

University Transfer:

West will approve any major if it is part of a university transfer goal. We do, however, encourage you to meet with a counselor immediately following the completion of West's assessment test (when applicable) to confirm that West offers the appropriate courses for your major.

Associate of Arts (A.A.) or Science (A.S.) Transfer Degrees:

A degree designed to provide a clear pathway to a CSU major and baccalaureate degree consisting of a minimum of 60 degree-applicable semester units. Students that are awarded this degree are guaranteed admission with junior standing somewhere in the CSU system and given priority consideration to their local CSU campus or to a program that is deemed similar to their community college major.

- Administration of Justice, AS-T
- Mathematics, AS-T
- Psychology, AA-T

Associate of Arts (A.A.) or Science (A.S.) Degrees:

A degree recognizing satisfactory completion of an organized program of study consisting of a minimum of 60 degree-applicable semester units including general education and major-specific requirements.
