Prerequisite/Co-Requisite:

Prerequisite: Aviation Maintenance Technician 01 thru 12 recommended.

Co-requisite: AMT13 and AMT14 must be taken concurrently.

Required textbooks:

<u>Textbook</u>	<u>Author or Publisher</u>
A.C. 65-12 (or equivalent textbooks and workbooks, as are currently available)	Department of Transportation, Federal Aviation Administration
A.C.43.13-1B/2B 14 CFR Part 43	Department of Transportation, Federal Aviation Administration
Federal Aviation Regulations for Aviation Maintenance Technicians	Department of Transportation, Federal Aviation Administration
A&P Technician Airframe Textbook and workbook	Jeppesen
A&P Technician General Textbook and workbook	Jeppesen
A&P Technician Powerplant Textbook and workbook	Jeppesen

Recommended materials/equipment:

Hydraulic Systems, Pneumatic Systems, Landing Gear, and Fuel Systems

Hand Tools, aircraft hydraulic and pneumatic systems on various WLAC aircraft are used.	Aviation textbooks
Aircraft fuel systems, filters, pumps, and equipment	Training videos, internet clips
Tires and brake equipment	Aircraft maintenance manuals
Hydraulic and pneumatic simulation boards	Simulation equipment manuals
Hydraulic filters, pumps, motors	

Course(s) description overview:

Lecture: Instruction is given in these subject areas: hydraulic and pneumatic power systems, principles and fundamentals of hydraulic power, hydraulic power systems general, hydraulic fluids and seals, fluid supply components, flow control components, miscellaneous components, typical hydraulic power systems, general pneumatic systems. typical pneumatic power systems, hydraulic, and pneumatic system summary, aircraft fuel systems: general aircraft fuel systems, single and multi-engine, aircraft fuel system components, subsystem fueling, and defueling, jettison, aircraft landing gear systems, landing gear support systems, maintenance of support systems, steering and damping systems, brake systems- independent and power, wheels, tires, tubes, and related maintenance summary.

Laboratory: This course gives the students hands on work on aircraft hydraulic, aircraft landing gear, aircraft fuel systems, aircraft pneumatic systems, and all related subsystems components. Students learn to inspect, check, service, and repair all of these systems.

Course(s) learning goals/objectives:

This course will help students achieve the following institutional Student Learning Outcomes: Students will know, understand, and apply facts, principles, theories, and concepts. Students will understand how the facts, principles, theories and concepts relate to the total operation and maintenance of aircraft. Students will be able to make independent and accurate airworthiness judgments. Perform all skill operations to a return-to service standard using appropriate data, tools, and equipment. Student will perform inspections to aircraft in accordance with acceptable or approved data.

Tentative Schedule: (October 22, 2013 – December 15, 2013)

Week 1: Introduction, Student Orientation, Course Objectives, Tests and Grading

Week 2: Fundamentals of Hydraulic Power

Week 3: Hydraulic System Components and Design

Week 4: Hydraulic Power Systems

Week 5: Aircraft Pneumatic Systems

Week 6: Aircraft Landing Gear Systems

Week 7: Landing Gear Systems Components

Week 8: Fuel systems and Components

Instructional Methods:

This course is taught using a variety of methods: lecture, class discussion, small group work, electronic discussion, and group presentations that will be part of your final exam.

Lecture and Class Participation:

Reading assignments are given in class. Lecture and class discussions will follow the order in the book being used. You are requested and encouraged to participate in the lecture classes. Participation is important and can make a difference in your grade.

Lab and Participation:

You are required to complete all lab assignments to receive a passing grade in lab. Lab projects may consist, but are not limited to, the following projects: assigned workbook assignments, group or individual lab project (assigned aircraft/components).

Grading System: A grade of "C" or better is required for FAA credit (14 CFR Part 147)

Lecture grade – all lecture subject areas tests (four) total of 80%; final exam scores (15%) and attendance/class participation (5%).

Lab grade – all lab projects includes an oral (knowledge) examination. (See grade rating scale)

Grade rating scale:

1. A (90-100%) demonstrates the ability to take accurate measurements.
2. B (80-89%) demonstrates competence in taking measurements.
3. C (70-79%) demonstrates understanding of the basic principles and procedures.
4. D (60-69%) demonstrates only partial basic understanding of correct procedure.

5. F (<70%) demonstrates no understanding of correct procedure. Incomplete lab assignments.

Policies

Attendance policy: Students will sign in upon arrival on a daily class attendance sheet provided by the instructor for each class, and the instructor will hold a roll call to verify the presence of each student (at the start of the class, after lunch and at end of the class).

There is a strong correlation between attendance and grades. Poor attendance goes along with poor grades.

You are responsible for information, exams, date changes etc. Presented in class whether you are present or not.

Minimum hours required by CFR 147.21(b) (1) (2) (3) are 400 hours for General Subjects, CFR 147.21 (C) 750 hours for Airframe Subjects and CFR 147 (D) 750 hours for Powerplant Subjects, totaling 1900 hours. (WLAC: Gen – 420, AF – 866, PP – 874)

To meet the code of Federal Regulation (**14 CFR Part 147**) related to attendance a student may be absent without make-up time as long as the total instruction hours meet the minimum hours required by 14CFR Part 147.21 General curriculum requirements (b)(1)(2)(3). **Note:** All lost time for General Curriculum Subjects Appendix B to Part 147 will require make-up time.

**** Attend the 1st class section or risk losing your seat.** Whether you enroll before or after the first day of the semester, failure to be present for the first day of classes may result in your seat being given to another student.

When a student absences or tardiness beyond **FIVE (5) DAYS** the instructor has the right to exclude the student from class at his/her discretion.

Time can be made up but it is at the **sole discretion** of the instructor, and the instructor **is not required** to allow you to make up (absences or tardiness) time.

Add slips must be completed and processed with admissions by the end of the first week of class. If you fail to do so you will be excluded from the class.

West Los Angeles College “Standards of Student Conduct” (pp. 114-115 Fall 2013 Schedule). This includes on plagiarism, classroom disruption, cell-phone noise, or other issues.

Safety Rules

Eye protection – is required by each student and must be worn at all time in labs when working on any project/operating any machinery may cause hazardous if is not worn.

Loose clothing – may not be worn in the labs as it constitutes a safety hazard.

Shoes – shoe must be worn in all lab classes. Sandals and open toe shoes are not acceptable in labs.

Recommendations for student success:

- 1. Be in class every day, on time, and stay for the entire time.**

2. **Be prepared to work, and have your tools with you.**
3. **Learn to be organized.**
4. **Study and review for each day.**
5. **Keep up in the workbooks and do not fall behind.**
6. **Find someone in the class you can call if you miss a class so you know what is happening with the class.**
7. **If you do not know, ask. Remember the only stupid question is the one you did not ask! Keep in mind that nobody knows everything, so ask your question because the person seating next to you may not know!**

Standards of Student Conduct

The West LA College faculty, staff and administrators are dedicated to maintaining an optimal learning environment and will not tolerate any disruptive behavior in or outside of the classroom or any academic dishonesty. These standards apply to all students.

Disruptive, disrespectful, or obstructive behavior will be dealt with in accordance with the LACCD Standard of Student conduct. Disciplinary action can be taken if student behavior interferes with instruction. (Please refer to the Fall 2013 Schedule of Classes pages 114-115.)

- Warning—A verbal or written notice, given to the student by the instructor.
- Removal by the Instructor—An instructor may remove a student from class for the day of the incident and the next class meeting. During the period of removal, the student shall not return to the class from which he or she was removed without the permission of the Vice President of Student Services.

*** Standards of Student Conduct - Things to know on code of conduct ***

STANDARDS OF CONDUCT. A student enrolling in one of the Los Angeles Community Colleges may rightfully expect that the faculty and administrators of the Colleges will maintain an environment in which there is freedom to learn. This requires that there be appropriate conditions and opportunities in the classroom and on the campus. As members of the college community, students should be encouraged to develop the capacity for critical judgment, to engage in the sustained and independent search for truth, and to exercise their rights to free inquiry and free speech in a responsible, non-violent manner. In the furtherance of the students' interest in free inquiry and the search for truth, it is also important that students be able to hear the views of non-students and engage in the free exchange of ideas with non-students.

All persons shall respect and obey civil and criminal law, and shall be subject to legal penalties for violation of laws of the city, county, state and nation. All persons shall respect and obey the rules, regulations and policies of the Los Angeles Community College District. A record will be kept of all persons who use the facilities or grounds of the college.

Conduct in all of the Los Angeles Community Colleges must conform to District and college rules and regulations. Violations of such rules and regulations may result in disciplinary action depending on the individual's status as student, faculty, staff or visitor. Violations of such rules and regulations include, but are not limited to, the following:

1. Willful Disobedience. Willful disobedience to directions of college officials acting in the performance of their duties.

5. College Documents. Forgery, alteration or misuse of college documents, records or identification.
6. Disruption of Classes or College Activities. Obstruction or disruption of classes, administration, disciplinary procedures or authorized college activities.
7. Theft of or Damage to Property. Theft of or damage to property belonging to the college, a member of the college community or a campus visitor.
8. Interference with Peace of College. The malicious or willful disturbance of the peace or quiet of any of the Los Angeles Community Colleges by loud or unusual noise or any threat, challenge to fight, fight, or violation of any rules of conduct as set forth in this Article. Any person whose conduct violates this section shall be considered to have interfered with the peaceful conduct of the activities of the college where such acts are committed.
9. Assault or Battery. Assault or battery, abuse or any threat of force or violence directed toward any member of the college community or campus visitor engaged in authorized activities.
10. Alcohol and Drugs. Any possession of controlled substances which would constitute a violation of Health and Safety Code section 11350 or Business and Professions Code section 4230, any use of controlled substances the possession of which are prohibited by the same, or any possession or use of alcoholic beverages while on any property owned or used by the District or colleges of the District or while participating in any District or college-sponsored function or field trip. "Controlled substances," as used in this section, include but are not limited to the following drugs and narcotics:
 - a) opiates, opium and opium derivatives
 - b) mescaline
 - c) hallucinogenic substances
 - d) peyote
 - e) marijuana
 - f) stimulants and depressants
 - g) cocaine
11. Lethal Weapons. Possession, while on a college campus or at a college-sponsored function, of any object that might be used as a lethal weapon is forbidden all persons except sworn peace officers, police officers and other governmental employees charged with policing responsibilities.
12. Discriminatory Behavior. Behavior while on a college campus or at a college-sponsored function, inconsistent with the District's Nondiscrimination Policy, which requires that all programs and activities of the Los Angeles Community College District be operated in a manner which is free of "Prohibited Discrimination," defined as discrimination or harassment in violation of state or federal law on the basis of actual or perceived ethnic group identification, race, color, national origin, ancestry, religion, creed, sex (including gender-based sexual harassment), pregnancy, marital status, cancer-related medical condition of an employee, sexual orientation, age, physical or mental disability, or veteran status..

13. Unlawful Assembly. Any assemblage of two or more persons to 1) do an unlawful act, or 2) do a lawful act in a violent, boisterous or tumultuous manner.

14. Conspiring to Perform Illegal Acts. Any agreement between two or more persons to perform illegal acts.

15. Threatening Behavior. A direct or implied expression of intent to inflict physical or mental/emotional harm and/or actions, such as stalking, which a reasonable person would perceive as a threat to personal safety or property. - d. Negligent behavior which creates an unsafe environment.

Cell Phones and Lap Tops

Cell phones must be on vibrate, as a courtesy to your classmates and your professor. It is not acceptable to take phone calls or text in class. If you have to answer an emergency phone call, please step out of the classroom. You may take notes in class on your laptop, but do not let that be a distraction to participating in class.

Electronic Mail

E-mail is the official method of communicating with you. Every WLAC student has an e-mail address. Check your Student.LACCD@Edu account daily/weekly. To access your account visit www.wlac.edu, and click on the Student Email button. To log in use your student ID # and your birthday and month. Your Student.LACCD@Edu email can be forwarded to any other personal email account.

Dropping the course

According to college policy, you will be excluded for excessive absences or for not following the Standards of Student Conduct (printed in the Schedule of Classes).
