MAJOR REQUIREMENTS

PARALEGAL

BUSINESS DIVISION

West Los Angeles College offers a Paralegal Studies program that is approved by the American Bar Association (ABA). The program is designed to prepare students for work as a paralegal.

A paralegal is a person, qualified by education, training or work experience who is employed or retained by a lawyer, law office, corporation, governmental agency or other entity and who performs specifically delegated substantive legal work for which a lawyer is responsible.

Paralegals may not provide legal services directly to the public except as permitted by law.

ABA PARALEGAL PROGRAM OBJECTIVES

- The Paralegal Studies Program is designed to prepare the student to assist the attorney in both private and public sectors in all phases of legal work and to equip the student with the knowledge necessary to enter the legal service fields as an entry-level paralegal.
- To insure quality paralegal education at the community college level
- To familiarize students with the legal system and the role of the paralegal in the delivery of legal services in the public and private sectors.
- To train students to be prepared to use and apply the most current paralegal skills.
- To educate students to intelligently and ethically serve the legal community.
- To train students in critical paralegal skills such as investigation, legal research, interviewing, written and oral communications.
- To educate, train and provide students with the theoretical background to perform the paralegal’s tasks in substantive areas of law and legal specialties.
- To educate and train students in areas of procedural law emphasizing the paralegal’s role in litigation, mediation and arbitration.
- To educate students about the general principles of ethical legal practice as defined by the American Bar Association’s Standing Committee on Ethics and Professional Responsibility, and California’s Business & Professions Code 66450.
- To encourage students to contribute to the advancement of the legal profession.

IMPORTANT: In order to be admitted into the Paralegal Studies Program, you must attend an orientation and submit an application directly to the Program Director prior to taking any classes. Please contact the Program Director at (310) 287-4438 or via e-mail at paralegal@wlac.edu. Please meet with the Program Director regarding Degree or Certificate.

Employment of paralegals and legal assistants is projected to grow 17 percent from 2012 to 2022, faster than the average for all occupations. This occupation attracts many applicants, and competition for jobs will be strong. Experienced, formally trained paralegals with strong computer and database management skills should have the best job prospects. http://www.bls.gov/ooh/legal/paralegals-and-legal-assistants.htm

NOTE: This program is not designed for preparation for law school admission. Students should consult catalogs of law schools of their choice or a counselor when planning to attend law school.

PARAMEDIC PROGRAM

(SEE EMERGENCY MEDICAL TECHNICIAN / ALLIED HEALTH)

HEALTH SCIENCES DIVISION

MAJOR CODE: 1251.00

West Los Angeles College has partnered with the UCLA Center for Prehospital Care Paramedic Education Program to offer students the opportunity to earn an associate degree while becoming licensed Paramedics.

Paramedics are advanced providers of emergency medical care and receive education in anatomy and physiology, cardiology, pharmacology, medicine and trauma. They build on their Emergency Medical Technician certification and learn additional skills including administering medications, starting intravenous lines, providing advanced airway management, and learning to resuscitate and support patients with significant problems such as heart attacks and traumas. Paramedics work for fire departments and ambulance companies.

The Paramedic Program is a 7-month full-time program (36 units). It is divided into three phases: didactic, includes lecture and hands-on skills training; clinical, in-hospital rotations; and field internship, assignment to an active paramedic unit.

All students are admitted through the UCLA Center for Prehospital Care. For more information and application requirements visit www.cpc.mednet.ucla.edu or call (310) 267-5959.

PHARMACY TECHNICIAN

HEALTH SCIENCES DIVISION

The Associate of Science degree in Pharmacy Technician is primarily designed for career and technical education and workforce training/development. The curriculum is not aligned with course requirements for transfer to a specific major at a four-year college or university.

The West Los Angeles College Pharmacy Technician Program prepares a student for an exciting career in pharmacy. Students completing the required course work are able to obtain a State of California Pharmacy Technician license and are prepared to work in the outpatient, inpatient and home health care pharmacy settings.

PROGRAM LEARNING OUTCOMES (PLOs):

- Critical Thinking: Upon graduation the Pharmacy Technician student should be able to analyze situations and respond to the given situations using the evidence presented in a manner which adheres to the laws and ethics of the profession.
- Communication: Upon graduation from the program the Pharmacy Technician student should be capable of completely communicating thoughts in both an oral and written format that is clear, concise, cohesive, and courteous.
- Technical: Upon graduation the Pharmacy Tech students should be able to follow the workflow of pharmacy practice in various pharmacy settings.
- Ethics: Upon graduation Pharmacy Technician students should exhibit professionalism, competence, growth, and development when practicing the profession.
- Civic Responsibility: Upon graduation the Pharmacy Technician students should be able to effectively work as a member of a team.
- Cultural Diversity: Upon graduation the Pharmacy Technician student should know how to advance the profession through leadership service activities and affiliation with professional organizations that promote the field as well as encourage members of different cultures to understand the field.

PHILOSOPHY

LANGUAGE ARTS DIVISION

The Associate of Arts degree in Philosophy includes coursework that aligns with specific lower-division major requirements for the Philosophy major at various universities within the University of California (UC) and California State University (CSU) systems.

Students interested in transferring to a four-year college or university with a major in Philosophy may also consider the Associate of Arts degree in Liberal Arts and Sciences (Arts and Humanities emphasis). Students are encouraged to visit the Transfer Center for complete information regarding transfer requirements for the institution of their choice. Students interested in transfer are also encouraged to consult the Counseling Office for individualized educational planning.

PROGRAM LEARNING OUTCOMES (PLOs):

1.) Construct effective argument on moral, political and social issues by using principles of sound thinking, reasoning, logic and the absence of fallacy. (---aligns with all philosophy courses)

2.) Articulate clearly and verbalize (use language) an argument based on a careful analysis of data and research surrounding a specific moral, political, and social issues. (---aligns with Logic in Practice course)

3.) Articulate clearly using carefully chosen words and language to argue a position that is based on well-documented research, with emphasis on facts over opinion and bias. (---aligns with Logic in Practice course)

4.) Develop validity and proof for a moral, political, or social issue (deductive logic) by reasoning and arguing from a general to a specific principle and/or from a premise or hypothesis to a logical and specific conclusion. (---aligns with Deductive Logic course)

5.) Develop validity and proof for a moral, political, or social issue (inductive logic) by reasoning and arguing from a set of particular facts or individual cases to a general conclusion. (---aligns with Deductive Logic course)
6.) Through analysis of historical and current understanding of metaphysics, sciences, and religions, design and develop a personal philosophy that expresses one’s view and meaning of life, (including the existence of God, good vs. bad, pleasure vs. pain, friends vs. enemies, and the search for happiness).(--- aligns with Introduction to Philosophy course) graduation requirements to obtain the AA-T degree

The Associate in Arts in Philosophy for Transfer (AA-T) is a degree that provides a solid lower-division preparation for students who intend to transfer to a California State University (CSU) for a bachelor's degree in Philosophy. This degree is designed to provide a clear pathway to a CSU and guarantee admissions to a CSU. Although, students are guaranteed admissions, it is not to any particular campus or program in the CSU system. Students will be required to meet with a counselor for specific university major preparation at the college of their choice in order to facilitate a seamless transition. This coursework will satisfy the lower division Sociology requirements at some of the CSU campuses. Information on which campuses accept this degree can be found at [http://www.sb1440.org/](http://www.sb1440.org/).

Associate Degree for Transfer
A Degree with a Guarantee.

Physics is the general analysis of nature, involving the study of matter and its motion through space and time. Advance in physics can dramatically transform modern-day society, through its application toward development of new technology.

The Associate in Science in Physics for Transfer (AS-T) is a degree that provides a solid lower-division preparation for students who intend to transfer to a California State University (CSU) for a bachelor’s degree in Physics. This degree is designed to provide a clear pathway to a CSU and guarantee admissions to a CSU. Although, students are guaranteed admissions, it is not to any particular campus or program in the CSU system. Students will be required to meet with a counselor for specific university major preparation at the college of their choice in order to facilitate a seamless transition. This coursework will satisfy the lower division Physics requirements at some of the CSU campuses. Information on which campuses accept this degree can be found at http://www.sb1440.org/
POLITICAL SCIENCE

The Associate of Arts degree in Political Science includes coursework that aligns with specific lower-division major requirements for the Political Science major at various universities within the University of California (UC) and California State University (CSU) systems.

Students interested in transferring to a four-year college or university with a major in Political Science may also consider the Associate of Arts degree in Liberal Arts and Sciences (Behavioral and Social Sciences emphasis). Students are encouraged to visit the Transfer Center for complete information regarding transfer requirements for the institution of their choice. Students interested in transfer are also encouraged to consult the Counseling Office for individualized educational planning.

PROGRAM LEARNING OUTCOMES (PLOs):

- Critically analyze political institutions, systems, processes, events and constitutional principles in order to exercise one’s rights and to defend civil liberties.
- Take an informed position on a political issue, candidate or situation and support your position with objective, logical, effective debate and discussion.
- Seek out and engage in civic opportunities that broaden perspectives and increase one’s responsibility to family and community.
- Utilize a variety of media sources to research, organize, evaluate, and assimilate information pertaining to a political issue, event, or person.
- In one’s family, community and work settings, conduct activities in an ethical manner that reflects knowledge of the law and that adhere to common sense.
- Examine and interpret quantitative and graphic data to prepare the student to distinguish and choose among policy alternatives.

ATTENTION TRANSFER STUDENTS

NOTE: Students expecting to transfer to four-year institutions should see a West Los Angeles College counselor and consult the catalogs of transfer institutions regarding specific requirements for upper-division standing.

**Associate Degree for Transfer**

*A Degree with a Guarantee.™*

The Associate of Arts degree in Psychology for Transfer provides students an overview of the major fields in psychology and examines behavior, growth, development and the well-being of individuals. The program offers students a comprehensive education in the content and method of the discipline. A variety of courses allow students to expand their intellectual horizons.

The curriculum also serves as an introduction to the helping professions for students planning to transfer to majors in Health Science, Human Services, Counseling, Social Work, Substance Abuse Counseling, and other majors.

Students who successfully complete the Associate of Arts degree in Psychology for Transfer will be guaranteed admission to a California State University. The AA degree in Psychology for Transfer meets the requirements for SB1440 for Associate Degrees for Transfer. The degrees were developed to ease the transfer process for students to the CSU.

**PROGRAM LEARNING OUTCOMES (PLOs):**

1. Practice and demonstrate skills and knowledge regarding ethics and professionalism in treatment and research.
2. Address social, behavioral, historical, and cultural issues in treating and dealing with individuals and their adjustment in the workplace, family, community, and the global world.
3. Apply critical thinking to investigate and interpret influences of heredity and environment in assessment, counseling, therapy, and research.
4. Demonstrate and apply knowledge of biological issues as a major factor in Psychology.
5. Read, evaluate, and incorporate knowledge of research in assessment of new and old information in the field.
