

West Los Angeles College

Bond A/AA Status Report

Facility Projects	Structure (Sq ft)	Programming Phase	Schematics Phase	Design Phase	CD ¹ Phase	Construction
Athletics/Track & Field	Same					06/04 - 09/04 (Summer 04 Session)
Parking Structure	301,568					10/04 - 08-05 (Summer 04 Session)
C-Store	1,200					06/04 - 09/04 (summer 04 Session)
Science Building	89,881					08/05 - 01/07 (Winter 07 Session)
Student Services/Admin. Bldg	84,413					08/05 - 11/06 (Fall 06 Session)
Classroom	49,572					11/05 - 02/07 (Winter 07 Session)
HLRC	80,600 ²					(TBD)
Media Arts	TBD					(TBD)
Campus Improvements (on-going)	N/A					10/03 - 05/07 (Spring 07 Session)

Programming Phase - Establish goals, adjacencies, spatial needs and requirements.

Schematic Phase - Establish building blueprints that identify design, content, and information for both users and construction industry.

Design Phase - Develop a more refined and exhaustive document that finalizes all of the detailed plans for the building.

Construction Document Phase - Finalize detailed documents needed for construction (building specifications, mechanical, electrical, and plumbing, technology, etc)

¹ CD - Construction Documents submitted to Division of State Architects (DSA)

² HLRC 66000 sq ft (current) 80600 sq ft (Total Renovation)
