SUBJECT: WLAC: Broken Link on PR Page

On the PR page at http://www.wlac.edu/public-relations-advertising/index.aspx the links on the left which should connect to the logo, letterhead and a memo template are broken. Please correct the link.

Requests for significant changes and/or changes that break with the standard layout of pages will be sent to the PR Office for review prior to being implemented. If you are requesting significant changes, it is a good idea to contact the PR Office first. (Michelle Long-Coffee, PR Office | email: longcoml@wlac.edu)
