

GET YOUR CSEP

If you will complete 15 units or your third semester this Spring, you are in jeopardy of having your enrollment priority changed to one of the lowest levels. To avoid this undesirable change, you must get a “CSEP” on file with the Counseling Division. Failure to do so may adversely affect your Financial Aid and ability to enroll in the classes you need.

**Don't jeopardize your
PRIORITY registration!
COMPLETE THE "CSEP"**

SPECIAL CSEP APPOINTMENTS AVAILABLE:

What is a CSEP?

- A CSEP is a Comprehensive Student Educational Plan required for ALL students attending WLAC.
- **Not having a CSEP on file will jeopardize your place in line to register.**
- A CSEP is developed with a counselor and will help you identify and/or clarify your goals, consider career options and map out your courses for each semester.
- The Abbreviated Student Education Plan you may have received during Orientation/Assessment is NOT sufficient to meet the CSEP requirement.

What should you do?

Come to the Counseling Office (SSB 350) to make an appointment or call (310) 287-7242.
