The Extension Program is self-supporting, with all revenues generated from class registration fees. Financial assistance is not available. Three times a year, a Westside Extension brochure of classes is mailed to local residents to promote upcoming classes. Registrations and payment of class fees are handled through the Extension Office only.

The office is located in Parking Lot 5. See the web site for office hours, as they vary throughout the year.

Legal Sanctions

Federal laws regarding alcohol and illicit drugs allow for fines and/or imprisonment. Other legal problems include the loss of driver's license and limitations of career choices.

Health Risks

Health risks associated with the abuse of controlled substances include malnutrition, damage to various organs, hangovers, blackouts, general fatigue, impaired learning, dependency, disability, and death. Both drugs and alcohol may be damaging to the development of an unborn fetus.

Other Risks

Personal problems include diminished self-esteem, depression, alienation from reality, and suicide. Social problems include loss of friends, academic standing, and co- and extra-curricular opportunities, alienation from and abuse of family members, and chronic conflict with authority. State law in California prohibits the use of any electronic listening or recording device in a classroom without prior consent of the instructor and college administration. Any student who needs to use electronic aids must secure the consent of the instructor. If the instructor agrees to the request, a notice of consent must be forwarded to the Vice President of Academic Affairs for approval.

SMOKING POLICY

Smoking is not permitted on campus except for designated smoking zones.

Furthermore, institutional policies and practices may impose disciplinary sanctions on students and employees consistent with local, State, and federal law, up to and including expulsion, termination of employment, and referral for prosecution for violations of the standard of conduct. The Los Angeles Community College District is committed to drug- and alcohol-free campuses, and we ask you to share in this commitment and dedication.

STUDENT RESPONSIBILITY

The College believes that education requires the concentrated effort of both the instructor and the student. Consequently, the student is held responsible for providing the time and personal effort and motivation necessary to meet the requirements of all his or her courses. This would include regular and prompt attendance, adequate study time, and careful adherence to the specific course work requested by the instructor.

STUDENTS RIGHT TO KNOW

In compliance with the Students-Right-to-Know and Campus Security Act of 1990 (Public Law 101 -542):

it is the policy of the Los Angeles Community College District and West Los Angeles College to make available its completion and transfer rates to all current and prospective students.

Beginning in fall 1996, a cohort of all certificates, degree- and transfer-seeking first-time, full-time students were tracked over a three-year period. These rates do not represent the success rates of the entire student population at West Los Angeles College, nor do they account for student outcomes occurring after this three-year period. The completion rate numbers for West Los Angeles College can be found at:

<http://srtk.cccco.edu/index.asp>.

POLICY ON STUDENT AND PUBLIC COMPLAINTS AGAINST INSTITUTION

The Los Angeles Community College District and West Los Angeles College have in place student grievance and public complaint policies and procedures that are reasonable, equitably administered, and shared openly with the public.

The District

Specifically, the Board Rules are accessible online at the District Website under the *Board of Trustees* link. Board Rule 15003 defines key terms for the complaint process (e.g. complaint and discrimination) and uses terms under federal and state laws and the categories of discrimination (see LACCD Board Rule 15003 at <http://www.laccd.edu/Board/Documents/BoardRules/Chapter%20XV.docx>). In addition to prohibited discrimination, other student complaints and grievances are described in Administrative Regulations promulgated under the rules which are available online at the District's website (see LACCD Board Rule 9803 at <http://www.laccd.edu/Board/Documents/BoardRules/Ch.IX-ArticleVIII.pdf>).

Complaints are addressed in the following categories:

- Financial Aid: Describes the district appeals review process for college decisions regarding financial aid appeals;
- Admissions and Health (Nursing): Explains the program admissions, academic, and health requirements for the District's nursing programs. Dismissal and appeals procedures are detailed in this regulation as well;
- Grades: Details the procedures for resolving student grievances, including grade challenges;
- Student Grievance Procedures: Explains the appeal procedure at the district-level following certain types of grievances;
- Disability Services: Describes the criteria for serving students with disabilities, including appeals of eligibility determination and accommodations; and

- Miscellaneous: General categories of grievances not covered by established board procedures (see the LACCD Administrative Regulations
<https://www.laccd.edu/About/Documents/AdministrativeRegulations/B-8.pdf>;
<https://www.laccd.edu/About/Documents/AdministrativeRegulations/E-10.pdf>;
<https://www.laccd.edu/About/Documents/AdministrativeRegulations/E-55.pdf>)

The College

Key components of the procedures and processes for complaints and grievances include:

- Student Grievance Procedure
- Student Discipline
- Grade Complaints
- Students Right to Know (refer to the Students Right to Know section of this catalog)^[4]

Students with grievances should contact the college ombudsperson appointed by the Office of the President (Administrative Regulation E-55) see www.wlac.edu/Policies/Grievance.aspx

Prohibited discrimination complaints (including sexual harassment claims) should be directed to the LACCD Office of Diversity

(<https://www.laccd.edu/FacultyStaff/diversity/Pages/default.aspx>) for review and, if appropriate, investigation.

If the complaint warrants an investigation, the compliance officer completes the investigation within 60 days and makes a written report to the College president for college-based matters. The College president independently assesses whether the “preponderance of the evidence” supports a violation of the prohibited discrimination policy. Prior to making a final decision, the complainant(s) and the alleged offender(s) are provided with a summary of the compliance officer’s findings from the investigation, and they are provided an opportunity to make an oral statement to the College president.

Issues that are not resolved at the campus level may be presented to the Accrediting Commission for Community and Junior Colleges (ACCJC) for complaints associated with institutional compliance with academic program quality and accrediting standards. If the complaint cannot be resolved at the campus level and is unrelated to academic program quality and accrediting standards, it can be directed to the CCC Chancellor’s Office.

STUDENT GRIEVANCE POLICIES & PROCEDURES

The purpose of the student grievance procedure is to provide a prompt and equitable means of resolving student grievances. The procedure enumerated in Administrative Regulation E-55 shall be available to any student or applicant for admission who believes a College decision or action has adversely affected his or her status, rights, and/or privileges as a student. Education Code Section 76224(a) governs grievances relating to course grades.

Section 76224(a) provides:

"When grades are given for any course of instruction taught in a community college district, the grade given to each student shall be the grade determined by the instructor of the course and the determination of the student's grade by the instructor, in the absence of mistake, fraud, bad faith, or incompetence, shall be final."

Before filing a grievance, each student with a complaint should first try to resolve the problem informally by contacting and discussing the matter with the person involved. If that effort fails and the complaint involves a faculty member, the student should contact the appropriate department chairperson next, and then contact the appropriate Dean of Academic Affairs if the matter is not resolved.

If the complaint involves a staff member and is not resolved after discussing the matter with the staff member, the student should contact the person's immediate supervisor or manager.

The Student Grievance link on the college website explains the purpose of the student grievance and the process to resolve and initiate the grievance and other complaint processes (*visit www.wlac.edu/Policies/Grievance.aspx*) Students needing assistance with the grievance process can contact the ombudsperson for support. Students also have the option to request a student advocate who assists the complainant with the grievance process. In compliance with the recent Title IX regulations changes effective July 1, 2015, both the District and the College have designated Title IX compliance officers who students, faculty or staff may contact to collect resources or to submit Title IX-related complaints; both the District and College websites post contact information for the Title IX compliance officers (see web site link 5 – this is what I'm making with Glenn).

PRESIDENTIAL COMPLAINT PROCESS

The College has a review process for complaints that do not fall under any of the enumerated categories. The procedure is outlined as an internal operational policy:

Within 90 days from the start of the investigation, a written decision is mailed to both the complainant(s) and the alleged offender(s) from the College president's office. Following the final written decision, the College president initiates discipline, if appropriate. If the complainant is not satisfied with the written decision, he or she may appeal to the District's governing board within 15 days by writing an appeal to the District chancellor's office. Records of these types of investigations, including the compliance officer's investigation report and the College president's written decisions are securely maintained in the College president's office.

To contact the President's Office, visit the CE Building – Academic Affairs or call (310) 287-4325.

ACADEMIC POLICIES

ENROLLMENT AND ATTENDANCE DISTRICT POLICIES

OPEN ENROLLMENT

Unless specifically exempt by law, every course for which state aid is claimed is fully open to any person who has been admitted to the College and who meets the appropriate academic prerequisites.

UNITS OF WORK/STUDY LOAD

Study List Limitations

Maximum and minimum unit requirements may apply, as follows:

Unit Maximum: The maximum study load is 18 units during a regular semester and 9 units during a Summer or Winter Intersession. This includes enrollment at other LACCD campuses. The normal class load for students in the Fall or Spring Semester is from 12 to 18 units a semester for full-time students. A college program of 15 units is equal to at least a 50-hour work week for most students. Students who desire to take 19 or more units must obtain approval from a counselor.

Students who will be employed while attending college should consider reducing their unit load accordingly. It is suggested that students who are employed full-time should enroll in no more than one or two classes, or 9 units' maximum.

Unit Minimum: A student must be enrolled in at least one course per term.

ATTENDANCE STATEMENT

Only students who have been admitted to the college and are in approved active status may attend classes.

Students should attend every meeting of all classes for which they register. To avoid being dropped from class, students should contact the instructor when they are absent for emergency reasons.

Students who are registered in a class and miss the first meeting may lose their right to a place in the class, but the instructor may consider special circumstances. Whenever students are absent more hours than the number of hours the class meets per week, the instructor may drop them from class. In addition, the instructor will consider whether there are mitigating circumstances which may justify the absences.

If the instructor determines that such circumstances do not exist, the instructor may exclude a student from the class. Students are encouraged to advise their instructors of anticipated absences.

Note: Students are responsible for officially dropping a class that they stop attending. See "Adding/Dropping/ Section Transfer of Classes" below.

Auditing

Students may be permitted to audit a class under the following conditions:

1. Single audit classes require a fee of \$15 per unit. There is no withdrawal from an audit or refund of the audit fee.
2. Students who are enrolled in 10 units of credit or more may audit up to three units without charge.
3. Students auditing a course shall not be permitted to change their enrollment in that course to receive credit for the course.
4. Priority in class enrollment shall be given to students desiring to take the course for credit.
5. Permission to enroll in a class on an audit basis is at the instructor's discretion.
6. Participation in class activities by student auditors will be solely at the discretion of the instructor, who may provide a written statement of the extent of participation allowed beyond observation. (Board Rule 6706.00)
7. Financial Aid may not waive any fees for audited courses.

CONCURRENT ENROLLMENT

A student may simultaneously enroll at both West Los Angeles College and a high school or another college.

The following, however, are not permitted:

- Concurrent enrollment in more than one section of the same course during a semester, with the exception of certain classes on a limited basis.
- Enrolling in classes scheduled or conducted during overlapping times.

Violation of this regulation will result in exclusion from class and denial of course credit in both courses/ sections. Additionally, violators will be subject to disciplinary action. See the "Student Conduct" section in this catalog.)

A limited number of eligible elementary and secondary school students (grades K-12) may be admitted as

special part-time students. These students will be admitted for the purpose of enrolling in advanced

scholastic or vocational work at the college, under the provisions of Education Code sections 48800, 48800.5 and 76001. Students admitted under the provisions of this regulation are expected to follow the regulations and procedures established for all college students.

Special part-time students:

- Will submit the "Supplemental Application for Admission for Students in Grades K-12" and additional documents requested by Admissions & Records prior to enrollment.
- Will not exceed 11 units per semester across the Los Angeles Community College District. Exceeding the enrollment limit forfeits special part-time status and will result in tuition fees for all units taken.

The Los Angeles Community College District and its colleges are not responsible for the supervision of minor students outside of the classroom setting. Special part-time admits will not be afforded any special consideration or supervision as a result of their special admission status.

Parents are responsible for ensuring that their children are appropriately supervised before class begins, after class finishes, and if or when a class is cancelled and/or dismissed early.

Parents or guardians will not have access to a student's records (including grades and transcripts) without the student's written consent, the student's minor status notwithstanding.

FINAL EXAMINATIONS

The college assumes that a student registers in good faith for a full semester's work inclusive of all course requirements. The College Calendar clearly indicates the beginning and the end of each semester, and the instructional program is predicated upon this time plan.

All students, as a part of their course work, are required to take final examinations in all subjects in accordance with an examination schedule made available each semester by the Office of Academic Affairs. No student will be excused from final examinations.

No special final examinations are given at times other than scheduled except through the Office of the Vice President of Academic Affairs, and no such examination will be offered before the scheduled examinations.

ADDING/DROPPING/SECTION TRANSFER OF CLASSES

ADDING CLASSES

Only students who have been admitted to the college and are in approved active status may add or attend classes. Students who want to add a course after the end of the first week of class must obtain an add permit from the instructor.

DROPPING CLASSES

Students wanting to drop one or more classes must do so through the Student Information System (SIS) at www.wlac.edu.

Please refer to the current schedule of classes for semester drop date deadlines.

A grade (A, B, C, D, F, P, INC, or NP) will be assigned to students who are enrolled past the end of the 14th week, even if they stop attending class, except in cases with extenuating circumstances. After the last day of the 12th week for a 16-week semester (or 75% of the time the class is scheduled, whichever is less), students may withdraw from class upon petition demonstrating extenuating circumstances, and after consultation with appropriate faculty.

SECTION TRANSFER

Students may transfer from one section of a class to another section of the same class in the same semester with the approval of the instructor of the class being transferred to. In addition, the class must have the same start and end dates.

WITHDRAWAL FROM THE COLLEGE

The college recognizes that a student does not leave college for superficial reasons. Students in need of advice should see a counselor prior to withdrawal.

Official withdrawal requires that a student drop one or more classes through the online Student Information System (SIS) at www.wlac.edu. A student who does not comply with these requirements may receive failing grades.

See the College Calendar in the current schedule of classes for the deadlines for withdrawal. Information on class withdrawal policy is included under "Grading Symbols and Definitions Policy" below.

Please see "Limit of 3 Attempts" course repetition policy for more information.

LIMITATIONS ON PETITIONING FOR EXAMINATION

The maximum number of units for which a student may petition for credit by examination at the College is 15 units (Board Rule 6704.10). The same 15-unit maximum applies toward meeting graduation requirements (Board Rule 6704.11). Units for which credit is given pursuant to the provision of this section shall not apply toward the 12 units of residence (Board Rule 6704.12). No more than one challenge per course will be permitted.

The student's record shall be annotated "Credit by Examination", and Credit by Examination grades shall be entered on the student's record as "P" for passing and "NP" for not passing (Board Rule 6704.13). A student who does not pass the exam for a course may not repeat the exam. (Board Rule 6704.14). Students may need to enroll in a special Credit by Exam course to obtain credit, and students will be responsible for any tuition fees.

Credits acquired by examination are not applicable to meeting such unit load requirements as selective service deferment, veterans, or Social Security benefits.

COURSE REPETITION

DROPPING/WITHDRAWING & REPEATING CLASSES

Limit of 3 Attempts -- Effective July 2012, Title V regulations limit the number of times a student can enroll in a non-repeatable credit course to three (3) attempts. Opting for a "W" in a class or earning a grade of "D" or "F" all count as attempts. If a class is dropped prior to the "No Penalty" withdrawal date so that no "W" is received, it will NOT count as an attempt at the class.

For more information on this policy, exceptions, and how to petition, visit [www.WLAC.edu/SSSP/news-updates.aspx#course repetition](http://www.WLAC.edu/SSSP/news-updates.aspx#course%20repetition). The web page also addresses making wise class selections and deciding when and whether to drop a class.

DROPPING CLASSES

Students should use the online Student Information System to drop a class or classes they no longer plan to attend. Students should write down the confirmation number for their records or print it. It is the students' responsibility to drop a class. Failure to drop a class in a timely manner may result in a "W" or an "F" on your academic record. You may also be held accountable for payment of all fees whether you attend or do not attend class. Deadlines for dropping a class with no "W" or with a "W" are published in the class schedule every semester and online at www.wlac.edu.

REPEATING CLASSES

If you are enrolling in a class in Art, Dance Techniques, Kinesiology or Theater, please read below:

Course Families

Students enrolled in 'active participation courses' in physical education, visual arts or performing arts are limited to 4 enrollments per 'family.' Failures and withdrawals all count as enrollments.

If you are a student enrolling in classes in one of these areas, please check the academic department for updates on which restrictions apply to courses in your area.

Special Circumstances

Repetition of courses for which a grade of "C" or better has been recorded shall be permitted only upon advance petition of the student, and with written permission of the College President or designee based on a finding that circumstances exist which justify such repetition. In such repetition under special circumstances, the student's permanent academic record shall be annotated in such a manner that all work remains legible. Grades awarded for repetition under special circumstances shall not be counted in calculating a student's grade point average.

To Improve Substandard Grades

Students may repeat coursework in which substandard grades ("D," "F," or "NP") were awarded in the District. This policy only applies to courses taken at colleges within the Los Angeles Community College District. Other institutions may differ, and students planning to transfer to another college should contact the institution regarding its policy. Courses completed through the provisions of Board Rule 6704 (Credit by Examination) may not be used to remove a substandard grade.

CREDIT FOR COURSES COMPLETED AT NON-ACCREDITED INSTITUTIONS

Students transferring from non-accredited institutions may, after successful completion of 30 units with a "C" or better grade-point-average, apply for up to 15 units of credit courses which parallel the course offerings of the college.

The following exceptions may be made to this regulation:

1. Credit for Military Service

Students who are currently serving in or have served in the military may, after successful completion of at least one course with the Los Angeles Community Colleges, request an evaluation of credit earned through military service training schools and/or military occupational specialties.

Elective credit for military service will not include subject credit for a Health Education requirement.

No grade points will be given for military credit. Students may petition for their one-unit activity requirement to the Kinesiology department.

2. Elective Credit for Military Training

Six units of elective credit for military service will be approved upon petition for graduation if the following conditions are met:

- a) Complete a minimum of 12 units at West Los Angeles College.
- b) Are currently enrolled.
- c) Serve 181 days or more in the armed services.
- d) Present an Honorable Discharge (DD 214) form.

3. Credit for Law Enforcement Academy Training

- a. Credit for basic recruit academy training instructional programs in Administration of Justice or other criminal justice occupations shall be granted as follows:
 - b. Credit will be given for training from institutions which meet the standards of training of the California Peace Officers Standards and Training Commission.
 - c. Credits granted by an institution of higher education for basic recruit academy training under the above provisions shall not be identified as equivalent to any required course in the major.

CREDIT FOR COURSES TAKEN AT INSTITUTIONS OF HIGHER LEARNING OUTSIDE OF THE UNITED STATES

1. After completion of 12 units within the Los Angeles Community College District with a "C" (2.0) or higher grade point average, a student may submit a petition to have course work completed at institutions of higher education outside the United States accepted by the college.
2. A maximum of the equivalent of 30 semester units may be accepted for course work completed at an institution of higher education outside the United States.
3. A student petitioning for credit must provide an evaluation of their transcripts completed by an independent transcript evaluation service approved by the California Commission on Teacher Credentialing. Please see the Evaluation Office in Admissions and Records for a list of approved agencies
4. Course descriptions along with topics covered, hours, and prerequisites, if applicable, must also be included.
5. If course equivalency is granted, the courses shall be used for all degrees and certificates awarded by colleges in the LACCD, except that:
 - a. No course taken outside the US may be used to satisfy the Associate Degree's Reading and Written Expression or Oral Communication Requirement.
 - b. No course taken at institutions of higher learning outside the US may be used to satisfy Associate Degree's American Institutions requirement.
 - c. In cases where course credit is not granted for the Written Expression, Oral Communication, or American Institutions requirements, students may petition to receive elective credit.

This evaluation is only valid in the Los Angeles Community College District and may not necessarily meet the requirements of other colleges and universities. Those wishing to transfer should consult with their prospective transfer institution.

CATALOG RIGHTS

A student remaining in continuous attendance in the Los Angeles Community College District may elect to satisfy the degree, certificate or graduation requirements in effect at the college from which the student will either earn his/her degree, certificate or graduate:

1. at the time the student began such attendance at the college, or
2. at the time of graduation.

The college may develop a policy to:

1. authorize or require substitutions for discontinued courses; or
2. require a student changing his/her major to complete the major requirements in effect at the time of the change;
2. allow students to select an intervening catalog in years between time student began continuous attendance and time of graduation.

This policy does not apply to college programs which are governed or regulated by outside government agencies or which require licensure or certification through one of these agencies.

CONTINUOUS ATTENDANCE

"Continuous attendance" means no more than one semester absence within a school year, excluding Summer Sessions and Winter Intersession. Students granted a "military withdrawal" under the provisions of Board Rule 6701.10, will be considered to be in "continuous attendance" for their required period of military service.

GRADES AND GRADE CHANGES

The instructor of the course shall determine the grade to be awarded to each student in accordance with the following Grading Symbols and Definitions Policy. The determination of a student's grade by the instructor is final in the absence of error, fraud, bad faith, or incompetence. The removal or change of an incorrect grade from a student's record shall only be done upon authorization by the instructor of the course.

In the case of fraud, bad faith, or incompetence, the final decision concerning removal or change of grade will be made by the College President or designee after the grievance procedure is completed.

ACADEMIC POLICIES

See "Student Grievance Procedure" under the "Student Conduct" section.

Only the symbols in the grading scale given in this section shall be used to grade all courses offered in fulfillment of the requirements for an associate or baccalaureate degree, certificate, or license.

Grades shall be averaged on the basis of point equivalencies to determine a student's Grade Point Average (GPA), using the following evaluative symbols:

(P and NP grades may be given only in courses authorized by the District, Pass/No Pass Option and Credit by Examination Policies.)

The following non-evaluative symbols may be entered on a student's record:

SYMBOL	DEFINITION	GRADE POINT
A	Excellent	4.00
B	Good	3.00
C	Satisfactory	2.00
D	Passing (Less than Satisfactory)	1.00
F	Failing	0.00
P	Pass (At least satisfactory - units not counted in GPA)	
I	Incomplete	
NP	No Pass (Less than satisfactory - units not counted in GPA)	
W	Withdrawal (the "W" symbol may be used to denote withdrawal in accordance with the requirements of section 55024.)	
MW	Military Withdrawal (the "MW" symbol may be used to denote Military Withdrawal in accordance with section 55024)	

Board Rule Chapter VI Article VII Section 6700

"INC" INCOMPLETE

Incomplete academic work for unforeseeable, emergency, and justifiable reasons at the end of the term may result in an "I" symbol being entered in the student's record. The condition for removal of the "I" and the grade which is assigned in lieu of shall be stated by the instructor in an Incomplete Grade Record.

This record shall be given to the student, with a copy on file in the college Admissions Office until the "I" is made up and a final grade assigned, or when one year has passed. The "I" symbol shall not be used in calculating units attempted nor for grade points. **The "I" may be made up no later than one year following the end of the term in which it was assigned.** The student may petition for a time extension due to unusual circumstances.

Note: Courses in which the student has received an incomplete ("INC") may not be repeated unless the "INC" is removed and has been replaced by a grade of "D" or "F." This does not apply to courses which are repeatable for additional credit.

"IP" IN PROGRESS

The "IP" symbol shall be used only in those courses which extend beyond the normal end of an academic term. It indicates that work is "in progress," but that assignment of a grade must await the course completion. The "IP" symbol shall remain on the student's permanent record in order to satisfy enrollment documentation. The appropriate evaluative grade and unit credit shall be assigned and appear on the student's record for the term in which the required work of the course is completed. The "IP" shall not be used in calculating grade point averages.

"W" WITHDRAWAL

Withdrawal from a class or classes shall be authorized through the last day of the fourteenth week of instruction or 75% of the time the class is scheduled to meet whichever is less.

No notation ("W" or other) shall be made on the record of a student who withdraws before the census date of the course.

Withdrawal between the end of the fourth week (or 30% of the time the class is scheduled to meet, whichever is less) and the last day of the fourteenth week of instruction (or 75% of the time the class is scheduled to meet, whichever is less) shall be authorized after informing the appropriate faculty. A student who remains in class beyond the fourteenth week or 75% of the time the class is scheduled shall be given a grade other than a "W", except in cases of extenuating circumstances.

After the last day of the fourteenth week (or 75% of the time the class is scheduled, whichever is less) the student may withdraw from class upon petition demonstrating extenuating circumstances and after consultation with the appropriate faculty.

Extenuating circumstances are verified cases of accidents, illness, or other circumstances beyond the control of the student. Withdrawal after the end of the

fourteenth week (or 75% of the time the class is scheduled, whichever is less) which has been authorized in extenuating circumstances shall be recorded as a "W".

For purposes of withdrawal policies, the term "appropriate faculty" means the Instructor of Record for each course in question or, in the event the instructor cannot be contacted, the department chair or equivalent faculty officer.

The "W" shall not be used in calculating units attempted nor for the student's grade point average.

"W's" will be used as factors in progress probation and dismissal.

A "W" shall not be assigned, or if assigned shall be removed, from a student's academic record, if a determination is made that the student withdrew from the course due to discriminatory treatment or due to retaliation for alleging discriminatory treatment or that the student withdrew because he or she reasonably believed that remaining in the course would subject him or her to discriminatory treatment or retaliation for alleging discriminatory treatment.

A student may not withdraw and receive a "W" symbol on his or her record more than three times for enrollment in the same course. A student may enroll again in the same course after having previously received the authorized number of "W" symbols in the same course, if a designated college official approves such enrollment after review of a petition filed by a student.

"MW" MILITARY WITHDRAWAL

"Military Withdrawal" occurs when a student who is a member of an active or reserve United States military service receives orders compelling a withdrawal from courses. Upon verification of such orders, a withdrawal symbol may be assigned at any time after the period established by the governing board during which no notation is made for withdrawals. The withdrawal symbol so assigned shall be a "MW".

1. Military withdrawals shall not be counted in progress probation and dismissal calculations.
2. MW shall not be counted towards the permitted number of withdrawals.

The District shall refund the entire enrollment fee unless academic credit has been awarded.

PASS/NO PASS OPTION

The College President has designated courses in the college catalog wherein all students are evaluated on a "Pass/No Pass" basis, or wherein each student may elect no later than the end of the first 30% of the term, whether the basis of evaluation is to be "Pass/No Pass" or a letter grade. These courses will be noted in the college catalog as being eligible for the Pass/ No Pass option.

1. USAGE FOR A SINGLE PERFORMANCE STANDARD

The Pass/No Pass grading system shall be used in any course in which there is a single satisfactory standard of performance for which unit credit is assigned.

A grade of Pass (P) shall be assigned for meeting that standard, and a grade of No Pass (NP) shall be assigned for failure to do so.

2. ACCEPTANCE OF CREDITS

All units earned on a "Pass/No Pass" basis at accredited California institutions of higher education or equivalent out-of-state institutions shall be counted in satisfaction of community college curriculum requirements.

3. RECORDING OF GRADE

A student who is approved to be evaluated on the "Pass/No Pass" basis shall receive both course credit and unit credit upon satisfactory completion of the course. Satisfactory completion for credit is equivalent to the grade of "C" or better. A student who does not perform satisfactorily will be assigned a "No Pass" (NP) grade.

4. GRADE POINT CALCULATION

Units earned on a "Pass/No Pass" basis SHALL NOT be used to calculate grade point averages. However, units attempted for which "No Pass" (NP) is recorded shall be considered in probationary and dismissal procedures.

5. STANDARDS OF EVALUATION

The student who is enrolled in a course on a "Pass/No Pass" basis will be held responsible for all assignments and examinations required in the course, and must meet the standards of evaluation, which are identical for all students.

6. COURSE REPETITION

A student who has received a grade of "No Pass" (NP) may repeat the course by meeting the requirements set forth by the District Course Repetition to Improve Substandard Grades policy.

ACADEMIC POLICIES

REGULATIONS FOR PASS/NO PASS OR PASS/FAIL

Not all courses will be offered on a "Pass/No Pass" basis. Determination of courses will be made by the college President. A maximum of 15 units of "Pass/ No Pass" work may be used towards the Associate's Degree. A maximum of one course per semester may be taken for "Pass/No Pass." However, this restriction does not apply to students who already possess a bachelor's or higher degree.

"Pass/No Pass" may not be used for courses required toward a certificate, Associate's Degree major or transfer preparation for a major and/or certification, or as a prerequisite for another course.

English 101 may not be taken for "Pass/No Pass." CSU will allow no more than 30 units total "Pass" graded courses toward the bachelor's degree.

A limited number of units of "Pass/No Pass" can be applied toward transfer to UC campuses. Please consult a West counselor or the Transfer Center for specific information.

Students must notify the Admissions Office by the end of the 5th week of the course if they wish to take a course "Pass/No Pass;" otherwise, all courses are for a letter grade. This decision will be irrevocable.

"Pass/No Pass" is similar to Pass/Fail. A passing grade is granted for performance which is equivalent to the letter grade of "C" or better. Students electing "Pass/ No Pass" grading should be aware that although such grades are not calculated into the grade point average at West Los Angeles College, four-year colleges, in considering applications for admission, may consider the Pass grade as the equivalent of "C." Consultation with a counselor is advisable before making such elections.

ACADEMIC STANDARDS AND CREDIT POLICIES

ACADEMIC RENEWAL

A student may submit a petition to the Admissions and Records Office to have their academic record reviewed for academic renewal action of standard academic performance under the following conditions:

1. A student must have achieved a grade point average of 2.5 in their last 15 semester units, or 2.0 in their last 30 semester units completed at any accredited college or university, and
2. At least one calendar year must have elapsed from the time the course work to be removed was completed.

If the above conditions are met, academic renewal shall be granted, consisting of:

- A. Eliminating up to 18 semester units of course work from consideration in the cumulative grade-point average; and
- B. Annotating the student's academic record indicating where courses have been removed by an academic renewal action. The permanent academic record shall be annotated in such manner that all grades assigned remain legible, ensuring a true and complete academic history.

Note: Academic renewal actions are irreversible.

GRADUATION HONORS AND AWARDS

Graduation honors and awards are to be based on the student's cumulative grade point average for all college work attempted. This policy is adopted for use in the Los Angeles Community College District only. Other institutions may differ, and students planning to transfer to another college should contact that institution regarding its policy.

ACADEMIC PROBATION POLICIES

The following standards for academic and progress probation shall be applied as required by regulations adopted by the Board of Governors of the California Community Colleges.

Probation (Board Rule 8200.10). A student shall be placed on probation if any one of the following conditions prevail:

- a. Academic Probation - The student has attempted a minimum of 12 semester units of work and has a grade point average of less than a "C" (2.0).
- b. Progress Probation - The student has enrolled in the Los Angeles Community College District in a total of at least 12 semester units and the percentage of all units in which a student has enrolled for which entries of "W" (Withdrawal), "I" (Incomplete), and "NC" (No Credit) are recorded reaches or exceeds fifty percent (50%).
- c. Transfer Student - The student has met the conditions of Section a. or Section b. at another college within the Los Angeles Community College District.
- d. Provisional Students - The student is admitted as a provisional student with probationary status pursuant to Board Rule 8100.

Appeal of Probation (Board Rule 8200.11).

A student who is placed on probation may submit a written appeal in compliance with college procedures.

Removal from Probation

(Board Rules 8201.10 and 8201.11).

A student shall be removed from probation upon meeting the criteria specified in this section.

- a. Academic Probation: A student on academic probation for a grade point deficiency shall be removed from probation when the student's accumulated grade point average is 2.0 or higher.
- b. Progress Probation: A student on progress probation because of excess units for which entries of "W" (Withdrawal), "I" (Incomplete), and "NC" (No Credit) are recorded shall be removed from probation when the percentage of units in this category drops below fifty percent (50%).

STANDARDS FOR DISMISSAL

A student shall be subject to dismissal and subsequently dismissed under the conditions set forth within this section.

Academic Probation (Board Rule 8202.10).

A student who is on academic probation shall be subject to dismissal if the student has earned a cumulative grade point average of less than 2.0 in all units attempted in each of three (3) consecutive semesters.

Progress Probation (Board Rule 8202.11).

A student who is on progress probation shall be subject to dismissal if the cumulative percentage of units in which the student has been enrolled for which entries of "W", "I", and "NC" are recorded in at least three (3) consecutive semesters reaches or exceeds fifty percent (50%).

ACADEMIC POLICIES

Dismissal (Board Rule 8202.13).

A student who is subject to dismissal shall be notified by the College President, or designee, of dismissal which will become effective the semester following notification.

Dismissal from any one college in the District shall disqualify a student from admission to any other District college.

Exceptions to Dismissal (Board Rule 8202.14).

A student who is subject to dismissal may be continued on probation under the following conditions:

- a. The dismissal determination is based on the academic record for one semester in which the record does not reflect the student's usual level of performance due to accident, illness, or other circumstances beyond the control of the student.
- b. The student selects to enroll in a prescribed corrective program designed to assist him/her in improving academic skills.

Appeal of Dismissal (Board Rule 8202.15).

A student who is subject to dismissal may submit a written appeal in compliance with college procedures. Dismissal may be postponed and the student continued on probation if the student presents evidence of extenuating circumstances or shows significant improvement in academic achievement but has not been able to achieve to a level that would meet the requirements for removal from probation.

Re-admission after Dismissal (Board Rule 8202.16).

A student who has been dismissed may request reinstatement after two semesters have elapsed. The student shall submit a written petition requesting re-admission to college in compliance with college procedures. Re-admission may be granted, denied, or postponed subject to fulfillment of conditions prescribed by the colleges. Readmitted students are returned to probationary status and will be subject to dismissal in accordance with Board Rules 8202.10 and 8202.11.
