

Last year, through your generous participation in the WestGives! toy campaign, you brought holiday joy to 108 children affiliated with West's several campus support agencies, including CalWORKS/GAIN, EOPS/CARE, TRIO programs, and the Child Development Center.

**From now through December 7**, you are invited to visit the WestGives! website and select a child (or children) for whom you would enjoy purchasing a gift. A maximum cost of \$25 per gift is suggested. Upon confirming your selection, you will receive a follow-up letter from **WestGives@gmail.com** with further information about delivery and distribution.

*Thank you for considering including a WestGives! child on your holiday giving list.*
