

Integrated Planning in ACCJC Standards and Rubrics

Matthew C. Lee, Ph.D.

October 2013

Primary Standards and Eligibility Requirements

- I.B.3. The institution assesses progress toward achieving its stated goals and makes decisions regarding the improvement of institutional effectiveness in an ongoing and systematic cycle of evaluation, **integrated planning**, resource allocation, implementation, and reevaluation. Evaluation is based on analyses of both quantitative and qualitative data.
- II.A.2.f. The institution engages in ongoing, systematic evaluation and **integrated planning** to assure currency and measure achievement of its stated student learning outcomes for courses, certificates, programs including general and vocational education, and degrees. The institution systematically strives to improve those outcomes and makes the results available to appropriate constituencies.
- III.A.6. Human resource planning is **integrated** with institutional planning. The institution systematically assesses the effective use of human resources and uses the results of the evaluation as the basis for improvement.
- III.B.2.b. Physical resource planning is **integrated** with institutional planning. The institution systematically assesses the effective use of physical resources and uses the results of the evaluation as the basis for improvement.
- III.C.2. Technology planning is **integrated** with institutional planning. The institution systematically assesses the effective use of technology resources and uses the results of evaluation as the basis for improvement.
- III.D.4. Financial resource planning is **integrated** with institutional planning. The institution systematically assesses the effective use of financial resources and uses the results of the evaluation as the basis for improvement of the institution.
- IV.B.2.b. The president guides institutional improvement of the teaching and learning environment by the following:
- establishing a collegial process that sets values, goals, and priorities;
 - ensuring that evaluation and planning rely on high quality research and analysis on external and internal conditions;
 - ensuring that educational planning is **integrated** with resource planning and distribution to achieve student learning outcomes; and
 - establishing procedures to evaluate overall institutional planning and implementation efforts.
- ER19. Institutional Planning and Evaluation: The institution systematically evaluates and makes public how well and in what ways it is accomplishing its purposes, including assessment of student learning outcomes. The institution provides evidence of planning for improvement of institutional structures and processes, student achievement of educational goals, and student learning. The institution assesses progress toward achieving its stated goals and makes decisions regarding improvement through an ongoing and systematic cycle of evaluation, **integrated planning**, resource allocation, implementation, and re-evaluation.

Rubric Requirements

- The institution uses ongoing and systematic evaluation and planning to refine its key processes and improve student learning.
- There is dialogue about institutional effectiveness that is ongoing, robust and pervasive; data and analyses are widely distributed and used throughout the institution.
- There is ongoing review and adaptation of evaluation and planning processes.
- There is consistent and continuous commitment to improving student learning; and educational effectiveness is a demonstrable priority in all planning structures and processes.
- Results of all program reviews are integrated into institution-wide planning for improvement and informed decision-making.
- Results of program review are clearly and consistently linked to institutional planning processes and resource allocation processes; college can demonstrate or provide specific examples.
- Student learning improvement is a visible priority in all practices and structures across the college.
- Learning outcomes are specifically linked to program reviews.
