You will gain competency through many free-style conversations, field trips, oral pair and group activities, oral presentations, and cooperative learning activities in class and/or online.

G. Cultural Diversity: Respectfully engage with other cultures in an effort to understand them. **Assessment:** You will demonstrate reasonable comprehension of cultural diversity by researching and comparing Hispanic cultures, events, people and customs with your own by doing oral presentations, attending field trips, and/or interacting and participating in class activities in Spanish.

COURSE SLOs:

2. Communicate orally and in writing in a variety of meaningful real life activities at the novice high level of proficiency on the national ACTFL scale (American Council on the Teaching of Foreign Languages).
