## **Keys to Student Success**

### **Key 1: Attendance Policy:**

It is the student’s responsibility to inform the instructor at the end of class if you arrive late, have personal/medical emergencies affecting your attendance, obtain information about missed classes from fellow students, and officially drop a class if you stop attending.

If you are having difficulty in meeting course deadlines or in understanding course materials, **you are expected** to discuss your situation with the instructor **before** it jeopardizes your grade for the course. Most problems can be solved or at least worked with, before they become serious.

### **Key 2: Drop Policy:**

|   |
|---|
| It is the student's responsibility to process and official withdrawal from class.   |
| <b>Key 3: Withdrawal and/or Incomplete Policies:</b><br>College policy on withdrawals applies. Refer to the current West Los Angeles College Schedule of Classes for more detailed guidelines.  |
| <b>Key 4: Students with Special Needs:</b><br>Please inform the instructor during the first week of classes of any disability or special needs that you have that may require specific arrangements related to attending class sessions, carrying out class assignments, or writing paper examinations.   |
| <b>Key 5: Academic Honesty:</b><br>With the respect to the academic honesty of students, it is expected that all material submitted as part of any class exercise, in or out of class, is the actual work of the student whose name appears on the material or is properly documented otherwise. The concept of academic honesty includes plagiarism as well as receiving improper assistance. Students found to have engaged in academic dishonesty are subject to review as per college policy.   |
| <b>Key 6: Mutual Respect for the College Community and Relationships of Integrity and Honesty:</b><br>The West Los Angeles College faculty, staff, and administration are dedicated to maintaining an optimal learning environment and will not tolerate academic dishonesty.   |
| <b>Key 7: College Level Work Standards and Student Commitment:</b><br>All students are expected to produce college-level work. One of the goals of this class is to prepare students to be successful professionals. Part of having a successful image is the ability to produce neat, legible, coherent, and grammatically correct written materials. All of the written papers need to be <b>typed in a 12 point Times New Roman font</b> , double spaced, and have a 1" margin from all sides. All written papers will be evaluated for clarity, coherence, grammatical correctness, and reflectivity of the writer. It is strongly recommended that students have someone else proof read assignments prior to turning them in. |
| <b>Key 7: College-Level Writing Requirements</b><br>Evaluation of student's work is based on college level standards of proficiency, which are set out in grading rubrics for most every assignment. Papers must be college-level and edited for spelling and grammar. Many assignments will also provide the opportunity for the student to complete a self-assessment.  |
| <b>Key 8: Communication is the Main Ingredient to Success:</b><br>If you are struggling with or have a question about any of the concepts that I am presenting in class please do not hesitate to talk to me about it. We can talk on the phone, you can fax me, e-mail me, meet during my office hours, or you can make an appointment. If you are an ESL student, or if you have any areas that you need assistance please contact me so that we can develop some strategies to help you make this a valuable learning experience.  |
| <b>Key 9: Academic , Professional, and Personal Development:</b><br>It is the intention of the WLAC Learning Community that each of our students will benefit from tis academic experience by evolving and developing academically, professionally, and personally. This intention will require collaboration and cooperation from the student and the college learning community as we build a collaborative relationship.   |
| <b>Key 10: Graduation, Certificates, Transfer, and or Employment:</b><br>It is the intention of the WLAC College Community to support our students in achieving their goals and aspirations for their lives.
