

WEST LOS ANGELES COLLEGE * ACADEMIC SENATE

Senate Goals for 2008-2009

- Promote the implementation of the college's *Educational Master Plan* goals and assist in the development a research agenda to measure progress.
- Provide leadership in areas related to design-build decisions for the new construction of classrooms and the Teaching and Technology Building.
- Provide leadership to *Accreditation Progress Reports* and standards by appointing committee co-chairs and offering periodic reports to the Senate.
- Facilitate plans for automating the *Program Review Process*.
- Assist with the hiring process for all full-time faculty positions authorized by the college.
- Support the college's transfer activities and its basic skills initiatives.
- Adopt an updated and revised Senate Constitution no later than December 31, 2009.
- Maintain active and fully functioning Senate committees throughout the academic year; secure broad participation from new and continuing faculty.
- Confirm appointments to the Senate *Committee on New Program Development* and assure that college faculty and staff understand its role and function.
- Reduce the number of out-of date course outlines by 50 percent.
- Increase the number of approved non-credit courses by 25 percent.
- Support the use of student success strategies across the college.
