

Associate Degree for Transfer

*A Degree with a Guarantee.*SM

*The Associate Degree for Transfers (AA-T & AS-T) are two-year associate degrees that are **fully transferable to the 23 Cal State Universities** and are no more than 60 semester units. With these special degrees, students who meet the CSU's minimum eligibility requirements are guaranteed priority admission to a CSU campus, though not necessarily to a particular campus or major. Students may also be given a GPA bump when applying to an impacted campus outside your local area or an impacted major that is deemed similar.*

In addition, once at the CSU, if you are admitted and enrolled in a designated similar degree program you can complete your bachelor's degree with as little as 60 semester units or 90 quarter units of coursework.
