PREREQUISITES: A passing grade of C or better in Film Production 100 Introduction to Motion Picture/Television Production Crafts and Film Production 105 Production Skills

OVERVIEW: The purpose of this class is to provide students with an introduction to the Camera Department roles and responsibilities as currently practiced in the motion picture and television industry in the United States. The class should focus on 'entry level' skills and techniques, such as the basic protocols, terminology, work habits and safety practices required of Digital/Film Loaders and 2nd Assistant Camera. THIS CLASS/CRAFT REQUIRES OUTSTANDING MATH, WRITING AND COMMUNICATION SKILLS

GOALS: By the end of this class, students should be thoroughly familiar with the basic principles of cinematography such as lens optics, recording formats, workflows and the use and application of key equipment and accessories. In addition, students should be able to describe how the Camera Department is structured and explain the roles and responsibilities of each crew member. Finally, they should understand the skills, responsibilities and physicality required of this craft, especially those required of the Film/Digital Loader and 2nd Assistant Camera.

STUDENT LEARNING OUTCOMES:

Communicate effectively both verbally and in writing with a variety of crew members using entertainment industry terminology, records and forms.

Apply technological principals in the use of camera equipment.

Apply basic mathematics and graphic principals as used in motion picture, television and stage production.

Proper use of tools, equipment, safety apparel. The proper procedures for safety in and around the set.

Proper work ethics for independent and collectively working with crew and management in order to maximize efficiency in the work place.

Class Policies

Attendance

Because class discussions and group work are an integral part of this course, attendance is mandatory. Students are expected to attend every class meeting, to arrive on time and stay throughout the class period. **Excessive absenteeism will lower your grade, as well as walking in and out of class.**

3 tardies = 1 absence. Students may be dropped from class for excessive tardiness, or for failure to attend class the first day or missing more than 2 classes.

Walking In and Out of Class

Before you arrive to class, make sure you have used the restroom, had a chance to eat, check your messages, etc. Walking in and out is rude and disruptive. If you need to leave early, or have some other problem, you need to notify us in advance. **Any student who makes a habit of walking in and out of class may be asked to leave.** You will lose points for any time you are not in class.

Preparedness

You are expected to arrive on time. You will come to each class session prepared. You will have your notebook, pens/pencils, any work that is due, and you will be prepared to discuss all readings/assignments.

Cell Phones, iPods, etc.

Turn them off and put them away when class begins! Talking and texting on cell phones not only distracts you, but it is extremely dangerous as much of the instruction is hands on, in the shop, on the stage, and you are on your feet. You need to be attentive to all around you – cell phones are a distraction for instructors and your peers. Distractions interrupt/disrupt the class and we will not tolerate interruptions. **You will be asked to leave if this occurs.**

Contacting Us

E-mail is the best and quickest way to contact us- filmtvstageproduction@gmail.com Thanks to modern technology, our e-mail is linked to our phones. Therefore, excuses such as, "I tried to contact you but (fill in the blank)" will not work. **If you have a problem, do not let it snowball. Contact us immediately.** Students are expected to ask questions and obtain help from instructors via email and/or during office hours.

College Policies:

Please note, this is a hands-on class that reflects real-world working conditions. Enrollment may be limited due to health and safety considerations, as well as the constraints of regional planning or legal requirements imposed by statutes, regulations or contracts. Enrollment may also be limited to students meeting prerequisites and co-requisites and established pursuant to Title 5, sections 55200 and Board Rule 8605.

Academic Integrity (Plagiarism)

In accordance with code 9803.28, **academic dishonesty is prohibited and will not be tolerated in this class.** Violations of academic integrity include, but are not limited to, the following actions: cheating on an exam, plagiarism, working together on an assignment, paper or project when the instructor has specifically stated students should not do so, submitting the same paper to more than one instructor, or allowing another individual to assume one's identity for the purpose of enhancing one's grade. Academic dishonesty of any type, such as cheating or knowingly furnishing false information, by a student provides grounds for disciplinary action by the instructor or college. In written work, no material may be copied from another without proper quotation marks, footnotes, or appropriate documentation.

Student Conduct

As a student at West Los Angeles College, you are expected to have read and abide by the Student Code of Conduct. In addition, as a member of this class you are committing to following the Motion Picture Television & Stagecraft Production (MPTP) program codes of conduct. These include fundamental aspects of professionalism such as showing up on time, dressing appropriately, maintaining proper decorum and observing all safety and operational protocols as outlined in the MPTP code of conduct. Failure to observe these codes may result in immediate exclusion from class activities and possible suspension &/or expulsion from the course and – in the case of serious infractions - from the college itself. Please refer to the Motion Picture, Television and Stage Production Crafts Policies and Procedures for details specific to this class.

According to code 9803.15, disruption of classes or college activities is prohibited and will not be tolerated. Refer to the catalog and the Standards of Student Conduct in the Schedule of Classes for more information.

Recording Devices

State law in California prohibits the use of any electronic listening or recording device in a classroom without prior consent of the instructor and college administration. This includes cell phones. Any student who needs to use electronic aids must secure the consent of the instructor. If the instructor agrees to the request, a notice of consent must be forwarded to the Vice President of Academic Affairs for approval (WLAC College Catalog).

Campus Resources:

As stated earlier in this syllabus, **if you are having problems, don't let them snowball.** Come and talk with us and check out some of the campus resources available to you.

Students with disabilities who believe they may need accommodations in this class are encouraged to contact Disabled Students Programs and Services located in Student Services Building (SSB 320), phone number 310-287-4450 as soon as possible to better ensure such accommodations are implemented in a timely fashion.

FINAL THOUGHTS: Remember, the purpose of this class is to introduce you to the professional skills and practices common to the entertainment industry. We will make every effort to make the classes engaging, informative and relevant. For your part, the single most important concept you should take away from this class is the critical importance of showing up on time with a professional attitude (i.e., you are focused and ready to participate.) If you can do this, you are well on your way to establishing your career potential in this exciting field.
