syllabary for Hiragana, Katakana and basic Kanji are introduced. In addition, the course introduces the study of Japanese culture.

**JAPAN 002 Elementary Japanese II (5) UC/CSU**

*Prerequisite: JAPAN 1 with a grade of "C" or better*

This course continues students’ development of fundamental linguistic communication skills in Japanese. The course also continues the study of Japanese culture.

---

**KINESIOLOGY**

(KIN)

(Formerly Physical Education)

**KIN 185 Directed Study (1) CSU (Formerly PHYS ED 185)**

Students pursue directed studies in Kinesiology on a contract basis, under the direction of a supervising instructor.

**KIN 229 Body Conditioning Skills (1) UC/CSU (Formerly PHYS ED 228)**

This course uses a variety of aerobic and anaerobic exercises to help the student achieve fitness and establish a workout program they can use for the rest of their life.

**KIN 232 Step Aerobics Activity (1) UC/CSU (Formerly PHYS ED 470)**

Students are instructed how to safely exercise using step aerobic benches to achieve their personal fitness goals. Additional instruction offered on exercises from a variety of different sources such as yoga, Pilate’s and weight training. Course is open to all levels.

**KIN 245 Body Dynamics Skills (1) UC/CSU (Formerly PHYS ED 229)**

Emphasis is on physical fitness through a non-traditional strength training. Students will leave with and extensive exercise library using nontraditional equipment (fit balls, bends, medicine balls, etc.).

**KIN 250 Weight Training Skills (1) UC/CSU (Formerly PHYS ED 230)**

This course covers the principles of weight training for men and women. It develops a general program of progressive resistance exercises with adaptation and implication for the individual student. Attention is given to terminology, use of equipment, safety precautions, nutrition and weight control, and basic factors of anatomy and physiology.

**KIN 251 Yoga Skills – (1) UC/CSU (Formerly PHYS ED 225)**

This course is designed to improve both strength and flexibility through mind and body integration. The course focuses on the physical and breathing exercises of Yoga. It will assist with the development of flexibility and strength in the skeletal, muscular, and nervous systems, improve circulation, reduce stress, and increase energy levels. Various styles of Hatha Yoga will be studied and practiced. This course will give the student both the knowledge and the practice to move toward improved health and reduce stress levels.

**KIN 272 Track and Field Skills – (1) UC/CSU (Formerly PHYS ED 262)**

This class is for the student interested in developing track and field skills. The emphasis is on teaching fundamentals while working to improve the student’s overall fitness and conditioning levels.

**KIN 285 Directed Studies- Kinesiology – (2) CSU**

Students learn to participate professionally in a variety of fitness environments. Areas of study can include personal training, group fitness, senior classes and health. Students learn to pursue directed studies in the area of Kinesiology on a contract basis, under the direction of a supervising instructor.

**KIN 286 Baseball Skills – (1) UC/CSU (Formerly PHYS ED 301)**

Course will focus on developing fundamental skills, strategies, knowledge of the rules and history of baseball. An opportunity for teamwork experience and game play will be provided. Open to all ability levels.

**KIN 287 Basketball Skills – (1) UC/CSU (Formerly PHYS ED 304)**

This course offers instruction, and practice on the fundamental skills and basic techniques of basketball.

**KIN 288 Flag/Touch Football Skills – (1) UC/CSU (Formerly PHYS ED 667)**

This course is designed to teach students the rules and skills related to flag football as a team activity.

**KIN 289 Soccer Skills – (1) UC/CSU (Formerly PHYS ED 313)**

This course emphasizes fundamental soccer skills, as well as the selection and care of equipment, rules, proper etiquette, terminology and strategies of the game. The student will be introduced to individual and team offense and defense as well as terminology and the five components of fitness.

**KIN 291 Volleyball Skills – (1) UC/CSU (Formerly PHYS ED 322)**

This course is designed to teach beginning to intermediate volleyball skills of passing, setting, spiking, serving and blocking. The course will introduce individual and team offense and defense systems, as well as the rules, proper etiquette, terminology, components of fitness, nutritional and injury prevention strategies for volleyball.
KIN 303 Aqua Aerobics – (1) UC/CSU
(Formerly PHYS ED 232)
This course is an exercise and conditioning activity class that promotes cardiovascular and muscular fitness. It is conducted in a shallow therapy pool and uses foam noodles, kick boards and noodles.

KIN 326 Aerobic Super Circuit Lab – (1) UC/CSU
This course is designed for the individual interested in beginning a personal fitness program. Using fundamentals of exercise physiology, each student will assess his/her level of physical fitness, develop fitness goals, design and implement a personalized exercise program to be performed on circuit training equipment.

KIN 327 Lifelong Fitness Lab – (1) UC/CSU
Students develop flexibility, muscular strength, muscular endurance, cardiovascular endurance, and body composition. Students learn how to achieve a healthy lifestyle, proper fitness balance, nutrition. Cardiovascular disease prevention and education is a main component of this course.

KIN 329 Body Conditioning – (1) UC/CSU
(Formerly PHYS ED 666)
This course uses a variety of aerobic and anaerobic exercises to help the student achieve their physical fitness goals. Students will establish a workout program they can use for the rest of their life. Exercises are drawn from a number of different sources such as yoga, Pilates, dance and weight training.

KIN 331 Cross Training Lab – (1) UC/CSU
Students learn a variety of cross training activities to achieve their personal fitness goals. Includes lecture on nutrition, exercise physiology concepts, and participation in a workout designed to improve cardiovascular conditioning and body composition, increase muscle strength, endurance and flexibility.

KIN 334-1 Walking for Fitness – (1) UC/CSU
Walking for Fitness focuses on achieving cardiovascular fitness and a healthy life-style through walking. Includes such topics as basic fitness walking principles, proper technique, shoe selection, posture, gait, walking styles, flexibility, clothing, safety limitations, assessing fitness level and the physical health benefits from walking.

KIN 335-1 Fitness and Weight Control – (1) UC/CSU
This course emphasizes fundamental soccer skills, as well as the selection and care of equipment, rules, proper etiquette, terminology and strategies of the game. The student will be introduced to individual and team offense and defense as well as terminology and the five components of fitness.

KIN 345 Body Dynamics Activity – (1) UC/CSU
Emphasis is on physical fitness through a regular exercise program including low/high impact aerobics performed to music, and nutrition, diet and body mechanics information.

KIN 350 Weight Training – (1) UC/CSU
Weight Training includes an emphasis in the knowledge, understanding and values of building muscle strength and endurance. The course include instruction in the five health related components of fitness (body composition, muscle strength, muscle endurance, flexibility and cardiovascular fitness). The objective is to develop the student’s ability to develop his/her own physical fitness program at any time in life based upon sound physiological principles.

KIN 351 Yoga – (1) UC/CSU
This course teaches a 5,000-year-old form of mostly isometric poses (asanas), breathing techniques, and meditation. Yoga promotes mental, physical, and spiritual fitness. Yoga teaches a ‘way of life’. There are brief lectures covering basic information on hypertension, exercise precautions, body composition, health style, flexibility, nutrition, nutrition supplements, water, physical fitness, nutrition myths, ethics and morality, and stress management.

KIN 356 Baseball Skills Activity – (1) UC/CSU
This course is designed to provide instruction in the history of and the skills and techniques of baseball. Rules and offensive and defensive team play are taught by drills and game play.

KIN 366 Basketball – (1) UC/CSU
This course is designed to teach all levels of basketball skills. It not only emphasizes fundamental basketball skills such as dribbling, passing and shooting but it also includes the selection and care of equipment, rules, offense and defense strategy, etiquette, terminology and the components of fitness.

KIN 388 Flag Football – (1) UC/CSU
This course is designed to provide weekly participation in vigorous physical activity involving group work in flag football techniques, terminology, rules and regulations.

KIN 389 Soccer – (1) UC/CSU
This course is designed to teach all levels the basic soccer skills of passing, dribbling, shooting, and goal keeping. The course will also introduce individual and team offense and defense, as well as the rules, proper etiquette, terminology, and the components of fitness. Students will learn proper soccer techniques with practice skills and feedback.

KIN 391 Volleyball – (1) UC/CSU
This course is designed to teach the basic volleyball skills of passing, setting, spiking, serving and blocking. The course will introduce individual and team offense and defense systems, as well as the rules, etiquette, terminology and strategies for volleyball.
COURSE DESCRIPTIONS

KINESIOLOGY ATHLETICS

(KIN ATH)

KIN ATH 503 Intercollegiate Athletics-Baseball– (3) UC/CSU
This course offers advanced baseball skills and techniques. It provides an opportunity to learn the fine skills and strategies needed to compete at the collegiate level. The course also provides additional exposure to students interested in articulating to four-year colleges or professional baseball programs. Tryouts are required.

KIN ATH 504 Intercollegiate Athletics-Baseball– (3) UC/CSU
This course includes instruction in the fundamental, intermediate and advance principles, theories and skills of Intercollegiate Basketball. The course includes instruction, demonstration and practice of competitive basketball skills, including passing, dribbling, shooting and rebounding as well as individual and team offense/defense. This course requires intercollegiate basketball competition. Tryouts are required.

KIN ATH 506 Intercollegiate Athletics-Cross Country– (3) UC/CSU
This is the intercollegiate cross country team course. It includes endurance workouts, speed training, hill training and weight training. Nutritional concepts are discussed, as well as psychological preparation. This course requires the student athletes to compete as a member of the cross country team. Tryouts are required.

KIN ATH 508 Intercollegiate Athletics-Football– (3) UC/CSU
This course is for the intercollegiate football team. The course includes advanced football skills, offensive and defensive, along with special team strategies. The components of fitness for football require running, cardiovascular endurance, agility, strength training, and balance. The class includes football video to study the technique and strategies used while participating as a member of the intercollegiate football team. Tryouts are required.

KIN ATH 511 Intercollegiate Athletics-Soccer– (3) UC/CSU
This course is for the intercollegiate soccer team. The course covers fundamental, intermediate, and advanced principles, theories, and skills of soccer. Students will practice the soccer skills of passing, dribbling, shooting, goal keeping, individual and team offense and defense, and will be expected to participate in intercollegiate competition. Tryouts are required.

KIN ATH 512 Intercollegiate Athletics-Softball (3) UC/CSU
This is the intercollegiate softball team course. In this course, students learn fundamental, intermediate, and advanced principles, theories, and skills of softball and practice basic softball skills, including throwing, fielding, hitting, and base running while participating in intercollegiate competition.

KIN ATH 515 Intercollegiate Athletics-Track and Field (3) UC/CSU
This course is the intercollegiate track and field course requiring active participation on the college track & field team. The course covers fundamental and advanced principles and theories of track and field techniques, including demonstration and practice of sprinting, hurling, throwing, vertical and horizontal jumping, pole vaulting, and middle and long distance skills while participating in intercollegiate competition. Tryouts are required.

KIN ATH 516 Intercollegiate Athletics-Volleyball (3) UC/CSU
This course is the intercollegiate volleyball team course. In this course, students learn fundamental, intermediate, and advanced principles, theories, and skills of volleyball and practice volleyball skills, including setting, spiking, passing, and offensive and defensive strategies while participating in intercollegiate competition. Tryouts are required.

KIN ATH 549 Intercollegiate Cheer/Yell Leaders (3) UC/CSU
This course covers fundamental to advanced principles of drill patterns, yell, dance, stunt and cheer leading routines. Instruction, demonstration and practice of yell, dance, stunt and cheer leading skills. Students will be required to perform at athletic events and competitions as part of the course requirements.

KIN ATH 552 Intercollegiate Sports Conditioning& Skills Training (3) UC/CSU
This course is designed for the student athlete. The following areas are emphasized: the analysis and training of athletic skills, the analysis of offensive and defensive systems, physical conditioning, strength training and aerobic conditioning.

KIN ATH 553 Intercollegiate Football Fitness & Skills Training (1) UC/CSU
This course is designed for the student athlete. It is intended to provide focused strength and conditioning exercises, emphasize safety and injury prevention and present new rules and game plays for football.

KIN ATH 554 Intercollegiate Track/Field-Fitness & Skills Training (1) UC/CSU
This course is designed for the student athlete and is intended to provide focused strength and conditioning exercises, teach safety and injury prevention and present new rules for track and field.

KIN ATH 555 Intercollegiate Cross Country-Fitness & Skills Training (1) UC/CSU
This course is designed for the student athlete and is intended to provide focused strength and conditioning exercises, teach safety and injury prevention and present new rules for cross country.

KIN ATH 556 Intercollegiate Basketball-Fitness & Skills Training (1) UC/CSU
This course is designed for the student athlete and is intended to provide focused strength and conditioning exercises with an emphasis on safety, injury prevention, and new rules and game plays for basketball.

KIN ATH 557 Intercollegiate Baseball-Fitness & Skills Training (1) UC/CSU
This course is designed for the student athlete. It is intended to provide focused strength and conditioning exercises, emphasize safety and injury prevention and present new rules and game plays for baseball.

KIN ATH 558 Intercollegiate Soccer-Fitness & Skills Training (1) UC/CSU
This course is designed for the student athlete and is intended to provide focused strength and conditioning exercises with an emphasis on safety, injury prevention, and new rules and game plays for soccer.

KIN ATH 563 Intercollegiate Volleyball-Fitness & Skills Training (1) UC/CSU
This course is designed for the student athlete. It is intended to provide focused strength and conditioning and flexibility exercises, emphasize safety and injury prevention and present new rules and game plays for volleyball.

KIN ATH 564 Intercollegiate Softball-Fitness & Skills Training (1) UC/CSU
This course is designed for the student athlete and provides an advanced strength and conditioning program specific to softball, emphasizing injury prevention and safety. The goal of this class is to improve general fitness and strength and to increase explosiveness and speed. The student also learns strategic plays necessary for competition at advanced levels.

KIN ATH 571 Intercollegiate Cheerleading-Fitness & Skills Training (1) CSU
This course is designed for members of the West LA College cheerleading team and develops knowledge and provides skills to condition the body for cheer. In addition to exploring various conditioning programs, it offers an opportunity to enhance cheerleading techniques.

KINESIOLOGY MAJOR

(KIN MAJ)

KIN MAJ 100 Introduction to Kinesiology (3) UC/CSU
Kinesiology is the study of the art and science of human movement throughout our lifespan. Students will be introduced to the evidence-based research supporting the therapeutic effects of exercise in improving health and society in our communities, schools, work place and clinical settings. Kinesiology provides areas of study in health and fitness promotion, clinical exercise physiology, biomechanics, motor learning and development, athletic training, dance, adapted physical education, pedagogy, sports psychology, sports nutrition, sports management, exercise equipment design and testing and wellness coaching as well as pre-professional training for cardiac rehabilitation, gerokinesiology, physical therapy, public health and policy, medicine and research.

KIN MAJ 126 Fundamentals of Athletic Training (3) UC/CSU
This course is designed for future athletic trainers, physical educators, coaches, physical therapists and anyone else who plans on working with active individuals who are prone to injury. This course introduces the concepts and practical skills of athletic training, including the prevention, recognition, evaluation, and management of athletic injuries.

KIN MAJ 127 Advanced Athletic Training (3) UC/CSU
This course will build on the knowledge and skills introduced in Kin Maj 126. The student will acquire more clinical experience and learn advanced techniques in the prevention, recognition, evaluation, and management of athletic injuries using an Evidence-based practice approach.

KIN MAJ 128 Care and Prevention of Athletic Injuries (3) UC/CSU
The scope of this course includes the diagnosis and treatment of common athletic injuries, movement dysfunctions and upper/lower body impairment syndromes. The internal and external factors will be examined and discussed to provide the most appropriate care and management strategies.

KIN MAJ 143 Academic Success for Student Athletes (3) UC/CSU
This is a college orientation course designed to help student athletes set educational and career goals, develop good study habits, learn about college resources and acquire job hunting skills.
