Final grades are determined by percentage:
100-90A
89-80B
HEALTH 11 – Course Evaluation Criteria

The following criteria are provided to help you understand how you will be evaluated in this class, and what is expected of you.

Research Paper:
This is a college level research paper on a health-related topic. This paper will include a cover page (title, name, date & course), body and reference page (bibliography). The body should be a minimum of 5 typed pages with one inch margins and font size of 12. The reference page will include 5 references with at least one being a bibliographical reference. Papers will become due by the end of the semester. The research paper is worth 100 points.

Assignments:
Are exercises intended to help increase your knowledge base of the main topics in the chapter. Assignments are worth 10 points each.

Quizzes:
There will be a quiz after each chapter (one for each module, 14 total). The quiz will consist of multiple choice and true and false questions. Each quiz will be worth 20 points.

Midterm and Final Exam:
Exams will be cumulative and cover all chapters up to the exam (i.e. The final will cover every chapter covered in class). Each exam will consist of multiple choice, true/false and matching questions. There are No Make ups Exams for those students who miss the due date!! The midterm is worth 100 points. The final is worth 200 points.

Course policy:
It is the student’s responsibility to contact the instructor if an emergency arises. It is also the student’s responsibility to drop any class they no longer wish to attend. Failure to drop any unwanted class, will result in a failing grade.

It is expected that all students participate in class each week.

All assignment must be turned in by 11 pm on the last day of class. No exceptions.

Do not be intimidated by the amount of work in this class. Stay on schedule and you will do well.

**Your instructor reserves the right to amend any of these criteria as he deems necessary. Any changes will be announced via private message in the virtual class. **
