

# Cruza el Puente to Success

Puente (Bridge) is designed to help freshman progress successfully through West to reach their transfer and/or career goals.

This learning community embraces the Latino cultural experience and provides academic and support services components

- ✓ **Financial Aid & Scholarship Assistance**
- ✓ **Mentoring & Career Counseling**
- ✓ **Group & Individual Tutoring**
- ✓ **Personal Development Classes**  
Learn how to develop and reach goals, utilize college resources, and identify potential career paths.
- ✓ **English Composition**  
Achieve college level writing skills through Hispanic and Latino literature

The  
**PUENTE**  
PROJECT was  
founded at a community  
college in 1981. Today, the  
program serves over 90 community  
colleges and high schools throughout  
California. In the last several years,  
the percent of **PUENTE** participants who  
transferred to universities has exceeded the  
general rate of California Community College  
students who transferred to universities.
