COMPUTER APPLICATIONS AND OFFICE TECHNOLOGIES

COMPUTER SCIENCE INFORMATION TECHNOLOGY

The following section details the required curriculum for every degree and certificate program offered at the college. Students must complete all course requirements to petition for a skill certificate or state-approved Certificate of Achievement. In order to be eligible for an Associate degree, students must fulfill all major courses, all West general education requirements (Plan A or Plan B), and all other graduation requirements for a total of at least 60 units. Students should refer to “Graduation Requirements” (in the “Academics” section of this catalog) for additional information. Students are also encouraged to seek assistance from counselors and faculty.

Transfer students should consult the Transfer Center or the Counseling Office for major preparation and general education requirements for the particular transfer institution of their choice. Transfer students who want to obtain an Associate degree may select one of the Liberal Arts and Science degrees which require completion of the West, CSU, or IGETC general education core and at least 18 units of coursework in an approved area of emphasis (see Liberal Arts & Science Section for details).

BUSINESS ADMINISTRATION

ASSOCIATE DEGREES

(ALSO SEE MANAGEMENT - SMALL BUSINESS)

The Associate of Arts degree in Business Administration includes coursework that aligns with specific lower-division major requirements for Business Administration and related majors at various universities within the University of California (UC) and California State University (CSU) systems.

Students are encouraged to visit the Transfer Center for complete information regarding transfer requirements for the institution of their choice. Students interested in transfer are also encouraged to consult the Counseling Office for individualized educational planning.

Career opportunities in Business Administration are available for multiple professions including accounting managers, stockbrokers, financial consultants, insurance brokers, marketing managers and computer specialists. In addition, a prospective professor of business may get a start in the associate and baccalaureate programs in business administration.

ASSOCIATE OF ARTS DEGREE

MAJOR CODE 0505.00

LAW 1	Business Law I	3
MATH 227*	Statistics	4
TOTAL UNITS		26

* Higher level Mathematics coursework may be substituted to meet transfer requirements at varying four-year institutions.

CHEMISTRY

ASSOCIATE DEGREES

The Associate of Arts degree in Chemistry includes coursework that aligns with specific lower-division major requirements for the Chemistry major at various universities within the University of California (UC) and California State University (CSU) systems. Additional coursework in Math and Physics is required at some UC and CSU campuses.

Students are encouraged to visit the Transfer Center for complete information regarding transfer requirements for the institution of their choice. Students interested in transfer are also encouraged to consult the Counseling Office for individualized educational planning.

The Associate Degree in Chemistry is designed to provide students with a strong basic foundation for baccalaureate study in Chemistry.

CHILD DEVELOPMENT

The Child Development program is designed for students who are interested in working with young children. The program centers on continuing experiences in a wide variety of pre-school settings and will also meet the needs of persons who are currently employed in pre-school centers, but who want to increase their professional skills. Young children are society's most valuable resource, and they must be nurtured with this judgment clearly in view. Students in the Child Development program strive to gain a deep understanding of the total development and potential of young children. The field is expanding, with excellent job opportunities existing throughout the nation.

MAJOR REQUIREMENTS

The Child Development Program serves those entering and currently employed in the rapidly expanding field of Early Childhood Education. Students will be prepared to teach in pre-school programs, including private schools, children's centers, Head Start programs, parent cooperatives and parochial schools, as well as serving as educational aides in elementary schools. The program also benefits anyone interested in understanding children, their development, and their behavior.

All students must make an appointment for advisement in the Child Development Office (Science 108). Applications and a student profile record must be on file. Students will be advised to take a Math and an English assessment test.

THERE ARE RESIDENCY REQUIREMENTS AT WEST LOS ANGELES COLLEGE FOR THE AWARDING OF SKILLS CERTIFICATES, CERTIFICATE OF ACHIEVEMENT, AND ASSOCIATE OF ARTS DEGREE IN CHILD DEVELOPMENT: Any student who has completed Child Development courses at colleges within the Los Angeles Community College District is eligible for a Child Development Skills Certificate, Certificate of Achievement, or an Associate of Arts Degree in Child Development at West Los Angeles College. However, there is a 12-unit residency requirement of coursework that must be completed at West Los Angeles College. These 12 units of coursework do not have to be in the field of Child Development.

Students who have taken courses outside the Los Angeles Community College District and are applying for one of the certificates or the degree must not only meet the 12-unit residency requirement, but must also meet the following additional requirements:

Students who are applying for a Skills Award, a Certificate of Achievement, or an Associate of Arts Degree in Child Development must complete a majority of the required coursework within the Los Angeles Community College District. Courses taken outside of the Los Angeles Community College District must be evaluated by the Department Chairperson.

The format for participating in the child Development program is as follows:

ASSOCIATE DEGREES

The Associate of Arts degree in Child Development is primarily designed for vocational education and workforce training/development. Although the curriculum is not specifically aligned with course requirements for transfer to a four-year college or university, the program offers a variety of courses that fulfill some lower-division requirements in Child Development at local four-year institutions.

Students interested in transferring to a four-year college or university with a major in Child Development may consider the Associate of Arts degree in Liberal Arts and Sciences with an emphasis in Behavioral and Social Sciences. Students should consult the Transfer Center or the Counseling Office for major preparation and general education requirements of the particular transfer institution of their choice.

CINEMA

SKILL CERTIFICATES

Note: Skill certificates are not state-approved and are not included on transcripts. Only students completing state-approved degrees and/or certificates may participate in commencement.

SKILL CERTIFICATE IN CINEMA

MAJOR CODE 0612.00

Students earning a skill certificate in Cinema acquire a broad, general understanding of film theory, history, and production. Students will get hands-on experience in film production and be instructed in the mechanics of writing for film. They will have the opportunity to analyze screenplays, write a script, and/or produce their own short video or film. Courses are offered in screen writing, script treatment, content development, film history and analysis, and producing and editing of a digital short film.

REQUIRED COURSES

		UNITS
CINEMA 1	Introduction to Motion Picture Production	3
CINEMA 3	History of Motion Pictures	3
CINEMA 5	Introduction to Screenwriting	3

PLUS 6 UNITS FROM THE FOLLOWING:

ART 639	Introduction to Digital Imaging	3
BRDCST 1	Fundamentals of Radio and TV Broadcasting	3
BRDCST 7	Radio Announcing I	3
BRDCST 12	Broadcast Station Operation I	3
BRDCST 14	Broadcast Station Management	3

BRDCST 911	Cooperative Education	1
BRDCST 921	Cooperative Education	2
BRDCST 931	Cooperative Education	3
BRDCST 941	Cooperative Education	4

CINEMA 18	Main Currents in Motion Pictures	3
CINEMA 107	Understanding Motion Pictures	3
CINEMA 111	Cinema: Developing Content for Movies	3
CINEMA 112	Script Analysis	3
CINEMA 931	Cooperative Education	3
ENGLISH 240	Literature and the Motion Picture	3
MULTIMD 100	Introduction to Multimedia Computer Applications	3
MULTIMD 210	Digital Editing	3
MULTIMD 320	Web Design	3
TOTAL UNITS		15

CNA/GERIATRIC CARE TECHNICIAN

SKILL CERTIFICATES

Note: Skill certificates are not state-approved and are not included on transcripts. Only students completing state-approved degrees and/or certificates may participate in commencement.

This program is designed to fill the employment gap of caregivers working with the elderly. The National Center Workforce Analysis reports that more than 50% of states report shortages of allied health personnel. This situation will get worse as the total population of California grows through 2020 and the population of those over the age of 65 grows by 58%.

This program consists of two courses (Certified Nurse Assistant and Geriatric Care Technician) and leads to a certificate in Geriatric Care. Students must be admitted to the college, complete pre-admission screening in Math and English, and complete an application packet prior to the start of classes.

Students successfully completing the CNA course will be eligible for certification from the State of California. The application for certification requires fingerprinting and a background check. Applicants who have been convicted of a criminal offense may not be eligible for certification.

For more information contact the Allied Health Office at (310) 287-4464.

COMPUTER SCIENCE INFORMATION TECHNOLOGY

ASSOCIATE DEGREES

**COMPUTER SCIENCE INFORMATION TECHNOLOGY OPTION
COMPUTER NETWORK AND SECURITY MANAGEMENT
OPTION
COMPUTER WEB SUPPORT AND DATABASE
ADMINISTRATION OPTION**

The Associate degrees in Computer Science Information Technology are primarily designed for vocational education and workforce training/development. Although the curriculum is not specifically designed for transfer to a four-year college or university, the program offers a variety of courses that fulfill some lower-division requirements for transfer.

Students interested in transferring to a four-year college or university with a major in Computer Science or a related major may consider the Associate of Arts degree in Liberal Arts and Sciences with an emphasis in Math, Science, and Computer Science. Students should consult the Transfer Center or the Counseling Office for major preparation and general education requirements of the particular transfer institution of their choice.

The Associate degrees in Computer Science Information Technology provide instruction to students interested in careers in computing, information systems management and security, computer network, web development and database administration, and business application. A Computer Science Information Technology option, Computer Web Support and Database Administration option, and a Computer Network and Security Management option are offered.

The Associate of Arts degree (AA) follows Plan A with 30 units of major courses and 30 units of General Education courses. The Associate of Science degree (AS) follows Plan B with 30 units of major courses, 18 units of GE courses, and 12 units of any CO SCI courses.

Any CO SCI courses 8

TOTAL UNITS 30

**CERTIFICATE OF ACHIEVEMENT -
COMPUTER WEB SUPPORT & DATABASE
ADMINISTRATION**

MAJOR CODE 0709.00

(31 UNITS)

REQUIRED COURSES		UNITS
CO SCI 933	Database Design (Microsoft Access) OR	3
CO SCI 953	Database Management Using Oracle	3
CO SCI 937	E-Commerce Essentials OR	3
CO SCI 980	Introduction to Computer and Information Security I	3
CO SCI 938	Web Application Programming Using VB.net OR	3
CO SCI 963	Web Application Using ASP.net	3
CO SCI 952	Web Page Development Using Macromedia Flash OR	3
CO SCI 957	Introduction to Web Page Development	3
CO SCI 958	Web Development Using HTML OR	4
CO SCI 962	Web Programming Using JavaScript	4
CO SCI 967	Linux.Apache.MySQL.Virtual and Cloud Computing OR	3
CO SCI 982	Introduction to Microsoft Server Operating System	3
CO SCI 987	Information Storage Management/Virtual Server OR	3
CO SCI 988	Microsoft SQL Server OR	3
CO SCI 989	Microsoft Exchange Server	3

ELECTIVES (9 UNITS FROM THE FOLLOWING)

ANY COURSE NOT TAKEN FROM ABOVE OR

CO SCI 930	Advanced Microsoft Application Software	4
CO SCI 934	Operating Systems	3
CO SCI 935	Introduction to Linux+	3
CO SCI 948	Advanced Spreadsheet for Business Analysis	3
CO SCI 981	Administering Computer Networks and Security	3
CO SCI 985	Network and Information System Security	3
CO SCI 987	Information Storage Management/Virtual Server	3
CO SCI 990	Object-Oriented Programming in Java	4
TOTAL UNITS		31

**CERTIFICATE OF ACHIEVEMENT - WEBSITE
SUPPORT AND ADMINISTRATION (LOW UNIT)**

MAJOR CODE 0709.05

(16 UNITS)

The curriculum is intended to help students develop skills in designing, building, programming, populating with contents, branding, marketing, supporting, and managing websites. This program also provides students with the knowledge and skills to administer web site security and to manage client-server database.

CO SCI 987	Information Storage Management/Virtual Server	3
CO SCI 988	Microsoft SQL Server	3
CO SCI 990	Object-Oriented Programming in Java	4
TOTAL UNITS		16

DENTAL HYGIENE

ASSOCIATE DEGREES

The Associate of Science degree in Dental Hygiene is primarily designed for vocational education and workforce training/development. The curriculum is not aligned with course requirements for transfer to a specific major at a four-year college or university.

The dental hygienist, as a member of the dental health team, is qualified by education and license to provide primary care to patients for the maintenance of oral health and the prevention of oral disease. The hygienist removes deposits and stains from teeth, applies agents to help prevent tooth decay, prepares clinical tests and provides oral health instruction.

The Program in Dental Hygiene is accredited by the Commission on Dental Accreditation. The Commission is a specialized accrediting body recognized by the Commission on Recognition of Post Secondary Accreditation, and by the United States Department of Education. Admission to the Dental Hygiene program is by special selection. The admission requirements are available from the Counseling Office or the Dental Hygiene Department.

Dental Hygiene classroom and laboratory facilities are located on campus at West Los Angeles College. The students provide dental hygiene services to patients at UCLA Dental Clinic, Veterans Hospital, Cedars-Sinai Hospital, Kid's Dental Clinic and the UCLA Venice Clinic. Students also observe and participate in various specialty clinics at UCLA which include radiology, pedodontics, periodontics, oral surgery and hospital dentistry. For more information, call (310) 287-4464 or visit the Allied Health website at www.wlac.edu/alliedhealth/ or come to the Dental Hygiene office.
