Meet a

Social & Behavioral Science Requirement

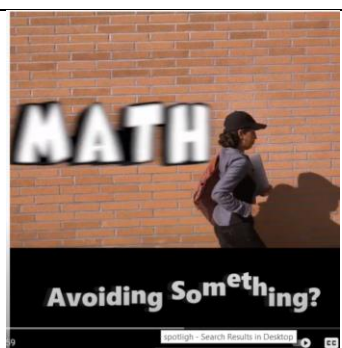

Classes for Our Times - Gain understanding of how we've evolved as humans, societies and as an American democracy in **ANTHRO 101**, **SOC 001**, **HIST 011** & **ANTHRO 101**. You'll also meet a Social & Behavioral Sci requirement for the Associate Degree and UC/CSU transfer.

Classes for Our Times - In **SOCIOLOGY 011** or **050**, gain understanding about the origins of racism & social inequities, where we are now, and possible ways forward. AND, meet a Social & Behavioral Sci requirement for the [#WestLACollege](#) Associate Degree and UC/CSU transfer.

Learn more about how we got here...the roots of the Civil Rights Movements and Black Lives Matter; the formative role Mexican-Americans played in the U.S.; the big stories in American Politics; and World Civilizations. These classes meet graduation and UC / CSU transfer requirements: **HISTORY 12** Political & Social History in the US; **HISTORY 41 & 42** The African American in the History of the US; **HISTORY 87** Intro to World Civilizations

Math for Non-STEM Majors

Avoiding Math? **MATH 230** may be the solution you've been hoping for. Math 230 is designed for students who are NOT STEM majors. Use WLAC.edu/Program-Mapper or talk to a counselor to see if it's right for you.

GREAT PAIRS

and
ENG 101 + 72

Pass ENG 101 the First Time

CLASS TIP... **ENG 101 + ENG 72 (1 unit lab)** = Success!

English 101 is required to earn an Associate degree and to transfer. It's even a prerequisite for some other college courses. Pair it with ENG 72, led by instructors committed to you succeeding.

Engineering is Here

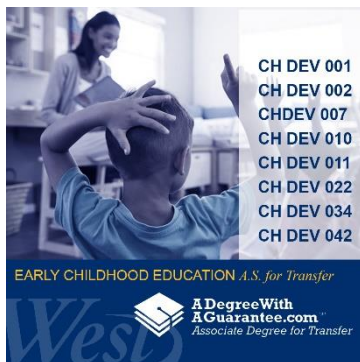

Engineers are problem solvers with excellent critical thinking skills who can work with others to find solutions. [West's new Engineering pathway](#) helps students find technician roles in the engineering industry and transfer to four-year institutions to pursue degrees in Mechanical, Electrical, Computer/Software, Civil and Bio engineering. Get started on the path by enrolling in **Engineering 101**.
