Course Description & Student Learning Outcomes

UC/CSU transferable. 3.0 units. General study of health designed to promote desirable health attitudes and to provide up-to-date information in the areas of individual, family, and community health. As a result of taking this course, students will be able to:

- Explain the importance of a healthy lifestyle in preventing premature disease and in promoting wellness.
- Identify one's personal responsibility to reduce health risks associated with the leading causes of death and disability by recognizing high-risk behaviors and their impact on current and future health.
- Understand the importance of a global perspective on health, and recognize how gender, racial, and cultural background influence disparities in health status, research and risk.
- Identify the key components of personal fitness and describe the benefits of regular physical activity and a healthy diet.
- Demonstrate through performance on exams, projects, classroom discussions and written assessments, evidence of ability to understand and use the concepts of this class.

Course Learning Outcomes- After completion of this course,

1. Students will be able to devise a prevention plan for a personal health experience or concern with investigative research
2. Students will be able to identify the key components of personal fitness and describe the benefits of regular physical activity and a healthy diet.

Student's Responsibilities

- Attend class, be punctual, be considerate of others and participate in class discussions. A roll-sheet will be provided the first 10 minutes of class. Once the roll-sheet has been collected, you cannot sign in and will be marked tardy/absent. When 6 absences are recorded you will be dropped from class. PLEASE DO NOT CALL THE OFFICE SIMPLY TO REPORT THAT YOU WILL NOT BE IN CLASS. Two absences or less and you get a bonus 2 extra credits.
- Log in to ETUDES to review PowerPoints and videos and fill in chapter study guides. Read and review the assigned material in order to learn the information and apply to classroom discussion and activities. Come to class prepared! Use this site: <https://myetudes.org>

ETUDES User ID: Student ID number, no spaces or dashes

ETUDES Password mmdd of birth, unless you changed it in the spring or summer session than your password will remain the same. MonthDay (mmdd) of birth in school records . Example April 11th birthday will mean the password will be 0411

Once you log into the site, you will see your section number: WLAC HEA 011 1188 MSMT F14

If you have any trouble logging on to ETUDES then contact West LA College's Distance Learning website:

www.wlaac.edu/online or call (310) 287-4306 or (310) 287-4592

- Paper Format- submit all projects/papers TYPED, DOUBLE-SPACED, 12 point, blank ink font on white paper. Must be turned in on the due date. Ten percent per day will be deducted for late work for any reason. Emergencies should be discussed with the instructor.
- Cell phones must be turned off or on silent during class. NO TEXTING! Texting during class is an inexcusable sign of disrespect and I will not hesitate to make you leave class.
- If you withdraw from this class, you must formally file a drop card at the admissions office. Failure to do so will result in a failing grade at the end of the semester.
- Cheating/plagiarizing will not be tolerated. You will get a ZERO score on the exam(s) and no extra credit points can apply to your overall grade.
- Academic Dishonesty Policy- “Violations of academic integrity of any type by a student provides grounds for disciplinary action by the instructor or college. Violations of academic dishonesty include, but are not limited to, the following actions: cheating on an exam, plagiarism, working together on an assignment, paper or project when the instructor has specifically said not to do so, submitting the same term paper to more than one instructor, or allowing another individual to assume one’s identity for the purpose of enhancing one’s grade. For more information on the Standards of Student Conduct refer to the college catalog available in hardcopy and online at www.lattc.edu.”

Course Content

Quizzes: (15 points each) You will have 5 quizzes throughout the semester. Quizzes take place within the first 20 minutes of class. If you are late, you get less time to take the quiz. You can drop your lowest score. Bring a 15 point scantron and a pencil. **Each quiz will be announced the class before it is to be given.** Make-up quizzes are not allowed. Quizzes and tests may be checked and reviewed in the office during office hours. This is the best way to raise your scores.

Exams: The two exams (100 points each) must be taken on the scheduled days unless you arrange an exam time with me that is before the scheduled class time. If you miss the midterm exam, you may make it up in within one week (10% penalty) or take it with another class for no penalty. Exams and quizzes can be based on any textbook material, lecture notes, handouts, guest speakers, and video presentations.

Study Guide Spot Checks- Worth 10 points each and spot checked 5 times (50 points)

These guides found in the module section help you learn the material as you review the PowerPoints, videos and textbook. If you are having trouble with the Etudes site, you can email me and I can send you all the study guides in an attachment. Bring the completed guide to the class. Do the guide before we discuss the material in class. I will randomly spot check the completed guides which will count as 10 points each into your total grade. I will spot check five times a semester. No studyguide will result in a zero. At one time towards the end of the semester, I will call for a study guide make-up, and if you show me two completed study guide from past weeks, I will allow you to replace TWO zeroes with 10 points. Rubric- 90% or more completed= A (9 points), 70% completed=B (7 points), 50% completed= C (5 points), 30% completed= D (3 points), not done= F (0 points)

Personal Impact Paper: DUE week 13 Worth 50 points

“Real-life” research paper- Students are required to write a paper on a health topic that has directly influenced or impacted his/her family or personal experience. The topic must have a cover page and a reference page (MLA format). Suggestions- paper will be at least 6 pages in length (4 pages of content) and be typed in 12 point font and be double spaced. Margins will not be larger than 1 inch top, bottom and sides. Fifty percent of the paper will describe why this topic has made a personal impact on you and what the student hopes to learn by researching this topic. The second half (fifty percent) of the content will be dedicated to investigative research of this topic and must include proper citations along with a reference page. Students must cite at least two resources in the paper. Examples may be: alcohol and

drug abuse, violence, mental health issues, family history of disease or personal ailments/conditions, food choices. obesity, eating disorders, exercise, culture and health topics, pregnancy, STIs, stress

Extra Credit: Here are a few options of help raise your grade. Maximum extra credit points allowed for the class is 20 points. **DUE: week 15**
