GOT PELL... up to \$6,095

Up to \$6,095 for living expenses each year for up to 6 years is available for many low income students through the Pell Grant program.

If you qualify for a fee waiver, you probably qualify for a Pell Grant.

SHOCKING FACT: 58% of West students qualify for these grants but only 20% claim the funds. Why?!

"I'd have to complete the FAFSA
...It's confusing

...I don't have tax returns"

We've got workshops to walk you through the application and the process and what to do if you have no tax returns.

"I'm saving it for the university"

You have 6 years of eligibility with Pell. If you can't pay your living expenses, the stress could impact your ability to succeed in class or cause you to drop out ending your plans to transfer.

"I don't want a lot of debt"

Generally, you never have to pay back grants
