### Class Policies

#### Attendance
Because this is an online course, attendance is the equivalent of not visiting the etudes site. I will take every 2 days without visiting the etudes site as one absence.

#### Walking In and Out of ‘Class’
Online the principle is the same. Behave, always, in the most respective way. Treat all with the utmost respect. And, when commenting on each other works, focus always on the positive, refraining from any negative comments. Even if the answer was wrong, offensive, and the student has left it blank. Even in those cases, don’t say anything negative, focus on the rubric.

#### Preparedness
Work hard, deliver the assignments by the deadline, and you will be up for 100% of the points available. **Missing a deadline will reduce the total points for each assignment by 5% per day.**

#### Cell Phones, iPods, etc.
Use all technology you can all the time to help you succeed.

#### Contacting Me
E-mail is the best and quickest way to contact me. If you have a problem, do not let it snowball. Contact me immediately. Students are expected to ask questions and obtain help from instructor via email and/or during office hours. You can also text me if it is an emergency. In such case, please remember to write your name and the course section you are taking. My mobile is 818.914.8499.

Refer to the course website/blog for more information on UMOJA policies.

### College Policies

#### Academic Integrity (Plagiarism)
In accordance with code 9803.28, academic dishonesty is prohibited. Violations of academic integrity include, but are not limited to, the following actions: cheating on an exam, plagiarism, working together on an assignment, paper or project when the instructor has specifically stated students should not do so, submitting the same term paper to more than one instructor, or allowing another individual to assume one’s identity for the purpose of enhancing one’s grade. Academic dishonesty of any type, such as cheating or knowingly furnishing false information, by a student provides grounds for disciplinary action by the instructor or college. In written work, no material may be copied from another without proper quotation marks, footnotes, or appropriate documentation.

- Plagiarism will result in a zero for the assignment, possible dismissal from the class and disciplinary action from the college. You will not receive credit for any essay missing previous drafts, citations and/or a Works Cited page.

#### Student Conduct
According to code 9803.15, disruption of classes or college activities is prohibited. Refer to the catalog and the Standards of Student Conduct in the Schedule of Classes for more information.
Recording Devices
State law in California prohibits the use of any electronic listening or recording device in a classroom without prior consent of the instructor and college administration. Any student who needs to use electronic aids must secure the consent of the instructor. If the instructor agrees to the request, a notice of consent must be forwarded to the Vice President of Academic Affairs for approval (WLAC College Catalog). Since this is an online course, you are NOT to record the instructor’s videos, nor saving it or downloading without written authorization from this instructor.
