The C2C program is for individuals with an intellectual disability ID/DD and unique abilities who wish to improve basic skills and develop work skills through college courses of the College and Career Preparation Division, and the campus offerings at large.

The program is for current and prospective West Los Angeles College students.

## *Our West Excellence*

College to Career supports education-related to employment goals, with a strong focus on building skills leading to employment by the completion of the program and ability to work, with decreasing support, in an independent, integrated placement following the C2C program.

West fosters a diverse learning community dedicated to student success.

Through quality instruction and supportive services, the College develops leaders who encourage excellence in others.

A West education enriches students with the knowledge and skills needed to earn certificates and degrees, to transfer, to build careers, and to pursue life-long learning.

# Uniquely Abled

The Uniquely Abled Project (UAP) is a transformative collaboration on campus at West LA College in partnership with the business community. The focus is on creating vocational opportunities for the uniquely abled by matching their unique abilities to jobs in demand. We differ from other job programs because our students go through a comprehensive training with college courses and job readiness preparation.

## *Employment & College Readiness*

Students will complete Basic Skills and Vocational Education classes within the College and Career Preparation Division. Students work to earn CDCP certificates beginning with the College Readiness Certificate upon completing four classes within their first semester.

## *West Engagement*

- Individualized Educational Planning
- Tailored Case Management
- Individualized Team Meetings
- Career Exploration
- Integrated Community Based Instruction
- Employment Preparation
- Internship and Work Experience
- Becoming an active part of your college campus and community & more!

*Achieve With Us Today:*

Submit a UA application to [uniquely-abledinfo@wlac.edu](mailto:uniquely-abledinfo@wlac.edu).
