The Associate Degree for Transfers (AA-T & AS-T) are two-year associate degrees that are fully transferable to the 23 Cal State Universities and are no more than 60 semester units. With these special degrees, students who meet the CSU’s minimum eligibility requirements are guaranteed priority admission to a CSU campus, though not necessarily to a particular campus or major. Students may also be given a GPA bump when applying to an impacted campus outside your local area or an impacted major that is deemed similar.

In addition, once at the CSU, if you are admitted and enrolled in a designated similar degree program you can complete your bachelor’s degree with as little as 60 semester units or 90 quarter units of coursework.
