Class Policies (The Rules):

Attendance:
Only 1 absence allowed. After that you could be dropped. 2 times late is equal to 1 absence. YOU SHOULD NEVER SCHEDULE A CAMPUS APPOINTMENT DURING SCHEDULED CLASS TIME. It will count as an absence for grading.

Walking in and out of class:
This class is not 3 hours long. You need to use the restroom and eat before coming into the room. Walking in and out is rude, as is throwing trash away while class is in session. If you have an emergency (which would be rare), go quietly and return quietly. I will be noting frequency and deducting points. ANYONE who makes a habit of leaving the classroom without medical reasons known to the instructor may be asked to leave the class.

Be prepared:
You need to start making a list the night before of materials you will need the next day. Your notebook and packet and a pencil are required at every class session. Without them you will not be able to fully participate and will lose points.

NO Technology:
Unless used to take notes with my permission. No cell phones, no texting, no talking, no music on an I-pod.

You must learn to do without these distractions here and in the workplace.

Disruptive and Rude Behavior:
Respect for others is RULE 1. Swearing, vulgar language and inappropriate topics will NOT be tolerated in this class or on a job. College discipline is as follows:
1rst offense: A warning 2nd offense: a 2 day suspension
Since only one absence is allowed, you will not receive credit.

Positive Environment:
You need to listen with respect to another’s questions and comments. There will be no negative comments or laughter that
shows disrespect. No questions are foolish or wrong in his room. Comments should be on topic and brief.
