### Degree Information

**LAW, PUBLIC POLICY AND SOCIETY (AA-T)**

**MAJOR CODE:** 1401.00

The Associate in Arts in Law, Public Policy and Society for Transfer Degree (AA-T) is designed to provide a solid, multi-disciplinary lower-division preparation for students who intend to transfer to a California State University (CSU) for a bachelor's degree in Public Policy, Law, Sociology, Economics or similar major. This degree is designed to provide a clear pathway to a CSU and guarantee admissions to a CSU. Although, students are guaranteed admissions, it is not to any particular campus or program in the CSU system. Students...
will be encouraged to meet with a counselor for specific university major preparation at the college of their choice in order to facilitate a seamless transition. This coursework will satisfy the lower division Law, Public Policy and Society requirements at some of the CSU campuses.

This degree complies with The Student Transfer Achievement Reform Act (Senate Bill 1440). To earn an Associate Degree for Transfer, students must meet the following requirements:

1) Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both the following:
   a. The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education-Breadth Requirements.
   b. A minimum of 31 semester units or 47 quarter units in a major or area of emphasis, as determined by the community college district.

2) Obtainment of a minimum grade point average of 2.0

3) A grade of “C” or better in all courses required for the major or area of emphasis.

Program Learning Outcomes: Upon successful completion of this program, students will be able to...

- Analyze social science concepts and theories
- Evaluate diverse viewpoints related to the human experience
- Produce evidence-based arguments.

LIBERAL ARTS & SCIENCES

ACADEMIC AFFAIRS

The Liberal Arts and Sciences degree program provides students with an opportunity to earn an Associate of Arts degree in one of four major areas of emphasis: Math, Sciences, and Computer Science; Behavioral and Social Sciences; Arts and Humanities; and Health Professions. It is designed for students who wish to explore different disciplines (subject areas) before deciding on a definite major program prior to transferring to a four-year university, or for students who may not be planning to transfer and wish to earn a degree in a particular area of study that interests them.

Each area of emphasis for the Liberal Arts and Sciences degree includes coursework that aligns with lower-division major requirements for various majors at universities within the University of California (UC) and California State University (CSU) systems.

Students are encouraged to visit the Transfer Center for complete information regarding transfer requirements for specific majors at the institution of their choice. Students interested in transfer are also encouraged to consult the Counseling Office for individualized educational planning.

LIBERAL ARTS & SCIENCES: ARTS & HUMANITIES (AA)

MAJOR CODE: 4903.10

This area of emphasis provides students with a broad-based introduction to the Arts and Humanities. Students will evaluate, research, and interpret the ways in which people through the ages in different cultures have responded to themselves and the world around them through artistic and cultural expression. Coursework in this area of emphasis is designed to prepare students for transfer to various CSU and UC degree programs in majors such as Art, English, Liberal Studies, Spanish, and French.

The Associate of Arts degree in Management - Small Business is primarily designed for career and technical education and workforce training/development. The curriculum is not aligned with course requirements for transfer to a specific major at a four-year college or university.

The Small Business Management curriculum is for those who may go into business for themselves and for those who are already in business for themselves, but want to strengthen their entrepreneurial and managerial skills. Coursework is designed so that students understand the financial, managerial, marketing, accounting, legal and practical day-to-day decision-making concerns of those in small businesses.

Program Learning Outcomes:

- Students will have the skills and knowledge required to identify business opportunities.
- Students will be able to plan, implement, and conceptualize a small business.
- Students will develop the ability to understand the business environment of successful entrepreneurial ventures.
- Students will be able to develop and implement business strategies and they will also be able to identify the ethical and social implications of these strategies.
