West Los Angeles College has a partnership with Hollywood Cinema Production Recourses “Hollywood CPR”. Hollywood CPR has the only IATSE & AMPTP recognized Entertainment Artists, Crafts and Technicians Certificate which provides a pathway into careers in the entertainment industry. The Hollywood CPR Entertainment Artists, Crafts and Technicians Certificate is an additional merit-based distinction above and beyond the West Los Angeles College Film/TV Production Crafts Certificate of Achievement that signifies a proficiency of entry-level skills to employers and trade unions. In order to be eligible to apply to Hollywood CPR, students need to complete the Film/TV Production Crafts certificate with a GPA of 3.0 or better, and additional criteria including granting Hollywood CPR permission to review their grades and records for certification purposes.

Please consult with the Chair of Arts & Performance if you are interested in the Hollywood CPR Entertainment Artists, Crafts and Technicians Certificate.

The majority of courses within the Fire Technology discipline meet accreditation and certification standards set by the California State Board of Fire Service, the National Higher Education Fire Service Committee, and the Accrediting Commission for Community and Junior Colleges of the Western Association of Schools and Colleges. West offers coursework to meet requirements for an associate’s degree and/or a certificate of achievement in Fire Technology. Students completing the Hazardous Materials course (FIRETEK 216) may also be eligible for a State certificate in that area.

Program Learning Outcomes: Upon successful completion of this program, students will be able to...

- Describe the NFPA Standards for all various types of fire sprinkler systems.
- Describe the components of a fire sprinkler system. Include the required earthquake provisions.
- Compare and contrast the difference between the five types of fires.
- Demonstrate the ability to recall the various types of detection devices used for buildings. Explain the basic operating principle of each of the various types.
- Demonstrate an awareness of cultural diversity.

FRENCH
LANGUAGE ARTS DIVISION

FRENCH (AA)
MAJOR CODE: 1102.00

The Associate of Arts degree in French includes coursework that aligns with specific lower-division major requirements for the French major at various universities within the University of California (UC) and California State University (CSU) systems.

Students interested in transferring to a four-year college or university with a major in French may also consider the

Associate of Arts degree in Liberal Arts and Sciences (Arts and Humanities emphasis). Students are encouraged to visit the Transfer Center for complete information regarding transfer requirements for the institution of their choice. Students interested in transfer are also encouraged to consult the Counseling Office for individualized educational planning.

A degree in French can open doors to such professional opportunities as a career in foreign trade, travel, translating, teaching, and government (especially in the State Department). French also provides valuable background for those pursuing studies in Art, Music, Cinema, and Literature.

Program Learning Outcomes: Upon successful completion of this program, students will be able to...

• Listen with understanding to French conversations.
• Respond meaningfully in personal and community situations.
• Speak the target language effectively and articulately in personal, community, and work settings.
• Read confidently and competently for personal information, professional and academic needs.
• Write in target language to communicate with purpose, meaning, and grammatical correctness.
• Develop processes that lead to insight an understanding of the culture.
• Interact sensitively and respectfully with the culture’s mores, beliefs, and traditions in the target language.
