the Bond Insurer or the insurance trustee for the Bond Insurer.

SECTION 19. Defeasance. All or any portion of the Outstanding maturities of the Bonds may be defeased prior to maturity in the following ways:

(a) Cash: by irrevocably depositing with an independent escrow agent selected by the District an amount of cash which, together with any amounts transferred from the Debt Service Fund, is sufficient to pay all Bonds Outstanding and designated for defeasance (including all principal thereof, accrued interest thereon and redemption premiums, if any) at or before their maturity date; or

(b) Government Obligations: by irrevocably depositing with an independent escrow agent selected by the District noncallable Government Obligations together with any amounts transferred from the Debt Service Fund and any other cash, if required, in such amount as will, together with interest to accrue thereon, in the opinion of an independent certified public accountant, be fully sufficient to pay and discharge all Bonds Outstanding and designated for defeasance (including all principal thereof, accrued interest thereon and redemption premiums, if any) at or before their maturity date;

then, notwithstanding that any of such Bonds shall not have been surrendered for payment, all obligations of the District with respect to all such designated Outstanding Bonds shall cease and terminate, except only the obligation of the independent escrow agent selected by the District to pay or cause to be paid from funds deposited pursuant to paragraphs (a) or (b) of this Section, to the Owners of such designated Bonds not so surrendered and paid all sums due with respect thereto.

For purposes of this Section, Government Obligations shall mean:

Direct and general obligations of the United States of America, obligations that are unconditionally guaranteed as to principal and interest by the United States of America (which may consist of obligations of the Resolution Funding Corporation that constitute interest strips), and obligations secured or otherwise guaranteed, directly or indirectly, as to principal and
interest by a pledge of the full faith and credit of the United States of America. In the case of direct and general obligations of the United States of America, Government Obligations shall include evidences of direct ownership of proportionate interests in future interest or principal payments of such obligations. Investments in such proportionate interests must be limited to circumstances where (i) a bank or trust company acts as custodian and holds the underlying United States obligations; (ii) the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor of the underlying United States obligations; and (iii) the underlying United States obligations are held in a special account, segregated from the custodian’s general assets, and are not available to satisfy any claim of the custodian, any person claiming through the custodian, or any person to whom the custodian may be obligated; provided that such obligations are rated or assessed at least as high as direct and general obligations of the United States of America by either Moody’s or S&P.

SECTION 20. **Nonliability of County.** Notwithstanding anything to the contrary contained herein, in the Bonds or in any other document mentioned herein, neither the County, nor its officials, officers, employees or agents shall have any liability hereunder or by reason thereof or in connection with the transactions contemplated hereby, the Bonds are not a debt of the County or a pledge of the County’s full faith and credit, and the Bonds and any liability in connection therewith shall be paid solely from ad valorem property taxes lawfully levied to pay the principal of or interest on the Bonds, which taxes shall be unlimited as to rate or amount.

SECTION 21. **Reimbursement of County Costs.** The District shall reimburse the County for all costs and expenses incurred by the County, its officials, officers, agents and employees in issuing or otherwise in connection with the issuance of the Bonds.

SECTION 22. **Request to County to Levy Tax.** The Board of Supervisors and officers of the County are obligated by statute to provide for the levy and collection of ad valorem property taxes in each year sufficient to pay all principal of and interest coming due on the Bonds in such year, and to pay from such taxes all amounts due on the Bonds. The District hereby requests the Board of Supervisors to annually levy a tax upon all taxable property in the District sufficient to pay all such principal and interest coming due on the Bonds in such year, and to pay from such taxes all amounts due on the Bonds. The Board hereby finds and determines that such ad valorem taxes shall be levied specifically to pay the Bonds being issued to finance specific projects authorized by the voters of the District at the Election.

SECTION 23. **Other Actions.** (a) Officers of the Board and District officials and staff are hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to proceed with the issuance of the Bonds and otherwise carry out, give effect to and comply with the terms and intent of this Resolution. Such actions heretofore taken by such officers, officials and staff are hereby ratified, confirmed and approved.

(b) The Board hereby authorizes the appointment of such senior and co-managing Underwriters as shall be identified in the Purchase Contract. To the extent the Bonds are sold pursuant to more than one Purchase Contract, the Board hereby authorizes the appointment of such senior managers and other co-managers as shall be identified therein. The Board hereby appoints KNN Public Finance as Municipal Advisor, Stradling Yocca Carlson & Rauth, a Professional Corporation, as Bond Counsel and Hawkins Delafield & Wood LLP as Disclosure Counsel, all with respect to the issuance of the Bonds.
(c) The provisions of this Resolution as they relate to the Bonds may be amended by the Purchase Contract or the Official Statement.

SECTION 24. Resolution to County Treasurer-Tax Collector. The Secretary of this Board is hereby directed to provide a certified copy of this Resolution to the Treasurer immediately following its adoption.

SECTION 25. Continuing Disclosure. The District hereby covenants and agrees that it will comply with and carry out all of the provisions of that certain Continuing Disclosure Agreement executed by the District and dated as of the Date of Delivery, as originally executed and as it may be amended from time to time in accordance with the terms thereof. The Authorized Officers, each alone, are hereby authorized to execute the Continuing Disclosure Agreement with such changes thereto as the Authorized Officers executing the same shall approve, such approval to be conclusively evidenced by such execution and delivery. Noncompliance with the Continuing Disclosure Agreement shall not result in acceleration of the Bonds.

SECTION 26. Reimbursement. (a) The District hereby states its intention and reasonably expects to reimburse itself from proceeds of the Bonds for the costs of acquiring, constructing, reconstructing and/or equipping District sites and facilities as provided in Measure CC (the “Project”), including the Software Project costs incurred prior to the issuance of the Bonds.

(b) The reasonably expects that the maximum principal amount of the Bonds is $100,000,000.

(c) This resolution is being adopted not later than 60 days after the payment of the original Expenditures (the “Expenditures Dates or Dates”).

(d) The District will make a reimbursement allocation, which is a written allocation that evidences the District’s use of proceeds of the Bonds to reimburse an Expenditure, no later than 18 months after the later of the date on which the Expenditure is paid or the Project is placed in service or abandoned, but in no event more than three years after the date on which the Expenditure is paid. If both the District and a licensed architect or engineer certify that at least 5 years is necessary to complete construction of the Project, the maximum reimbursement period is changed from 3 years to 5 years.

(e) Each Expenditure will be either (a) of a type properly chargeable to a capital account under general federal income tax principles (determined in each case as of the date of the Expenditure), (b) a cost of issuance with respect to the Bonds, (c) a nonrecurring item that is not customarily payable from current revenues, or (d) a grant to a party that is not related to or an agent of the District so long as such grant does not impose any obligation or condition (directly or indirectly) to repay any amount to or for the benefit of the District.

(f) This resolution is consistent with the budgetary and financial circumstances of the District, as of the date hereof. No moneys from sources other than the Bonds are, or are reasonably expected to be reserved, allocated on a long-term basis, or otherwise set aside by the District (or any related party) pursuant to their budget or financial policies with respect to the Project costs. To the best of our knowledge, this Board is not aware of the previous adoption of official intents by the District that have been made as a matter of course for the purpose of reimbursing expenditures and for which tax-exempt obligations have not been issued.
(g) This resolution is adopted as official action of the District in order to comply with Treasury Regulation §1.150-2 and any other regulations of the Internal Revenue Service relating to the qualification for reimbursement of District expenditures incurred prior to the date of issue of the Bonds.

(h) The limitations described in Section 3 and Section 4 do not apply to (a) costs of issuance of the Bonds, (b) an amount not in excess of the lesser of $100,000 or five percent (5%) of the proceeds of the Bonds, or (c) any preliminary expenditures, such as architectural, engineering, surveying, soil testing, and similar costs other than land acquisition, site preparation, and similar costs incident to commencement of construction, not in excess of twenty percent (20%) of the aggregate issue price of the Bonds that finances the Project for which the preliminary expenditures were incurred.

SECTION 27. **Effective Date.** This Resolution shall take effect immediately upon its passage.

SECTION 28. **Further Actions Authorized.** It is hereby covenanted that the District, and its appropriate officials, have duly taken all actions necessary to be taken by them, and will take any additional actions necessary to be taken by them, for carrying out the provisions of this Resolution.

**REGISTERED OWNER:** CEDE & CO.

**PRINCIPAL AMOUNT:**

The Los Angeles Community College District (the “District”) in Los Angeles County, California (the “County”), for value received, promises to pay to the Registered Owner named above, or registered assigns, the Principal Amount on the Maturity Date, each as stated above, and interest thereon until the Principal Amount is paid or provided for at the Interest Rate stated above, on February 1 and August 1 of each year (the “Bond Payment Dates”), commencing on February 1, 2018. This bond will bear interest from the Bond Payment Date next preceding the date of authentication hereof unless it is authenticated as of a day during the period from the 16th day of the month next preceding any Bond Payment Date to the Bond Payment Date, inclusive, in which event it shall bear interest from such Bond Payment Date, or unless it is authenticated on or before January 15, 2018, in which event it shall bear interest from the Date of Delivery. Interest shall be computed on the basis of a 360-day year of 12, 30-day months. Principal and interest are payable in lawful money of the United States of America, without deduction for the paying agent services, to the person in whose name this bond (or, if applicable, one or more predecessor bonds) is registered, such owner being the Registered Owner, on the Register maintained by the Paying Agent, initially The Bank of New York Mellon Trust Company, N.A, as agent of the Treasurer and Tax Collector of Los Angeles County. Principal is payable upon presentation and surrender of this bond at the principal corporate trust office of the Paying Agent. Interest is payable by wire transfer to the bank and account number on file with the Paying Agent as of the close of business on the 15th day of the calendar month next preceding that Bond Payment Date (the “Record Date”).

This bond is one of an authorization of bonds approved to raise money for the purposes authorized by voters of the District at the Election (defined herein) and to pay all necessary legal, financial, engineering and contingent costs in connection therewith under authority of and pursuant to the laws of the State of California, and the requisite vote of the electors of the District cast at a general election held on November 8, 2016 (the “Election”), upon the question of issuing bonds in the amount of $3,300,000,000 and the resolution of the Board of Trustees of the District adopted on September 6, 2017 (the “Bond Resolution”). This bond is being issued under the provisions of Article 4.5 of Chapter 3 of Part 1 of Division 2 of Title 5 of the California Government Code. This bond and the issue of

A-1
which this bond is one are payable as to both principal and interest solely from the proceeds of the levy of ad valorem property taxes on all property subject to such taxes in the District, which taxes are unlimited as to rate or amount in accordance with California Education Code Sections 15250 and 15252. Pursuant to California Government Code Section 535515, the Bonds shall be secured by a statutory lien on all revenues received pursuant to the levy and collection of such ad valorem taxes.

Pursuant to California Government Code Sections 5450 and 5451, the District has pledged all revenues received from the levy and collection ad valorem taxes for the payment of the Bonds, and all amounts on deposit in the Debt Service Fund (as defined in the Bond Resolution), to the payment of the Bonds. Such pledge shall constitute a lien on and security interest in such taxes and amounts in the Debt Service Fund, and shall constitute an agreement between the District and the Registered Owners of the Bonds to provide security for the payment of the Bonds in addition to any statutory lien that may exist.

The bonds of this issue comprise $____ principal amount of current interest bonds, of which this bond is a part (collectively, the “Bonds”).

This bond is exchangeable and transferable for Bonds of like series, tenor, maturity and Transfer Amount (as defined in the Bond Resolution) and in authorized denominations at the principal corporate trust office of the Paying Agent in Dallas, Texas, by the Registered Owner or by a person legally empowered to do so, in a form satisfactory to the Paying Agent, all subject to the terms, limitations and conditions provided in the Bond Resolution. All fees and costs of transfer shall be paid by the transferor. The District and the Paying Agent may deem and treat the Registered Owner as the absolute owner of this bond for the purpose of receiving payment of or on account of principal or interest and for all other purposes, and neither the District nor the Paying Agent shall be affected by any notice to the contrary.

Neither the District nor the Paying Agent will be required (a) to issue or transfer any Bond during a period beginning with the opening of business on the 16th business day next preceding either any Bond Payment Date or any date of selection of Bonds to be redeemed and ending with the close of business on the Bond Payment Date or day on which the applicable notice of redemption is given or (b) to transfer any Bond which has been selected or called for redemption in whole or in part.

The Bonds maturing on or before August 1, 20__ are not subject to redemption prior to their fixed maturity dates. The Bonds maturing on or after August 1, 20__ are subject to redemption at the option of the District, as a whole or in part, on any date on or after August 1, 20__ at a redemption price equal to the principal amount of the Bonds to be redeemed, plus interest thereon to the date fixed for redemption, without premium.

The Bonds maturing on August 1, 20__, are subject to redemption prior to maturity from mandatory sinking fund payments on August 1 of each year, on and after August 1, 20__, at a redemption price equal to the principal amount thereof, together with accrued interest to the date fixed for redemption, without premium. The principal amount represented by such Bonds to be so redeemed and the dates therefor and the final principal payment date are as indicated in the following table:
Redemption Dates

Principal Amounts

**TOTAL**

If less than all of the Bonds of any one maturity shall be called for redemption, the particular Bonds or portions of Bonds of such maturity to be redeemed shall be selected by lot by the Paying Agent in such manner as the Paying Agent in its discretion may determine; provided, however, that the portion of any Bond to be redeemed shall be in the principal amount of $5,000 or some multiple thereof. If less than all of the Bonds stated to mature on different dates shall be called for redemption, the particular Bonds or portions thereof to be redeemed shall be called by the Paying Agent in any order directed by the District and, if not so directed, in the inverse order of maturity.

Reference is made to the Bond Resolution for a more complete description of certain defined terms used herein, as well as the provisions, among others, with respect to the nature and extent of the security for the Bonds of this series, the rights, duties and obligations of the District, the Paying Agent and the Registered Owners, and the terms and conditions upon which the Bonds are issued and secured. The Registered Owner of this bond assents, by acceptance hereof, to all of the provisions of the Bond Resolution.

It is certified and recited that all acts and conditions required by the Constitution and laws of the State of California to exist, to occur and to be performed or to have been met precedent to and in the issuing of the Bonds in order to make them legal, valid and binding general obligations of the District, have been performed and have been met in regular and due form as required by law; that no statutory or constitutional limitation on indebtedness or taxation has been exceeded in issuing the Bonds; and that due provision has been made for levying and collecting *ad valorem* property taxes on all of the taxable property within the District in an amount sufficient to pay principal and interest when due.

This bond shall not be valid or obligatory for any purpose and shall not be entitled to any security or benefit under the Bond Resolution until the Certificate of Authentication below has been signed.

NOW, THEREFORE, BE IT FOUND, DETERMINED AND RESOLVED BY THE BOARD OF TRUSTEES OF THE LOS ANGELES COMMUNITY COLLEGE DISTRICT, LOS ANGELES COUNTY, CALIFORNIA, AS FOLLOWS:

SECTION 1. Authorization for Issuance of the Bonds. To raise money for the purposes authorized by the voters of the District at the Election, and to pay all necessary legal, financial, engineering and contingent costs in connection therewith, the Board hereby authorizes the issuance of the Bonds pursuant to Article 4.5 of Chapter 3 of Part 1 of Division 2 of Title 5 of the Government Code in one or more Series of Taxable or Tax-Exempt Current Interest Bonds, with appropriate series designations, all as more fully set forth in the executed Purchase Contract (as defined herein). The Board hereby ratifies the prior use proceeds from the issuance of bonds under Measure J for the Software Projects, and authorizes the use of proceeds from the issuance of bonds under Measure J, including the Bonds, for the acquisition and installation of the Software Projects, and the ordering of the improvements to the Software Projects. The Board further orders the Bonds sold such that the Bonds shall be dated as of a date to be determined by an Authorized Officer (defined herein), shall be payable upon such terms and provisions as shall be set forth in the Bonds, and shall be in an aggregate principal amount not-to-exceed $300,000,000.

SECTION 2. Paying Agent. This Board hereby appoints the Paying Agent, as defined in Section 5 hereof, to serve as the paying agent, bond registrar, transfer agent and authentication agent for the Bonds on behalf of the District. This Board hereby authorizes the payment of the reasonable fees and expenses of the Paying Agent as they shall become due and payable. The fees and expenses of the Paying Agent which are not paid as a cost of issuance of the Bonds may be paid in each year from ad valorem property taxes levied and collected for the payment thereof, insofar as permitted by law, including specifically by Section 15232 of the California Education Code.

SECTION 3. Terms and Conditions of Sale. The Bonds shall be sold upon the direction of the Chancellor, Vice Chancellor of Finance and Resource Development or the Chief Financial Officer/Treasurer of the District, or such other officers or employees of the District as the Chancellor, Vice Chancellor of Finance and Resource Development or the Chief Financial Officer/Treasurer may designate for such purpose (collectively, the “Authorized Officers”), and pursuant to such terms and conditions set forth in the Purchase Contract. The Board hereby authorizes the sale of the Bonds at a negotiated sale, which is determined to provide more flexibility in the timing of the sale, an ability to implement the sale in a shorter time period, an increased ability to structure the Bonds to fit the needs of particular purchasers, and a greater opportunity for the Underwriters (as defined herein) to pre-market the Bonds to potential purchasers prior to the sale, all of which will contribute to the District’s goal of achieving the lowest overall cost of funds.
SECTION 4. **Approval of Purchase Contract.** The Board directs the preparation of the Purchase Contract by and between the District and the Underwriters, subject to the limitations that (i) the interest rates on the Bonds shall not exceed the maximum rate permitted by law; and (ii) the underwriting discount on the Bonds, excluding original issue discount, shall not exceed 0.50% of the aggregate principal amount of Bonds actually issued. The Authorized Officers, each alone, are further authorized to determine the principal amount of the Bonds to be specified in the Purchase Contract for sale by the District up to $300,000,000. The Board estimates that the costs associated with the issuance of the Bonds, including compensation to the Underwriters, will equal approximately 1.0% of the principal amount of the Bonds.

(b) **Redemption.**

(ii) **Selection of Bonds for Redemption.** Whenever provision is made in this Resolution for the optional redemption of Bonds and less than all Outstanding Bonds are to be redeemed, the Paying Agent, upon written instruction from the District, shall select Bonds for redemption as so directed and if not directed, in inverse order of maturity. Within a maturity, the Paying Agent shall select Bonds for redemption by lot. Redemption by lot shall be in such manner as the Paying Agent shall determine; provided, however, that with respect to redemption by lot, the portion of any Bond to be redeemed in part shall be in the principal amount of $5,000 or any integral multiple thereof.

The Purchase Contract may provide that (i) in the event that a portion of any Term Bond is optionally redeemed prior to maturity pursuant to Section 6(b)(i) hereof, the remaining mandatory sinking fund payments with respect to such Term Bonds shall be reduced proportionately or as otherwise directed by the District, in integral multiples of $5,000 principal amount, in respect of the portion of such Term Bonds optionally redeemed, and (ii) within a maturity, Bonds shall be selected for redemption on a “Pro Rata Pass-Through Distribution of Principal” basis in accordance with DTC procedures, provided further that, such pro-rata redemption is made in accordance with the operational arrangements of DTC then in effect.

(iii) **Redemption Notice.** When redemption is authorized or required pursuant to Section 6(b) hereof, the Paying Agent, upon written instruction from the District, shall give notice (a “Redemption Notice”) of the redemption of the Bonds. Such Redemption Notice shall specify: the Bonds or designated portions thereof (in the case of redemption of the Bonds in part but not in whole) which are to be redeemed, the date of redemption, the place or places where the redemption will be made, including the name and address of the Paying Agent, the redemption price, the CUSIP numbers (if any) assigned to the Bonds to be redeemed, the Bond numbers of the Bonds to be redeemed in whole or in part and, in the case of any Bond to be redeemed in part only, the portion of the principal
amount of such Bond to be redeemed, and the original issue date, interest rate or Accretion Rate and stated maturity date of each Bond to be redeemed in whole or in part. Such Redemption Notice shall further state that on the specified date there shall become due and payable upon each Bond or portion thereof being redeemed at the redemption price thereof, together with the interest accrued to the redemption date, and that from and after such date, interest thereon shall cease to accrue.

The Paying Agent shall take the following actions with respect to each such Redemption Notice:

1. At least 20 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given to the respective Owners of Bonds designated for redemption by registered or certified mail, postage prepaid, at their addresses appearing on the Bond Register.

2. At least 20 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given by (i) registered or certified mail, postage prepaid, (ii) telephonically confirmed facsimile transmission, or (iii) overnight delivery service, to the Depository.

3. At least 20 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given by (i) registered or certified mail, postage prepaid, or (ii) overnight delivery service, to one of the Information Services.

4. Such Redemption Notice shall be given such other persons as may be required pursuant to the Continuing Disclosure Agreement.

A certificate of the Paying Agent to the effect that a Redemption Notice has been given as provided herein shall be conclusive as against all parties. Neither failure to receive any Redemption Notice nor any defect in any such Redemption Notice so given shall affect the sufficiency of the proceedings for the redemption of the affected Bonds. Each check issued or other transfer of funds made by the Paying Agent for the purpose of redeeming Bonds shall bear or include the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer. The Redemption Notice may state that no representation is made as to the accuracy or correctness of CUSIP numbers printed thereon.

With respect to any Redemption Notice of Bonds, unless upon the giving of such notice such Bonds shall be deemed to have been defeased pursuant to Section 19 hereof, such notice shall state that such redemption shall be conditional upon the receipt by the independent escrow agent selected by the District, on or prior to the date fixed for such redemption, of the moneys necessary and sufficient to pay the principal of, premium, if any, and interest on, such Bonds to be redeemed, and that if such moneys shall not have been so received said notice shall be of no force and effect, the Bonds shall not be subject to redemption on such date and the Bonds shall not be required to be redeemed on such date. In the event that such Redemption Notice contains such a condition and such moneys are not so received, the redemption shall not be made and the Paying Agent shall within a reasonable time thereafter give notice, to the persons to whom and in the manner in which the Redemption Notice was given, that such moneys were not so received. In addition, the District shall have the right to rescind any Redemption Notice, by written notice to the Paying Agent, on or prior to the date fixed for such redemption. The Paying Agent shall distribute a notice of such rescission in the same manner as the Redemption Notice was originally provided.
(iv) **Partial Redemption of Bonds.** Upon the surrender of any Bond redeemed in part only, the Paying Agent shall execute and deliver to the Owner thereof a new Bond or Bonds of like tenor and maturity and of authorized denominations equal in principal amounts to the unredeemed portion of the Bond surrendered. Such partial redemption shall be valid upon payment of the amount required to be paid to such Owner, and the District shall be released and discharged thereupon from all liability to the extent of such payment.

(v) **Effect of Redemption Notice.** Notice having been given as aforesaid, and the moneys for the redemption (including the interest accrued to the applicable date of redemption) having been set aside as provided in Section 19 hereof, the Bonds to be redeemed shall become due and payable on such date of redemption.

If on such redemption date, money for the redemption of all the Bonds to be redeemed as provided in Section 6(b) hereof, together with interest accrued to such redemption date, shall be held in trust as provided in Section 19 hereof, as to be available therefor on such redemption date, and if a Redemption Notice thereof shall have been given as aforesaid, then from and after such redemption date, interest on the Bonds to be redeemed shall cease to accrue and become payable. All money held for the redemption of Bonds shall be held in trust for the account of the Owners of the Bonds to be so redeemed.

All Bonds paid at maturity or redeemed prior to maturity pursuant to the provisions of this Section 6 shall be cancelled upon surrender thereof and be delivered to or upon the order of the District. All or any portion of a Bond purchased by the District shall be cancelled by the Paying Agent.

(vi) **Bonds No Longer Outstanding.** When any Bonds (or portions thereof), which have been duly called for redemption prior to maturity under the provisions of this Resolution, or with respect to which instructions to call for redemption prior to maturity at the earliest redemption date have been given to the Paying Agent, in form satisfactory to it, and sufficient moneys shall be held irrevocably in trust as provided in Section 19 hereof for the payment of the redemption price of such Bonds or portions thereof, and accrued interest with respect thereto to the date fixed for redemption, all as provided in this Resolution, then such Bonds shall no longer be deemed Outstanding and shall be surrendered to the Paying Agent for cancellation.

(c) **Book-Entry System.**

(i) **Election of Book-Entry System.** The Bonds shall initially be delivered in the form of a separate single fully-registered bond (which may be typewritten) for each maturity date of such Bonds in an authorized denomination. The ownership of each such Bond shall be registered in the Bond Register in the name of the Nominee, as nominee of the Depository and ownership of the Bonds, or any portion thereof may not thereafter be transferred except as provided in Section 6(c)(i)(4).

With respect to book-entry Bonds, the District and the Paying Agent shall have no responsibility or obligation to any Participant or to any person on behalf of which such a Participant holds an interest in such book-entry Bonds. Without limiting the immediately preceding sentence, the District and the Paying Agent shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee, or any Participant with respect to any ownership interest in book-entry Bonds, (ii) the delivery to any Participant or any other person, other than an Owner as shown in the Bond Register, of any notice with respect to book-entry Bonds, including any Redemption Notice, (iii) the selection by the Depository and its Participants of the beneficial interests in book-entry

DOCSSF/139502v1/022000-0001
Bonds to be prepaid in the event the District redeems the Bonds in part, or (iv) the payment by the Depository or any Participant or any other person, of any amount with respect to principal of, premium, if any, or interest on the book-entry Bonds. The District and the Paying Agent may treat and consider the person in whose name each book-entry Bond is registered in the Bond Register as the absolute Owner of such book-entry Bond for the purpose of payment of principal of and premium and interest on and to such Bond, for the purpose of giving Redemption Notices and other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Paying Agent shall pay all principal of and premium, if any, and interest on the Bonds only to or upon the order of the respective Owner, as shown in the Bond Register, or his respective attorney duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District’s obligations with respect to payment of principal of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than an Owner, as shown in the Bond Register, shall receive a certificate evidencing the obligation to make payments of principal of, premium, if any, and interest on the Bonds. Upon delivery by the Depository to the Owner and the Paying Agent, of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions herein with respect to the Record Date, the word Nominee in this Resolution shall refer to such nominee of the Depository.

(1) **Delivery of Letter of Representations.** In order to qualify the book-entry Bonds for the Depository’s book-entry system, the District and the Paying Agent shall execute and deliver to the Depository a Letter of Representations. The execution and delivery of a Letter of Representations shall not in any way impose upon the District or the Paying Agent any obligation whatsoever with respect to persons having interests in such book-entry Bonds other than the Owners, as shown on the Bond Register. By executing a Letter of Representations, the Paying Agent shall agree to take all action necessary at all times so that the District will be in compliance with all representations of the District in such Letter of Representations. In addition to the execution and delivery of a Letter of Representations, the District and the Paying Agent shall take such other actions, not inconsistent with this Resolution, as are reasonably necessary to qualify book-entry Bonds for the Depository’s book-entry program.

(2) **Selection of Depository.** In the event (i) the Depository determines not to continue to act as securities depository for book-entry Bonds, or (ii) the District determines that continuation of the book-entry system is not in the best interest of the Beneficial Owners of the Bonds or the District, then the District will discontinue the book-entry system with the Depository. If the District determines to replace the Depository with another qualified securities depository, the District shall prepare or direct the preparation of a new single, separate, fully registered bond for each maturity date of such Outstanding book-entry Bond, registered in the name of such successor or substitute qualified securities depository or its Nominee as provided in subsection (4) hereof. If the District fails to identify another qualified securities depository to replace the Depository, then the Bonds shall no longer be restricted to being registered in such Bond Register in the name of the Nominee, but shall be registered in whatever name or names the Owners transferring or exchanging such Bonds shall designate, in accordance with the provisions of this Section 6(c).

(3) **Payments and Notices to Depository.** Notwithstanding any other provision of this Resolution to the contrary, so long as all Outstanding Bonds are held in book entry form and registered in the name of the Nominee, all payments by the District or the Paying Agent with respect to principal of and premium, if any, or interest on the Bonds and all notices with respect to such Bonds, including Redemption Notices, shall be made and given, respectively to
the Nominee, as provided in the Letter of Representations or as otherwise required or instructed by the Depository and agreed to by the Paying Agent notwithstanding any inconsistent provisions herein.

(4) **Transfer of Bonds to Substitute Depository.**

(A) The Bonds shall be initially issued as described in the Official Statement described herein. Registered ownership of such Bonds, or any portions thereof, may not thereafter be transferred except:

1. to any successor of DTC or its nominee, or of any substitute depository designated pursuant to Section 6(c)(i)(4)(A)(2) ("Substitute Depository"); provided that any successor of DTC or Substitute Depository shall be qualified under any applicable laws to provide the service proposed to be provided by it;

2. to any Substitute Depository, upon (1) the resignation of DTC or its successor (or any Substitute Depository or its successor) from its functions as depository, or (2) a determination by the District that DTC (or its successor) is no longer able to carry out its functions as depository; provided that any such Substitute Depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

3. to any person as provided below, upon (1) the resignation of DTC or its successor (or any Substitute Depository or its successor) from its functions as depository, or (2) a determination by the District that DTC or its successor (or Substitute Depository or its successor) is no longer able to carry out its functions as depository.

(B) In the case of any transfer pursuant to Section 6(c)(i)(4)(A)(1) or (2), upon receipt of all Outstanding Bonds by the Paying Agent, together with a written request of the District to the Paying Agent designating the Substitute Depository, a single new Bond, which the District shall prepare or cause to be prepared, shall be executed and delivered for each maturity of Bonds then Outstanding, registered in the name of such successor or such Substitute Depository or their Nominees, as the case may be, all as specified in such written request of the District. In the case of any transfer pursuant to Section 6(c)(i)(4)(A)(3), upon receipt of all Outstanding Bonds by the Paying Agent, together with a written request of the District to the Paying Agent, new Bonds, which the District shall prepare or cause to be prepared, shall be executed and delivered in such denominations and registered in the names of such persons as are requested in such written request of the District, provided that the Paying Agent shall not be required to deliver such new Bonds within a period of less than sixty (60) days from the date of receipt of such written request from the District.

(C) In the case of a partial redemption or an advance refunding of any Bonds evidencing a portion of the principal maturing in a particular year, DTC or its successor (or any Substitute Depository or its successor) shall make an appropriate notation on such Bonds indicating the date and amounts of such reduction in principal, in form acceptable to the Paying Agent, all in accordance with the Letter of Representations. The Paying Agent shall not be liable for such Depository’s failure to make such notations or errors in making such notations.
(D) The District and the Paying Agent shall be entitled to treat the person in whose name any Bond is registered as the Owner thereof for all purposes of this Resolution and any applicable laws, notwithstanding any notice to the contrary received by the Paying Agent or the District, and the District and the Paying Agent shall not have responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any Beneficial Owners of the Bonds. Neither the District nor the Paying Agent shall have any responsibility or obligation, legal or otherwise, to any such Beneficial Owners or to any other party, including DTC or its successor (or Substitute Depository or its successor), except to the Owner of any Bonds, and the Paying Agent may rely conclusively on its records as to the identity of the Owners of the Bonds.

SECTION 7. Execution of the Bonds. The Bonds shall be signed by the President of the Board, or other member of the Board authorized to sign on behalf of the President, by their manual or facsimile signature and countersigned by the manual or facsimile signature of the Secretary or Clerk of the Board, or the designee thereof, all in their official capacities. No Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under this Resolution unless and until the certificate of authentication printed on the Bond is signed by the Paying Agent as authenticating agent. Authentication by the Paying Agent shall be conclusive evidence that the Bond so authenticated has been duly issued, signed and delivered under this Resolution and is entitled to the security and benefit of this Resolution.

SECTION 8. Paying Agent; Transfer and Exchange. So long as any of the Bonds remain Outstanding, the District will cause the Paying Agent to maintain and keep at its principal corporate trust office all books and records necessary for the registration, exchange and transfer of the Bonds as provided in this Section. Subject to the provisions of Section 9 below, the person in whose name a Bond is registered on the Bond Register shall be regarded as the absolute Owner of that Bond for all purposes of this Resolution. Payment of or on account of the principal of and premium, if any, and interest on any Bond shall be made only to or upon the order of such Owner; neither the District nor the Paying Agent shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the District’s liability upon the Bonds, including interest, to the extent of the amount or amounts so paid.

Any Bond may be exchanged for Bonds of like Series, tenor, maturity and principal amount upon presentation and surrender at the principal corporate trust office of the Paying Agent, together with a request for exchange signed by the Owner or by a person legally empowered to do so in a form satisfactory to the Paying Agent. A Bond may be transferred on the Bond Register only upon presentation and surrender of the Bond at the principal corporate trust office of the Paying Agent together with an assignment executed by the Owner or by a person legally empowered to do so in a form satisfactory to the Paying Agent. Upon exchange or transfer, the Paying Agent shall complete, authenticate and deliver a new Bond or Bonds of like tenor and of any authorized denomination or denominations requested by the Owner equal to the principal amount of the Bond surrendered and bearing or accruing interest at the same rate and maturing on the same date.

If any Bond shall become mutilated, the District, at the expense of the Owner of said Bond, shall execute, and the Paying Agent shall thereupon authenticate and deliver, a new Bond of like Series, tenor, maturity and principal amount in exchange and substitution for the Bond so mutilated, but only upon surrender to the Paying Agent of the Bond so mutilated. If any Bond issued hereunder shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Paying
Agent and, if such evidence be satisfactory to the Paying Agent and indemnity for the Paying Agent and the District satisfactory to the Paying Agent shall be given by the Owner, the District, at the expense of the Owner, shall execute, and the Paying Agent shall thereupon authenticate and deliver, a new Bond of like Series, tenor, maturity and principal amount in lieu of and in substitution for the Bond so lost, destroyed or stolen (or if any such Bond shall have matured or shall have been called for redemption, instead of issuing a substitute Bond the Paying Agent may pay the same without surrender thereof upon receipt of indemnity satisfactory to the Paying Agent and the District). The Paying Agent may require payment of a reasonable fee for each new Bond issued under this paragraph and of the expenses which may be incurred by the District and the Paying Agent.

If signatures on behalf of the District are required in connection with an exchange or transfer, the Paying Agent shall undertake the exchange or transfer of Bonds only after the new Bonds are signed by the authorized officers of the District as provided in Section 7. In all cases of exchanged or transferred Bonds, the District shall sign and the Paying Agent shall authenticate and deliver Bonds in accordance with the provisions of this Resolution. All fees and costs of transfer shall be paid by the requesting party. Those charges may be required to be paid before the procedure is begun for the exchange or transfer. All Bonds issued upon any exchange or transfer shall be valid obligations of the District, evidencing the same debt, and entitled to the same security and benefit under this Resolution as the Bonds surrendered upon that exchange or transfer.

Any Bond surrendered to the Paying Agent for payment, retirement, exchange, replacement or transfer shall be cancelled by the Paying Agent. The District may at any time deliver to the Paying Agent for cancellation any previously authenticated and delivered Bonds that the District may have acquired in any manner whatsoever, and those Bonds shall be promptly cancelled by the Paying Agent. Written reports of the surrender and cancellation of Bonds shall be made to the District by the Paying Agent as requested by the District. The cancelled Bonds shall be retained for three years, then returned to the District or destroyed by the Paying Agent as directed by the District.

Neither the District nor the Paying Agent will be required (a) to issue or transfer any Bonds during a period beginning with the opening of business on the 16th business day next preceding either any Bond Payment Date or any date of selection of Bonds to be redeemed and ending with the close of business on the Bond Payment Date or any day on which the applicable Redemption Notice is given or (b) to transfer any Bonds which have been selected or called for redemption in whole or in part.

**SECTION 9. Payment.** Payment of interest on any Bond shall be made on any Bond Payment Date to the person appearing on the Bond Register of the Paying Agent as the Owner thereof as of the Record Date immediately preceding such Bond Payment Date, such interest to be paid by wire transfer to such Owner on the Bond Payment Date to the bank and account number on file with the Paying Agent for that purpose on or before the Record Date. The principal, and redemption premiums, if any, payable on the Bonds shall be payable upon maturity or redemption upon surrender at the designated office of the Paying Agent. The principal of, premiums, if any, and interest on, the Bonds shall be payable in lawful money of the United States of America. The Paying Agent is hereby authorized to pay the Bonds when duly presented for payment at maturity, and to cancel all Bonds upon payment thereof. The Bonds are obligations of the District payable solely from the levy of ad valorem property taxes upon all property within the District subject to taxation, which taxes shall be without limit as to rate or amount. The Bonds do not constitute an obligation of the County except as provided in this Resolution, and no part of any fund of the County is pledged or obligated to the payment of the Bonds.
SECTION 10. **Forms of Bonds.** The Bonds shall be in substantially the form as set forth in Exhibit A hereto, allowing those officials executing the Bonds to make the insertions and deletions necessary to conform the Bonds to this Resolution, the Purchase Contract and the Official Statement, or to correct or cure any defect, inconsistency, ambiguity or omission therein. Pending the preparation of definitive Bonds, the Bonds may be executed and delivered in temporary form exchangeable for definitive Bonds when ready for delivery. If the Paying Agent delivers temporary Bonds, it shall execute and deliver definitive Bonds in an equal aggregate principal amount of authorized denominations, when available, and thereupon the temporary Bonds shall be surrendered to the Paying Agent. Until so exchanged, the temporary Bonds shall be entitled to the same benefits hereunder as definitive Bonds.

SECTION 11. **Delivery of Bonds.** The proper officials of the District shall cause the Bonds to be prepared and, following their sale, shall have the Bonds signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Bonds, to the Underwriters upon payment of the purchase price therefor.

SECTION 12. **Deposit of Proceeds of Bonds.** (a) The purchase price received from the Underwriters pursuant to the Purchase Contract, to the extent of the principal amount thereof, shall be paid to the County to the credit of the fund hereby authorized to be created to be known as the “Los Angeles Community College District 2008 Election General Obligation Bonds, Series J Building Fund” (the “Building Fund”) of the District, shall be kept separate and distinct from all other District and County funds, and such proceeds shall be used solely for the purposes for which the Bonds are being issued and provided further that such proceeds shall be applied solely to the purposes authorized by the voters of the District at the Election. The County shall have no responsibility for assuring the proper use of the Bond proceeds by the District. To the extent the Bonds are issued in more than one Series, there shall be created a separate Building Fund for each such Series of Bonds, with appropriate Series designation, and all references herein to the Building Fund shall be deemed to include any Building Fund created for a Series of Bonds.

The purchase price received from the Underwriters pursuant to the Purchase Contract, to the extent of any accrued interest and any net original issue premium, shall be paid to the County to the credit of the fund hereby authorized to be created to be known as the “Los Angeles Community College District 2008 Election General Obligation Bonds, Series J Debt Service Fund” (the “Debt Service Fund”) for the Bonds and used for payment of principal of and interest on the Bonds, and for no other purpose. To the extent the Bonds are issued in more than one Series, there shall be created a separate Debt Service Fund for each such Series of Bonds, with appropriate Series designation, and all references herein to the Debt Service Fund shall be deemed to include any Debt Service Fund created for a Series of Bonds. Interest earnings on monies held in Building Fund shall be retained therein. Interest earnings on monies held in the Debt Service Fund shall be retained therein. Any excess proceeds of the Bonds on deposit in the Building Fund not needed for the authorized purposes set forth herein for which the Bonds are being issued shall, upon written notice from the District, be transferred to the Debt Service Fund and applied to the payment of principal of and interest on the Bonds. If, after payment in full of the Bonds, there remain excess proceeds, any such excess amounts shall be transferred to the general fund of the District.

The costs of issuance of the Bonds are hereby authorized to be paid either from premium withheld by the Underwriters upon the sale of the Bonds, or from the principal amount of the Bonds received from the Underwriters. To the extent costs of issuance are paid from such principal amount, the District may direct that a portion thereof, in an amount not-to-exceed 2.0% of such principal

14
amount, in lieu of being deposited into the Building Fund, be deposited in a costs of issuance account to be held by a fiscal agent of the District appointed for such purpose.

(b) Subject to federal tax restrictions, all funds held by the County hereunder shall be invested in Permitted Investments pursuant to law and the investment policy of the County. Neither the County nor its officers and agents, as the case may be, shall have any responsibility or obligation to determine the tax consequences of any investment. The District hereby authorizes investments made pursuant to this Resolution with maturities exceeding five years. The interest earned on the moneys deposited in the Building Fund shall be deposited in the Building Fund and used for the purposes of that fund. Except as required to satisfy the requirements of Section 148(f) of the Code, interest earned on the investment of moneys held in the Debt Service Fund shall be retained in the Debt Service Fund and used by the County to pay the principal of and interest on the Bonds when due.

SECTION 13. Rebate Fund. The following provisions shall apply to any Bonds issued as Tax-Exempt Bonds.

(a) The District shall create and establish a special fund designated the “Los Angeles Community College District 2008 Election General Obligation Bonds, Series J Rebate Fund” (the “Rebate Fund”). All amounts at any time on deposit in the Rebate Fund shall be held in trust, to the extent required to satisfy the requirement to make rebate payments to the United States (the “Rebate Requirement”) pursuant to Section 148 of the Code, and the Treasury Regulations promulgated thereunder (the “Treasury Regulations”). Such amounts shall be free and clear of any lien hereunder and shall be governed by this Section and by the Tax Certificate to be executed by the District in connection with the Tax-Exempt Bonds (the “Tax Certificate”).

(b) Within 45 days of the end of each fifth Bond Year (as such term is defined in the Tax Certificate), (1) the District shall calculate or cause to be calculated with respect to the Bonds the amount that would be considered the “rebate amount” within the meaning of Section 1.148-3 of the Treasury Regulations, using as the “computation date” for this purpose the end of such Bond Year, and (2) the District shall deposit to the Rebate Fund from amounts on deposit in the other funds established hereunder or from other District funds, if and to the extent required, amounts sufficient to cause the balance in the Rebate Fund to be equal to the “rebate amount” so calculated. The District shall not be required to deposit any amount to the Rebate Fund in accordance with the preceding sentence, if the amount on deposit in the Rebate Fund prior to the deposit required to be made under this subsection (b) equals or exceeds the “rebate amount” calculated in accordance with the preceding sentence. Such excess may be withdrawn from the Rebate Fund to the extent permitted under subsection (g) of this Section. The District shall not be required to calculate the “rebate amount” and shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b), with respect to all or a portion of the proceeds of the Bonds (including amounts treated as proceeds of the Bonds) (1) to the extent such proceeds satisfy the expenditure requirements of Section 148(f)(4)(B) or Section 148(f)(4)(C) of the Code or Section 1.148-7(d) of the Treasury Regulations, whichever is applicable, and otherwise qualify for the exception to the Rebate Requirement pursuant to whichever of said sections is applicable, (2) to the extent such proceeds are subject to an election by the District under Section 148(f)(4)(C)(vii) of the Code to pay a one and one-half percent (1 1/2%) penalty in lieu of arbitrage rebate in the event any of the percentage expenditure requirements of Section 148(f)(4)(C) are not satisfied, or (3) to the extent such proceeds qualify for the exception to arbitrage rebate under Section 148(f)(4)(A)(ii) of the Code for amounts in a “bona fide debt service fund.” In such event, and with respect to such amounts, the District shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b).
(c) Any funds remaining in the Rebate Fund after redemption of all the Bonds and any amounts described in paragraph (2) of subsection (d) of this Section, or provision made therefor satisfactory to the District, including accrued interest, shall be remitted to the District.

(d) Subject to the exceptions contained in subsection (b) of this Section to the requirement to calculate the “rebate amount” and make deposits to the Rebate Fund, the District shall pay to the United States, from amounts on deposit in the Rebate Fund,

(1) not later than 60 days after the end of (i) the fifth Bond Year, and (ii) each fifth Bond Year thereafter, an amount that, together with all previous rebate payments, is equal to at least 90% of the “rebate amount” calculated as of the end of such Bond Year in accordance with Section 1.148-3 of the Treasury Regulations; and

(2) not later than 60 days after the payment of all Bonds, an amount equal to 100% of the “rebate amount” calculated as of the date of such payment (and any income attributable to the “rebate amount” determined to be due and payable) in accordance with Section 1.148-3 of the Treasury Regulations.

(e) In the event that, prior to the time any payment is required to be made from the Rebate Fund, the amount in the Rebate Fund is not sufficient to make such payment when such payment is due, the District shall calculate (or have calculated) the amount of such deficiency and deposit an amount equal to such deficiency into the Rebate Fund prior to the time such payment is due.

(f) Each payment required to be made pursuant to subsection (d) of this Section shall be made to the Internal Revenue Service, on or before the date on which such payment is due, and shall be accompanied by Internal Revenue Service Form 8038-T, such form to be prepared or caused to be prepared by the District.

(g) In the event that immediately following the calculation required by subsection (b) of this Section, but prior to any deposit made under said subsection, the amount on deposit in the Rebate Fund exceeds the “rebate amount” calculated in accordance with said subsection, the District may withdraw the excess from the Rebate Fund and credit such excess to the Debt Service Fund.

(h) The District shall retain records of all determinations made hereunder until three years after the complete retirement of the Bonds.

(i) Notwithstanding anything in this Resolution to the contrary, the Rebate Requirement shall survive the payment in full or defeasance of the Bonds.

SECTION 14. Security for the Bonds. There shall be levied on all the taxable property in the District, in addition to all other taxes, a continuing direct ad valorem property tax annually during the period the Bonds are Outstanding in an amount sufficient to pay the principal of and interest on the Bonds when due, which moneys when collected will be deposited in the Debt Service Fund of the District and use for the payment of the principal of and interest on the Bonds when and as the falls due, and for no other purpose. The District covenants to cause the County to take all actions necessary to levy such ad valorem tax in accordance with this Section 14. Pursuant to Section 53515 of the Government Code, the Bonds shall be secured by a statutory lien on all revenues received pursuant to the levy and collection of ad valorem taxes for the payment thereof.
Pursuant to Government Code sections 5450 and 5451, the District hereby pledges all revenues received from the levy and collection *ad valorem* taxes for the payment of the Bonds and all amounts on deposit in the Debt Service Fund to the payment of the Bonds. Such pledge shall constitute a lien on and security interest in such taxes and amounts in the Debt Service Fund. This pledge shall constitute an agreement between the District and the Owners of the Bonds to provide security for the payment of the Bonds in addition to any statutory lien that may exist.

The moneys in the Debt Service Fund, to the extent necessary to pay the principal of and interest on the Bonds as the same become due and payable, shall be transferred by the Treasurer to the Paying Agent which, in turn, shall pay such moneys to DTC to pay such principal and interest. DTC will thereupon make payments of principal of and interest on the Bonds to the DTC Participants who will thereupon make payments of such principal and interest to the Beneficial Owners of the Bonds. Any moneys remaining in the Debt Service Fund after the Bonds and the interest thereon have been paid in full, or provision for such payment has been made, shall be transferred to the general fund of the District, pursuant to California Education Code Section 15234.

**SECTION 15. Arbitrage Covenant.** The District covenants that it will restrict the use of the proceeds of the Bonds in such manner and to such extent, if any, as may be necessary, so that the Bonds will not constitute arbitrage bonds under Section 148 of the Code and the applicable regulations prescribed thereunder or any predecessor section. Calculations for determining arbitrage requirements are the sole responsibility of the District.

**SECTION 16. Conditions Precedent.** The Board determines that all acts and conditions necessary to be performed by the Board or to have been met precedent to and in the issuing of the Bonds in order to make them legal, valid and binding general obligations of the District have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Bonds.

**SECTION 17. Official Statement.** A Preliminary Official Statement relating to the Bonds is hereby authorized to be prepared. The Authorized Officers, each alone, are hereby authorized and directed, for and in the name and on behalf of the District, to deem the Preliminary Official Statement “final” pursuant to 15c2-12 of the Securities Exchange Act of 1934, prior to its distribution and to execute and deliver to the Underwriters a final Official Statement, substantially in the form of the Preliminary Official Statement, with such changes therein, deletions therefrom and modifications thereto as the Authorized Officer executing the same shall approve. The Underwriters are hereby authorized to distribute copies of the Preliminary Official Statement to persons who may be interested in the purchase of the Bonds, and such Underwriters are directed to deliver copies of any final Official Statement to the purchasers of the Bonds. Execution of the Official Statement shall conclusively evidence the District’s approval of the Official Statement.

**SECTION 18. Insurance.** In the event the District purchases bond insurance for the Bonds, and to the extent that the Bond Insurer makes payment of the principal of interest on the Bonds, it shall become the Owner of such Bonds with the right to payment of such principal or interest, and shall be fully subrogated to all of the Owners’ rights, including the Owners’ rights to payment thereof. To evidence such subrogation (i) in the case of subrogation as to claims that were past due interest the Paying Agent shall note the Bond Insurer’s rights as subrogee on the registration books for the Bonds maintained by the Paying Agent upon receipt of a copy of the cancelled check issued by the Bond Insurer for the payment of such interest to the Owners of the Bonds, and (ii) in the case of subrogation...
as to claims for past due principal, the Paying Agent shall note the Bond Insurer as subrogee on the registration books for the Bonds maintained by the Paying Agent upon surrender of the Bonds by the Owners thereof to the Bond Insurer or the insurance trustee for the Bond Insurer.

SECTION 19. Defeasance. All or any portion of the Outstanding maturities of the Bonds may be defeased prior to maturity in the following ways:

(a) Cash: by irrevocably depositing with an independent escrow agent selected by the District an amount of cash which, together with any amounts transferred from the Debt Service Fund, is sufficient to pay all Bonds Outstanding and designated for defeasance (including all principal thereof, accrued interest thereon and redemption premiums, if any) at or before their maturity date; or

(b) Government Obligations: by irrevocably depositing with an independent escrow agent selected by the District noncallable Government Obligations together with any amounts transferred from the Debt Service Fund and any other cash, if required, in such amount as will, together with interest to accrue thereon, in the opinion of an independent certified public accountant, be fully sufficient to pay and discharge all Bonds Outstanding and designated for defeasance (including all principal thereof, accrued interest thereon and redemption premiums, if any) at or before their maturity date;

then, notwithstanding that any of such Bonds shall not have been surrendered for payment, all obligations of the District with respect to all such designated Outstanding Bonds shall cease and terminate, except only the obligation of the independent escrow agent selected by the District to pay or cause to be paid from funds deposited pursuant to paragraphs (a) or (b) of this Section, to the Owners of such designated Bonds not so surrendered and paid all sums due with respect thereto.

For purposes of this Section, Government Obligations shall mean:

Direct and general obligations of the United States of America, obligations that are unconditionally guaranteed as to principal and interest by the United States of America (which may consist of obligations of the Resolution Funding Corporation that constitute interest strips), and obligations secured or otherwise guaranteed, directly or indirectly, as to principal and interest by a pledge of the full faith and credit of the United States of America. In the case of direct and general obligations of the United States of America, Government Obligations shall include evidences of direct ownership of proportionate interests in future interest or principal payments of such obligations. Investments in such proportionate interests must be limited to circumstances where (i) a bank or trust company acts as custodian and holds the underlying United States obligations; (ii) the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor of the underlying United States obligations; and (iii) the underlying United States obligations are held in a special account, segregated from the custodian’s general assets, and are not available to satisfy any claim of the custodian, any person claiming through the custodian, or any person to whom the custodian may be obligated; provided that such obligations are rated or assessed at least as high as direct and general obligations of the United States of America by either Moody’s or S&P.

SECTION 20. Nonliability of County. Notwithstanding anything to the contrary contained herein, in the Bonds or in any other document mentioned herein, neither the County, nor its officials, officers, employees or agents shall have any liability hereunder or by reason hereof or in connection
with the transactions contemplated hereby, the Bonds are not a debt of the County or a pledge of the County’s full faith and credit, and the Bonds and any liability in connection therewith shall be paid solely from *ad valorem* property taxes lawfully levied to pay the principal of or interest on the Bonds, which taxes shall be unlimited as to rate or amount.

SECTION 21. **Reimbursement of County Costs.** The District shall reimburse the County for all costs and expenses incurred by the County, its officials, officers, agents and employees in issuing or otherwise in connection with the issuance of the Bonds.

SECTION 22. **Request to County to Levy Tax.** The Board of Supervisors and officers of the County are obligated by statute to provide for the levy and collection of *ad valorem* property taxes in each year sufficient to pay all principal of and interest coming due on the Bonds in such year, and to pay from such taxes all amounts due on the Bonds. The District hereby requests the Board of Supervisors to annually levy a tax upon all taxable property in the District sufficient to pay all such principal and interest coming due on the Bonds in such year, and to pay from such taxes all amounts due on the Bonds. The Board hereby finds and determines that such *ad valorem* taxes shall be levied specifically to pay the Bonds being issued to finance specific projects authorized by the voters of the District at the Election.

SECTION 23. **Other Actions.** (a) Officers of the Board and District officials and staff are hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to proceed with the issuance of the Bonds and otherwise carry out, give effect to and comply with the terms and intent of this Resolution. Such actions heretofore taken by such officers, officials and staff are hereby ratified, confirmed and approved.

(b) The Board hereby authorizes the appointment of such senior and co-managing Underwriters as shall be identified in the Purchase Contract. To the extent the Bonds are sold pursuant to more than one Purchase Contract, the Board hereby authorizes the appointment of such other senior managers and co-managers as shall be identified therein. The Board hereby appoints KNN Public Finance as Municipal Advisor, Stradling Yocca Carlson & Rauth, a Professional Corporation, as Bond Counsel and Hawkins Delafleld & Wood LLP as Disclosure Counsel, all with respect to the issuance of the Bonds.

(c) The provisions of this Resolution as they relate to the Bonds may be amended by the Purchase Contract or the Official Statement.

SECTION 24. **Resolution to County Treasurer-Tax Collector.** The Secretary of this Board is hereby directed to provide a certified copy of this Resolution to the Treasurer immediately following its adoption.

SECTION 25. **Continuing Disclosure.** The District hereby covenants and agrees that it will comply with and carry out all of the provisions of that certain Continuing Disclosure Agreement executed by the District and dated as of the Date of Delivery, as originally executed and as it may be amended from time to time in accordance with the terms thereof. The Authorized Officers, each alone, are hereby authorized to execute the Continuing Disclosure Agreement with such changes thereto as the Authorized Officers executing the same shall approve, such approval to be conclusively evidenced by such execution and delivery. Noncompliance with the Continuing Disclosure Agreement shall not result in acceleration of the Bonds.
SECTION 26. Reimbursement. (a) The District hereby states its intention and reasonably expects to reimburse itself from the proceeds of the Bonds for the costs of acquiring, constructing, reconstructing and/or equipping District sites and facilities as provided in Measure J (the “Project”), including the Software Project costs incurred prior to the issuance of the Bonds.

(b) The reasonably expects that the maximum principal amount of the Bonds is $300,000,000.

(c) This resolution is being adopted not later than 60 days after the payment of the original Expenditures (the “Expenditures Dates or Dates”).

(d) The District will make a reimbursement allocation, which is a written allocation that evidences the District’s use of proceeds of the Bonds to reimburse an Expenditure, no later than 18 months after the later of the date on which the Expenditure is paid or the Project is placed in service or abandoned, but in no event more than three years after the date on which the Expenditure is paid. If both the District and a licensed architect or engineer certify that at least 5 years is necessary to complete construction of the Project, the maximum reimbursement period is changed from 3 years to 5 years.

(e) Each Expenditure will be either (a) of a type properly chargeable to a capital account under general federal income tax principles (determined in each case as of the date of the Expenditure), (b) a cost of issuance with respect to the Bonds, (c) a nonrecurring item that is not customarily payable from current revenues, or (d) a grant to a party that is not related to or an agent of the District so long as such grant does not impose any obligation or condition (directly or indirectly) to repay any amount to or for the benefit of the District.

(f) This resolution is consistent with the budgetary and financial circumstances of the District, as of the date hereof. No moneys from sources other than the Bonds are, or are reasonably expected to be reserved, allocated on a long-term basis, or otherwise set aside by the District (or any related party) pursuant to their budget or financial policies with respect to the Project costs. To the best of our knowledge, this Board is not aware of the previous adoption of official intents by the District that have been made as a matter of course for the purpose of reimbursing expenditures and for which tax-exempt obligations have not been issued.

(g) This resolution is adopted as official action of the District in order to comply with Treasury Regulation §1.150-2 and any other regulations of the Internal Revenue Service relating to the qualification for reimbursement of District expenditures incurred prior to the date of issue of the Bonds.

(h) The limitations described in Section 3 and Section 4 do not apply to (a) costs of issuance of the Bonds, (b) an amount not in excess of the lesser of $100,000 or five percent (5%) of the proceeds of the Bonds, or (c) any preliminary expenditures, such as architectural, engineering, surveying, soil testing, and similar costs other than land acquisition, site preparation, and similar costs incident to commencement of construction, not in excess of twenty percent (20%) of the aggregate issue price of the Bonds that finances the Project for which the preliminary expenditures were incurred.

SECTION 27. Effective Date. This Resolution shall take effect immediately upon its passage.
SECTION 28. **Further Actions Authorized.** It is hereby covenanted that the District, and its appropriate officials, have duly taken all actions necessary to be taken by them, and will take any additional actions necessary to be taken by them, for carrying out the provisions of this Resolution.

ATTEST:

Secretary of the Board of Trustees
Los Angeles Community College District
SECRETARY’S CERTIFICATE

I, Dr. Francisco Rodriguez, Ph.D., Chancellor and Secretary of the Board of Trustees of the Los Angeles Community College District, Los Angeles County, California, hereby certify as follows:

Interest shall be computed on the basis of a 360-day year of 12, 30-day months. Principal and interest are payable in lawful money of the United States of America, without deduction for the paying agent services, to the person in whose name this bond (or, if applicable, one or more predecessor bonds) is registered, such owner being the Registered Owner, on the Register maintained by the Paying Agent, initially The Bank of New York Mellon Trust Company, N.A, as agent of the Treasurer and Tax Collector of Los Angeles County. Principal is payable upon presentation and surrender of this bond at the principal corporate trust office of the Paying Agent. Interest is payable by wire transfer to the bank and account number on file with the Paying Agent as of the close of business on the 15th day of the calendar month next preceding that Bond Payment Date (the “Record Date”).

This bond is one of an authorization of bonds approved to raise money for the purposes authorized by voters of the District at the Election (defined herein) and to pay all necessary legal, financial, engineering and contingent costs in connection therewith under authority of and pursuant to the laws of the State of California, and the requisite vote of the electors of the District cast at a general election held on November 4, 2008 (the “Election”), upon the question of issuing bonds in the amount of $3,500,000,000 and the resolution of the Board of Trustees of the District adopted on September 6, 2017 (the “Bond Resolution”). This bond is being issued under the provisions of Article 4.5 of Chapter 3 of Part 1 of Division 2 of Title 5 of the California Government Code. This bond and the issue of
which this bond is one are payable as to both principal and interest solely from the proceeds of the levy of ad valorem property taxes on all property subject to such taxes in the District, which taxes are unlimited as to rate or amount in accordance with California Education Code Sections 15250 and 15252. Pursuant to California Government Code Section 535515, the Bonds shall be secured by a statutory lien on all revenues received pursuant to the levy and collection of such ad valorem taxes.

Pursuant to California Government Code Sections 5450 and 5451, the District has pledged all revenues received from the levy and collection ad valorem taxes for the payment of the Bonds, and all amounts on deposit in the Debt Service Fund (as defined in the Bond Resolution), to the payment of the Bonds. Such pledge shall constitute a lien on and security interest in such taxes and amounts in the Debt Service Fund, and shall constitute an agreement between the District and the Registered Owners of the Bonds to provide security for the payment of the Bonds in addition to any statutory lien that may exist.

The bonds of this issue comprise $_ principal amount of current interest bonds, of which this bond is a part (collectively, the “Bonds”).

This bond is exchangeable and transferable for Bonds of like series, tenor, maturity and Transfer Amount (as defined in the Bond Resolution) and in authorized denominations at the principal corporate trust office of the Paying Agent in Dallas, Texas, by the Registered Owner or by a person legally empowered to do so, in a form satisfactory to the Paying Agent, all subject to the terms, limitations and conditions provided in the Bond Resolution. All fees and costs of transfer shall be paid by the transferor. The District and the Paying Agent may deem and treat the Registered Owner as the absolute owner of this bond for the purpose of receiving payment of or on account of principal or interest and for all other purposes, and neither the District nor the Paying Agent shall be affected by any notice to the contrary.

Neither the District nor the Paying Agent will be required (a) to issue or transfer any Bond during a period beginning with the opening of business on the 16th business day next preceding either any Bond Payment Date or any date of selection of Bonds to be redeemed and ending with the close of business on the Bond Payment Date or day on which the applicable notice of redemption is given or (b) to transfer any Bond which has been selected or called for redemption in whole or in part.

The Bonds maturing on or before August 1, 20___ are not subject to redemption prior to their fixed maturity dates. The Bonds maturing on or after August 1, 20___ are subject to redemption at the option of the District, as a whole or in part, on any date on or after August 1, 20___ at a redemption price equal to the principal amount of the Bonds to be redeemed, plus interest thereon to the date fixed for redemption, without premium.

The Bonds maturing on August 1, 20___, are subject to redemption prior to maturity from mandatory sinking fund payments on August 1 of each year, on and after August 1, 20___, at a redemption price equal to the principal amount thereof, together with accrued interest to the date fixed for redemption, without premium. The principal amount represented by such Bonds to be so redeemed and the dates therefor and the final principal payment date are as indicated in the following table:
If less than all of the Bonds of any one maturity shall be called for redemption, the particular Bonds or portions of Bonds of such maturity to be redeemed shall be selected by lot by the Paying Agent in such manner as the Paying Agent in its discretion may determine; provided, however, that the portion of any Bond to be redeemed shall be in the principal amount of $5,000 or some multiple thereof. If less than all of the Bonds stated to mature on different dates shall be called for redemption, the particular Bonds or portions thereof to be redeemed shall be called by the Paying Agent in any order directed by the District and, if not so directed, in the inverse order of maturity.

Reference is made to the Bond Resolution for a more complete description of certain defined terms used herein, as well as the provisions, among others, with respect to the nature and extent of the security for the Bonds of this series, the rights, duties and obligations of the District, the Paying Agent and the Registered Owners, and the terms and conditions upon which the Bonds are issued and secured. The Registered Owner of this bond assents, by acceptance hereof, to all of the provisions of the Bond Resolution.

It is certified and recited that all acts and conditions required by the Constitution and laws of the State of California to exist, to occur and to be performed or to have been met precedent to and in the issuing of the Bonds in order to make them legal, valid and binding general obligations of the District, have been performed and have been met in regular and due form as required by law; that no statutory or constitutional limitation on indebtedness or taxation has been exceeded in issuing the Bonds; and that due provision has been made for levying and collecting *ad valorem* property taxes on all of the taxable property within the District in an amount sufficient to pay principal and interest when due.

Background

On October 5, 2016 (Com. No. BSD2), the Board of Trustees approved a resolution authorizing the issuance of a Request for Proposal (RFP) for joint occupancy of real property at East Los Angeles College (including Corporate Center and Southgate Center), Los Angeles City College, Los Angeles Harbor College, Los Angeles Mission College, Los Angeles Pierce College, Los Angeles Southwest College, Los Angeles Trade-Technical College, Los Angeles Valley College and West Los Angeles College.

On June 7, 2017 [Com. No. BSD2 (IV)], the Board of Trustees approved an Intent to Award the joint occupancy lease to Pacific Dining Food Service Management (“Pacific Dining”). On June 15, 2017, Trimana and Falafelicious Catering presented written protests of the award to Chancellor Rodriguez. On June 30, 2017, the Chancellor denied both protests and affirmed the original award. On July 6, 2017 and July 10, 2017, Falafelicious and Trimana appealed to the Board of Trustees. On August 9, 2017 (Com. No. BT6), a public hearing was held at which time Trimana and Falafelicious offered public testimony to the Board of Trustees protesting the award. Pacific Dining responded with testimony supporting the Chancellor’s decision and members of the public were allowed to comment on the topic.

Having heard the appeals and considered the information presented, the Board of Trustees may now take action to waive any and all irregularities, deny the appeals, uphold the award, and authorize the lease agreement with Pacific Dining. Alternatively, the Board may grant the final appeals and provide further direction to staff.

The activities of the lessee will be secondary to the academic programs of the Los Angeles Community College District.

6201.11 Residency Requirement.

Students must complete no fewer than 12 units at the college conferring the degree.

Exceptions to residence requirements for the associate degree may be made by the governing board when it determines that an injustice or undue hardship would be placed on the student.

6201.1112 Scholarship Requirement.

A "C" (2.0) grade average or better in all work attempted in the curriculum upon which the degree is based. Effective for all students admitted for the Fall 2009 term or any term thereafter, each course counted toward the major requirements must be completed with a grade of “C” or better or a “P” if the course is taken on a “pass-no pass” basis.

6201.1213 Competency Requirement.

Students entering prior to Fall 2009 must demonstrate competence in reading, in written expression, and in mathematics. This requirement may be met by achieving a grade of "C" or better in appropriate courses, recommended by the District Academic Senate, and approved by the Chancellor or by achieving a passing score on an examination or examinations recommended by the District Academic Senate and approved by the Chancellor.

Effective for all students entering on or after the Fall 2009 semester, competence in written expression shall be demonstrated by obtaining a satisfactory grade in English 101, or another English course at the same level and with the same rigor as recommended by the District Academic Senate and approved by the Chancellor. Competence in mathematics shall be demonstrated by obtaining a satisfactory grade in Mathematics 125 (Intermediate Algebra), or another mathematics course at the same level and rigor, or higher, and with elementary algebra or higher as a prerequisite, as recommended by the District Academic Senate and approved by the Chancellor.

The competency requirements in written expression or mathematics may also be met by completing an assessment, conducted pursuant to Title 5, CCR, section 55500 and achieving a score determined to be comparable to satisfactory completion of English 101 or Mathematics 125 respectively. That is, students may either place into English or mathematics courses above level of English 101 or Mathematics 125.
The competency requirements may also be met by obtaining a satisfactory grade in courses with English and mathematics content (but taught in subjects other than English and mathematics), which require entrance skills at a level equivalent to those necessary for English 101 and Mathematics 125, respectively, and are taught at the same level and with the same rigor. The District Academic Senate shall recommend such courses to the Chancellor for approval.

6201.1314 Degree and Certificate Requirements. Conferring the Degree when offered at multiple LACCD Colleges

Degree Requirements:

a. Students must complete no fewer than 12 units at the college conferring the degree.

b. When the same major is offered at multiple colleges in the LACCD, the degree shall be conferred by the college where the student has taken the majority (greater than 50.0%) of units in the major. When units are split equally among two or more colleges, the college where the student was last enrolled shall award the degree.

e.a. Exceptions to residence requirements for the associate degree may be made by the governing board when it determines that an injustice or undue hardship would be placed on the student.

Certificate of Achievement Requirements:

a. Certificates of Achievement shall be awarded by the college where the majority (greater than 50.0%) of the certificate units were taken. When units are split equally among two or more colleges, the college where the student was last enrolled shall award the degree and/or certificate. The CSUGE Breadth Certificate of Achievement and IGETC Certificate of Achievement are exempt from this requirement. The college that certifies completion of either of these plans may award the Certificate of Achievement to the student regardless of the number of units completed at the certifying college.

Students who have completed the degree requirements for which there is a paired Certificate of Achievement or other State approved and transcripted certificate(s), will be awarded the certificate(s) automatically.

6201.1415 General Education Requirement.

To obtain an associate degree in nursing, students who have baccalaureate or higher degrees from a United States regionally accredited institution of higher education are only required to complete the course work that is unique and exclusively required for completion of the registered nursing program, including prerequisites and nursing course work.

These students are not to be required to complete any other courses required by the college for an associate degree.
6201.1718 **Double-Counting Of Coursework.**

A course may only be counted once for General Education purposes. However, a course may be used to simultaneously satisfy both a General Education requirement and a major/area of emphasis requirement. There is no limit on the number of courses that may be used simultaneously in this manner.

Students may also simultaneously apply the same course toward satisfaction of the LACCD General Education Plan, the CSU GE Breadth Certification requirements and the Intersegmental General Education Transfer Curriculum (IGETC) requirements.

6201.1819 **Associate Degrees for Transfer and Local Associate Degrees.**

A "C" (2.0) grade average or better, or a “P” if the course is taken on a “pass-no pass” basis, in all work attempted in the curriculum upon which the certificate of achievement is based.

The CSUGE Breadth Certificate of Achievement is exempt from this requirement.

6202.12 **Conferring the Certificate when offered at multiple LACCD Colleges**

When multiple colleges in the LACCD offer identical Certificates of Achievement, as defined by Top Code, the certificate shall be
awarded by the college where the majority (greater than 50.0%) of the certificate units were taken. When units are split equally among two or more colleges, the college where the student was last enrolled shall award the certificate.

The CSUGE Breadth Certificate of Achievement and IGETC Certificate of Achievement are exempt from this requirement. The college that certifies completion of either of these plans may award the Certificate of Achievement to the student regardless of the number of units completed at the certifying college.

6202.13 Automatic Awarding of Certificates of Achievement:

Students who have completed the degree requirements for which there is a paired Certificate of Achievement or other State approved and transcripted certificate(s), will be awarded the certificate(s) automatically.

62023.CATALOG RIGHTS.

For these purposes, a catalog year is defined as beginning with the fall semester through the subsequent summer. A student remaining in continuous attendance in the Los Angeles Community College District may elect to satisfy the degree, certificate or graduation requirements in effect at the college from which the student will either earn his/her degree, certificate or graduate:

1. at the time the student began such attendance at the college, or

2. allow students to select an intervening catalog in years between the time the student began continuous attendance and time of graduation, or

3. at the time of graduation.

For the sole purpose of satisfying graduation competency requirements, students entering the Los Angeles Community College District prior to Fall 2009 who remain in continuous attendance within the LACCD may graduate from any LACCD College by satisfying graduation competency by either:

1. fulfilling competency requirements in place at the time the student began such attendance within the district, or

2. fulfilling competency requirements in place at the time of graduation.
For the purposes of implementing this policy, the college may develop a policy to:

1. authorize or require substitutions for discontinued courses; or

2. require a student changing his/her major to complete the major requirements in effect at the time of the change.

The college’s policy shall be developed in consultation with the college Academic Senate in accordance with the provisions of Chapter XVIII of the Board Rules – ACADEMIC SENATE AND THE BOARD OF TRUSTEES SHARED GOVERNANCE POLICY, and published in all college catalogs under appropriate headings.

This policy does not apply to college programs which are governed or regulated by outside government agencies or which require licensure or certification through one of these agencies.

62034. CONTINUOUS ATTENDANCE.

“Continuous attendance” means no more than one semester absence within a school year, excluding Summer Sessions and Winter Intersession.

Students granted a “military withdrawal” under the provisions of Board Rule 6701.10, will be considered to be in “continuous attendance” for their required period of military service.

62045. ADDITIONAL and CONCURRENT ASSOCIATE DEGREES.

Additional Associate Degrees: Students who have previously earned an associate degree from a United States regionally accredited institution will be granted an additional associate degree when the following requirements have been met:

1. Pursuant to catalog rights, described in Board Rule 6202, completion of all current degree requirements – i.e., scholarship, residency, competency, general education and major requirements.
2. For local associate degrees, completion of a minimum of six (6) units in the major at the college awarding the degree. For the Associate Degrees for Transfer (ADTs), there is no major unit minimum requirement that must be completed at the college awarding the degree.

3. Major course requirements completed in previous degrees awarded can be used again for additional degrees.

4. All courses that count towards the associate degree major or area of emphasis must be satisfactorily completed with a grade of “C” or higher or “P” (pass).

5. There is no limit to the number of additional associate degrees that can be awarded provided that all the above requirements have been met.

6. Completion of any additional requirements, including new units, as determined by the college through collegial consultation with the college Academic Senate in accordance with the provisions of Chapter XVII of the Board Rules – Academic Senate and the Board of Trustees Shared Governance Policy.

Concurrent degrees: Concurrent degrees are degrees awarded in the same semester. Students may petition and be awarded concurrent associate degrees in different majors if the following criteria are met:

1. Pursuant to catalog rights, described in Board Rule 6202, completion of all current degree requirements: scholarship, residency, competency, general education and major requirements.

2. There is no maximum number of concurrent degrees that a student may be awarded.

3. If a course is a major requirement for each concurrent degree, it may be applied toward satisfaction of each major degree requirement.
4. Completion of the General Education requirements for one associate degree will fulfill the general education requirements for concurrent degrees, if the same general education pattern applies to the additional degree. If each degree requires the completion of different general education patterns, the general education pattern of each degree must be fulfilled. Courses may be applied toward the general education requirements for each concurrent degree.

5. All courses that count towards the associate degree major or area of emphasis must be satisfactorily completed with a grade of “C” or higher or “P” (pass).

6. The LACCD does not offer double majors.

Explanation of Symbols Without Impact on Grade Point Average:

I     Incomplete

Incomplete academic work for unforeseeable, emergency, and justifiable reasons at the end of the term may result in an "I" symbol being entered in the student's record. The condition for removal of the "I" and the grade which is assigned in lieu of shall be stated by the instructor in an Incomplete Grade Record.

This record shall be given to the student, with a copy on file in the college Admissions Office until the "I" is made up and a final grade assigned, or when one year has passed. The "I" symbol shall not be used in calculating units attempted nor for grade points. The "I" may be made up no later than one year following the end of the term in which it was assigned.

The student may petition for a time extension due to unusual circumstances.

IP     In Progress

The "IP" symbol shall be used only in those courses which extend beyond the normal end of an academic term. It indicates that work is "in progress," but that assignment of a grade must await the course completion. The "IP" symbol shall remain on the student's permanent record in order to satisfy enrollment documentation. The appropriate evaluative grade and unit credit shall be assigned and appear on the student's record for the term in which the required work of the course is completed. The "IP" shall not be used in calculating grade point averages.

RD     Report Delayed

The "RD" symbol may be assigned when there is a delay in reporting the grade beyond the control of the student. The "RD" may be assigned by the Dean of Student Services only. It is a temporary notation to be replaced by a permanent symbol as soon as possible.

W     Withdrawal and Military Withdrawal

Withdrawal from a class or classes shall be authorized through the last day of the fourteenth week of instruction or 75% of the time the class is scheduled to meet whichever is less.

No notation ("W" or other) shall be made on the record of a student who withdraws before the census date of the course.
Withdrawal between the end of the fourth week (or 30% of the time the class is scheduled to meet, whichever is less) and the last day of the fourteenth week of instruction (or 75% of the time the class is scheduled to meet, whichever is less) shall be authorized after informing the appropriate faculty. A student who remains in class beyond the fourteenth week or 75% of the time the class is scheduled shall be given a grade other than a "W", except in cases of extenuating circumstances.

After the last day of the fourteenth week (or 75% of the time the class is scheduled, whichever is less) the student may withdraw from class upon petition demonstrating extenuating circumstances and after consultation with the appropriate faculty.

Extenuating circumstances are verified cases of accidents, illness, or other circumstances beyond the control of the student. Withdrawal after the end of the fourteenth week (or 75% of the time the class is scheduled, whichever is less) which has been authorized in extenuating circumstances shall be recorded as a "W".

For purposes of withdrawal policies, the term "appropriate faculty" means the Instructor of Record for each course in question or, in the event the instructor cannot be contacted, the department chair or equivalent faculty officer.

The "W" shall not be used in calculating units attempted nor for the student's grade point average.

"W"s" will be used as factors in progress probation and dismissal.

A "W" shall not be assigned, or if assigned shall be removed, from a student's academic record, if a determination is made that the student withdrew from the course due to discriminatory treatment or due to retaliation for alleging discriminatory treatment or that the student withdrew because he or she reasonably believed that remaining in the course would subject him or her to discriminatory treatment or retaliation for alleging discriminatory treatment.

A student may not withdraw and receive a "W" symbol on his or her record more than three times for enrollment in the same course. A student may enroll again in the same course after having previously received the authorized number of "W" symbols in the same course, if a designated college official approves such enrollment after review of a petition filed by a student.
MW Military Withdrawal

The MW symbol may be used to denote military withdrawal

"Military Withdrawal" occurs when a student who is a member of an active or reserve United States military service receives orders compelling a withdrawal from courses. Upon verification of such orders, a withdrawal symbol may be assigned at any time after the period established by the governing board during which no notation is made for withdrawals. The withdrawal symbol so assigned shall be a “MW.”

Military withdrawals shall not be counted in progress probation and dismissal calculations. “MW” shall not be counted for the permitted number of withdrawals. The District shall refund the entire enrollment fee unless academic credit has been awarded.

Title 5, C.C.R., Section 55022, 55024

6700.10 MilitaryWithdrawal.

"Military Withdrawal" occurs when a student who is a member of an active or reserve United States military service receives orders compelling a withdrawal from courses. Upon verification of such orders, a withdrawal symbol may be assigned at any time after the period established by the governing board during which no notation is made for withdrawals. The withdrawal symbol so-assigned shall be a “MW”:

—Military withdrawals shall not be counted in progress probation and dismissal calculations.

—MW shall not be counted towards the permitted number of withdrawals.

The District shall refund the entire enrollment fee unless academic credit has been awarded.

EC-66023, Title 5, C.C.R., 55758
6701. **PASS-NO PASS OPTIONS.**

Colleges The College President may designate courses in the college catalog wherein all students are evaluated on a "pass-no pass" basis or wherein each student may elect on registration or no later than the end of the first 30% of the term, whether the basis of evaluation is to be "pass-no pass" or a letter grade. These courses will be noted in the college catalog as being eligible for the "pass-no pass" option.

The pass-no pass grading system shall be used in any course in which there is a single satisfactory standard of performance for which unit credit is assigned. A grade of Pass shall be assigned for meeting that standard (earning 70% or higher), and a grade of No Pass shall be assigned (earning a grade below 70%) for failure to do so.

The student who is enrolled in a course on a “pass-no pass” basis will be held responsible for all assignments and examinations required in the course and must meet the same standards of evaluation as required for all students.

Title 5, C.C.R., 55022

6701.10 **Acceptance of Pass Credits.**

All courses and units (including those units earned on a “pass-no pass” basis) used to satisfy requirements, including graduation requirements, educational program requirements and transfer core curriculum requirements, shall be from accredited institutions, unless otherwise specified in this Board Rule.

“Accredited institution” shall mean a postsecondary institution accredited by an accreditation agency recognized by either the U.S. Department of Education or the Council on Postsecondary Accreditation. It shall not mean an institution “approved” by the California Department of Education or by the California Council for Private Postsecondary and Vocational Education.

E.C. 66721

Satisfactory completion (earned 70% or higher) is equivalent to the grade of "C" or better. A student with unsatisfactory performance (earned less than 70%) will be assigned a "no pass" grade.

Title 5, C.C.R., 55022

6701.12  **Grade Point Calculation.**

Units earned on a "pass-no pass" basis shall not be used to calculate grade point averages. However, units attempted for which the "NP" (No Pass) symbol is recorded shall be considered in probationary and dismissal procedures.

Title 5, C.C.R., 55022

6701.13  **Conversion to Letter Grade.**

A student who has received credit for a course taken on a "pass-no pass" basis may not convert this credit to a letter grade.

Title 5, C.C.R., 55022

6702.  **CREDIT BY EXAMINATION.**

a. The governing board shall adopt and publish policies and procedures pertaining to credit by examination; and

b. The governing board may grant credit to any student who satisfactorily passes an examination approved and conducted by proper authorities at each college. Such credit may be granted only to a student who is registered at the college and in good standing and only for a course listed in the college.

The faculty shall determine that the examination adequately measures mastery of the course content as set forth in the outline of record. The faculty may accept an examination conducted at a location other than the college.

d. A separate examination shall be conducted for each course for which credit is to be granted. Credit may be awarded for prior experience or prior learning only in terms of individually identified courses for which examinations are conducted.

e. The student's academic record shall be clearly annotated to reflect credit was earned by examination.

f. Grading shall be according to the regular grading system, except that students shall be offered a "pass-no pass" option if that option is ordinarily available for the course.

g. Units for which credit is given for credit by examination shall not be counted in determining the 12 semester units in residence required for an associate degree.

h. The college may charge a student fee for administering an examination provided the fee does not exceed the enrollment fee which would be associated with enrollment in the course for which the student seeks credit by examination.

6703. GRADES AND GRADE CHANGES.

The Instructor of Record for the course shall determine the grade to be awarded to each student. The determination of the student's grade by the instructor is final in the absence of mistake, fraud, bad faith, or incompetency. For purposes of this section, "mistake" may include, but is not limited to, clerical errors and errors made by an instructor in calculating a student's grade. The removal or change of an incorrect grade from a student's record shall only be done upon authorization by the Instructor of Record for the course, or upon authorization by the College President upon the conclusion of the grade grievance process.

In the case of fraud, bad faith, or incompetency, the final determination concerning removal or change of grade will be made by the College President.

No grade may be challenged by a student more than one year from the end of the term in which the course was taken absent extenuating circumstances; if a college's academic senate has determined that extenuating circumstances apply, then that period of time during which grades may be challenged should be more than one year, such longer period shall apply at that college.

6703.10 Syllabus.

During the first week of classes, the Instructor of Record shall provide students, the Department Chairperson, and the Office of Academic Affairs, either hard copy or electronically, a syllabus that clearly states the work product which will be the basis for determining each student's grade as well as the grading criteria. 6703.20 Retention of Written Work and Grade Records.

To the extent that student work product takes the form of written work, such written work shall, if not returned to the student, be retained by the faculty member for at least one year from the end of the term in which the course was taken. All faculty grade records shall be retained by the faculty member for at least a one-year period. All written work and grade records shall be stored on campus.

6704. Course Repetition.

6704.10 Course Repetition To Remove A Substandard Grade.

When course repetition under this section occurs, the student's permanent academic record shall be annotated in such a manner that all work remains legible, ensuring a true and complete academic history.
For the first and second repetitions of a course where a substandard grade was awarded, the highest grade earned shall be used when computing the student’s cumulative grade point average.

Extenuating circumstances are verified cases of accidents, illness, or other circumstances beyond the control of the student.

6704.20 Duplicative Credit.

a. Repetition of courses for which a satisfactory grade ("A", "B", "C", "CR", "P") has been recorded shall be permitted only upon advance petition of the student and with the written permission from the college president, or designee, based on a finding that extenuating circumstances exist which justify such repetition or that there has been a significant lapse of time since the student previously took the course. Significant lapse of time is defined as no less than 36 months since the most recent grade was awarded.

b. When course repetition under this section occurs, the student’s permanent academic record shall be annotated in such a manner that all work remains legible, ensuring a true and complete academic history.

c. Grades awarded for courses repeated under the provisions of subsection "a" and "b" of this section shall not be counted in calculating a student's grade point average.
d. When such repetition is necessary for a student to meet a legally mandated training requirement as a condition of continued paid or volunteer employment, such courses may be repeated for credit any number of times, and the grade received each time shall be included for purposes of calculating the student’s grade point average. The college shall establish policies and procedures requiring students to certify or document that course repetition is necessary to complete legally mandated training pursuant to this subsection.

The college’s process for certification or documentation of legal training requirements shall be developed in accordance with the provisions of Chapter XVIII of the Board Rules -- ACADEMIC SENATE AND BOARD OF TRUSTEES SHARED GOVERNANCE POLICY.

e. A student may repeat any course if the college has properly established a recency prerequisite for a course, if there has been “significant lapse of time.” In no instance shall this be less than three years.

Granted, academic renewal shall result in:

A. Eliminating up to 30 semester units of coursework taken within the Los Angeles Community College District from consideration in the student’s cumulative grade point average, and

B. Annotating the student academic record to note which courses have been removed through academic renewal. Academic renewal actions are irreversible.

Graduation honors and awards are to be based on the student's cumulative grade point average for all college work attempted.

EC 76370

6707 ARTICULATION OF HIGH SCHOOL COURSES

For the purposes of this section, the term “articulated high school course” means a high school course or courses that the faculty in the appropriate discipline, using policies and procedures approved by the curriculum committee established pursuant to California Code of Regulations 55002, have determined to be comparable to a specific community college course.

The governing board of a community college district may adopt policies to permit articulated high school courses to be applied to college educational program requirements. Articulated high school courses may be accepted in lieu of comparable courses to partially satisfy:

1. requirements for a certificate program, including the total number of units required for the certificate; or;
2. the major requirements in a degree program.

Articulated high school courses used to partially satisfy certificate or major requirements shall be clearly noted as such on the student's academic record. Notations of college course credit shall be made only if the college courses are successfully completed or if credit is earned via credit by examination.

Except through credit by examination, as defined in Board Rule 6704, high school courses may not be used to satisfy:

1. the requirement of Board Rule 6201.10, that students complete at least 60 semester units in order to receive an associate degree, or;
2. any general education requirement for the associate degree established pursuant to Board Rule 6201.14.
6707.10 **Implementation.**

All LACCD-high school articulation agreements shall be subject to the provisions of this Board Rule. However, any student who, prior to the date this Board Rule takes effect, has successfully completed a high school course articulated under the terms of a previous agreement, shall be permitted to apply the credit so earned according to the terms of the previous agreement.

I. AUTHORIZE PROFESSIONAL SERVICE AGREEMENT

A. Action

Authorize funding for the continued issuance of Task Orders for staff augmentation services under the Multiple Award Task Order Contracts (“MATOC”) in the amount of $30,000,000 within the existing five year maximum term previously established which shall expire July 9, 2019.

Inclusive of this proposed action, the cumulative total funding established for these services since 2014 is $112,900,000.

Background

On July 9, 2014 (Com. No. FPD1), the Board of Trustees authorized the establishment of a Multiple Award Task Order Contract (MATOC) “bench” of qualified firms to provide Program Management staff augmentation services with individual assignments to be made on an as-needed Task Order basis. The authorization included the establishment of a pool of funding in the amount of $82,900,000 to pay for the Task Orders to be issued.

This MATOC has provided both a flexible staffing plan to meet the needs of the Bond Program as they change and increased opportunities for the participation of Local, Small, Emerging and Disabled Veteran-owned (LSEDV) businesses:

A. MATOC task order staff comprise the entirety of the Bond Program’s College Project Teams and a large percentage of Program Management Office (PMO) personnel. MATOC staff also provide specialized assistance at the District’s headquarters.

B. The MATOC consists of 180 firms (nine prime firms and 171 sub-consultant firms). Of that amount, 126 (or 70% of the total) are LSEDV businesses. As of July 21, 2017, there are 111 active Task Orders awarded to eight prime firms and 22 sub-consultant firms. Of these 111, there were 74 (67%) Task Orders awarded to 25 firms that self-identify as belonging to one or more LSEDV categories.
Staffing costs from July 9, 2014 to present, including the 111 current active staffing Task Orders, represents a total spend of $78,743,668 leaving a remaining balance of $4,156,332 out of the original fund authorization of $82,900,000. These remaining funds are expected to be exhausted by current operation of these staffing Task Orders within the next 30 days.

This requested funding amount of $30,000,000 to be added to the established pool available for payment of Task Orders to be issued is based on an average burn rate of $2.2 million per month for the last twelve (12) months. This request represents approximately 14 months of operating time at current staffing levels.

It is also noted that there is a cost limit for the combined aggregate total of all agreements at $119,900,000. Importantly, the cost limit is not to be divided by the number of agreements established. Instead it is to create a maximum budget for these services in sum total.

Funding and Development Phase

Funding is through Propositions A/AA, Measures J/CC Bond proceeds and other Non-Bond sources as applicable. Specific assignments to be made on an as-needed by Task Order. All Phases.

B. Action

Authorize funding for the continued issuance of Task Orders District-wide for Laboratory of Record (LOR) services under the (Multiple Award Task Order Contracts) in the amount of $4,850,000 within the existing five year maximum term previously established which shall expire December 3, 2019.

Assignments to be made by the Program Management Office or the appropriate District entity. Inclusive of this amount, the total cumulative funding established for these services is $10,850,000.

- American Engineering Laboratories, Inc.
- California Testing & Inspections, Inc.
- Koury Engineering & Testing, Inc.
Background

On December 3, 2014, the Board of Trustees authorized the establishment of a “bench” of qualified firms for Laboratory of Record (LOR) services. This Laboratory of Record service bench provided the successful benefit of targeting Laboratory of Record projects based on firm size and ability with emphasis on Local, Small, Emerging and Disabled Veteran-owned (LSEDV) businesses.

This request for further funding authorization is to allow:

- Completion of current ongoing projects funded under Propositions A/AA, and Measure J;
- Laboratory of Record projects funded by the release of program reserves under Propositions A/AA, and Measure J in 2017; and
- Laboratory of Record of new projects under Measure CC.

The pre-qualified Laboratory of Record firms will continue to be issued Task Orders. Examples of the types of Laboratory of Record service needs identified to be appropriate for receipt of a Task Order issued assignment from this MATOC are: Field Soils Testing, Water Testing, Geotechnical testing, Field infiltration testing, or as-needed Field services critical to keep a project on schedule and budget, and critical Laboratory of Record services.

The inclusion of Local, Small, Emerging, and Disabled Veteran-owned (LSEDV) businesses is a vital component of this MATOC effort. Five (5) firms listed above meet the definition of an LSEDV firm as set forth by the Board of Trustees.
Funding and Development Phase

Funding is through Propositions A/AA and Measures J/CC Bond proceeds, and non-Bond funds. Specific assignments to be made on an as-needed basis by Task Order.

The following services have been completed and are requested to be ratified:

VIII. ADOPT TITLE VI PLAN UPDATE

Action

Adopt a Title VI Plan Update as required by the federally-funded transit grant from the Los Angeles County Metropolitan Transit Authority (LACMTA).

Background

Title VI of the Civil Rights Act of 1964 prohibits discrimination on the basis of race, color, and national origin in programs that receive federal funding. The Federal Transportation Administration (FTA) requires agencies receiving such funding to demonstrate compliance with Title VI by submitting a Title VI Plan. The Board of Trustees approved its first Grantee Service Agreement for the receipt of federal funding for a project on September 21, 2005 (Com. No. FPD1). Since the District receives federal funding as a sub-recipient to LACMTA or transit enhancement projects at Los Angeles City College, Los Angeles Southwest College and Los Angeles Trade-Technical College, it is required to adopt and submit a Title VI Plan to maintain its federal funding eligibility.

The Title VI Plan emphasizes improving greater access and public participation to Limited English Proficient (LEP) populations around those areas where the transit projects occur. As a result, the District as part of its Title VI Plan will translate its discrimination complaint form and procedures into Spanish, Chinese, Korean, and Armenian and provide translation services to public members wishing to address the Board of Trustees on agenda items related to all federally-funded transit projects.
