

WEST LOS ANGELES COLLEGE

Kinesiology 326 Spring 2015

AEROBIC SUPER CIRCUIT LAB (UC:CSU) 1.00 Unit

Instructor: Mr. Marguet Miller

Office: C-1 Building

Phone: 310-287-4453

Office Hours: M-W 9:00 am-10:30 am

E-mail: millerm@wlaac.edu

Class Location: PEC 104

Day/Time: T-TH 1:00pm- 2:25pm

Section: 2552

Course Description

Using fundamentals of exercise physiology each student will assess his/her level of physical fitness and, using the information, develop, design and implement a personalized exercise program.

Student Learning Outcomes for Kinesiology 326

Students will understand the five components of fitness: cardiovascular endurance, muscle strength, muscle endurance, flexibility and body composition.

Students will assess the risk factors of a specific training activity and practice safety precautions.

Students will demonstrate proper form and applications of the learned exercises.

Attendance

You are required to attend every class session. There are twenty-nine class sessions, and you will have the opportunity to learn lifelong fitness activities as well as, earn a passing grade in this class. My office number is on the syllabus in case you have to miss a class session.

Grade Evaluation

Attendance: 145 points	90%-100%	A	440-490
Participation: 145 points	80%-89%	B	390-439
Midterm: 100 points	70%-79%	C	340-389
Final: 100 points	60%-69%	D	290-339
-----	0-59%	F	0-289
490 points			

Standards

If there is no activity for two consecutive weeks on your workout card, you can be dropped from this course. You must arrive to class on time, dress appropriately, and complete a workout every class. While in class, you will be required to workout and delay socializing with the other students until the end of class. Do not overwork yourself. Listen to your body. You have four months to improve your physical fitness. You cannot accomplish lifelong fitness in one day.

How to Succeed in this Class

Attend all class sessions, and complete the required workout. Listen carefully and follow all instructions. Seek help as needed. Challenge yourself (within reason) to improve.

Dropping the Course

According to college policy, you may be excluded for excessive absences or for not following the standards of student conduct (printed in the Schedule of Classes). If you drop the course, be sure to do so at the Admission's Office. If you drop this course on-line, print and keep your confirmation number.

Safety/Accidents

Use safety procedures at all times. Be aware of those working out near you. Ask for assistance and assist others. If an accident should occur, please inform the instructor immediately.

Disabled Students Programs & Services

Students who have special needs because of physical, communication, or learning challenges are invited to visit the DSPPS program office intake, and speak to a program representative about program eligibility and services.

Academic Dishonesty

Board Rule 9803.12 Dishonesty

Dishonesty, such as cheating, or knowingly furnishing false information to the College

Kinesiology Student's FAQ

Q: How am I graded?

A: There are a total of 490 points for this course. Excluding the final, there are twenty-nine class sessions. You will receive five points for every class that you attend on time. You will receive five points for every class that you participate in using a workout card. The midterm and the final are worth 100 points. You have a written midterm and a strength test. The final exam is a strength test.

Q: What is the Workout Program Card?

A: Everyone is required to have a program card, which lists your exercises and the amount of weight you are using. The instructor will give each student a program card. At the conclusion of each class the instructor must sign your program card. The program card serves two purposes: 1) the exercises for each class, 2) a participation record for each class.

Q: What is the required class attire?

A: Athletic or active shoes (No sandals, open toed shoes, boots, or heels allowed). Shorts or sweats only (No jeans, casual pants, or cut-offs). Sweatshirts, T-shirts, and full coverage tanks must be worn at all times. Absolutely no string tanks or minimal coverage cut-up shirts. Shirts must be worn at times. Clothing with wording or pictures that are considered obscene will not be allowed. Towels are required! Use towels to wipe on benches and your sweat.

Q: What about visitors?

A: Visitors are not allowed in the fitness lab. Please do not bring friends, parents, children, animals, etc. This is a safety risk and only the students enrolled in the class can workout.

Q: Where do I change clothes?

A: You must change clothes in the locker room and not in the fitness lab. There is a men's locker room inside PEC North and the locker room attendant can assign you a locker. There is a women's locker room inside PEC South and the locker room attendant can assign you a locker. Also, there is a women's restroom inside PEC North.

Q: What about cell phones?

A: Please do not use your cell phones in class. In case of an emergency, please step outside of the fitness lab to use your cell phone.

No Class

Spring Break (4/2 – 4/4)

Kinesiology 326 Midterm

- 1) Please name two muscles that the bench press develops.

- 2) Please name the exercises that you have used in this class to develop the quadriceps muscles.

- 3) Please name the exercises that you have used in this class to develop the hamstring muscles.

- 4) The arm curl will develop which muscle.

- 5) Please name the exercise that you have used in this class to develop the triceps muscles.

- 6) The Toe Raise will develop which muscle.

- 7) Please name at least two exercises that can be used to develop cardiovascular endurance.

- 8) What is the importance of flexibility?

- 9) What is the first thing that you should consider in reducing inches off of your waist line?

- 10) Please name at least two exercises that develop the core.

Physical Activity Readiness Questionnaire

Please read the questions carefully and answer each one to the best of your knowledge: mark "Yes" or "No" to each question. Please ask if you have any questions. Your responses will be treated in a confidential manner.

Has your doctor ever said that you have a heart condition and/or heart disease and that you should only do physical activity recommended by a doctor?

Do you feel pain in your chest when you do physical activity?

In the past month, have you had chest pain when you were not doing physical?

Do you lose your balance because of dizziness or do you ever lose consciousness?

Do you have a bone or joint problem that could be made worse by a change in your physical activity?

Is your doctor currently prescribing drugs for your blood pressure or heart condition?

Do you have diabetes?

Do you have asthma? (If yes, you must carry your inhaler with you at all times. NO EXCEPTIONS.)

Are you pregnant?

Do you know of any other reason why you should not do physical activity?

If you answered YES to one or more questions, talk with your doctor before you become more physically active. Tell your doctor which questions that you answered yes.

I have read, understood and completed this questionnaire. Any questions I had were answered to my full satisfaction.
