OR DO YOU SHOP AT RALPH'S?

- If you shop at Ralph's and have a Club card, register your Ralph's Club Card at the register or online at www.ralphs.com.
- Click on Community Contributions on the left side of the page and then click on Participants.
- Enter the requested data and use the Foundation's NPO number - 90323
- Every time a registered cardholder shops for groceries and swipes their card, the Foundation will automatically earn a rebate.

If 100 families each spend \$100 per week on groceries and participate in the program,
**over \$10,000 per year would be
contributed to the WLAC Foundation.**
