ACCJC Annual Report 2013 - Institution-set Standards for Student Achievement Measures*

14b. Institution-set standard for student course completion rate:

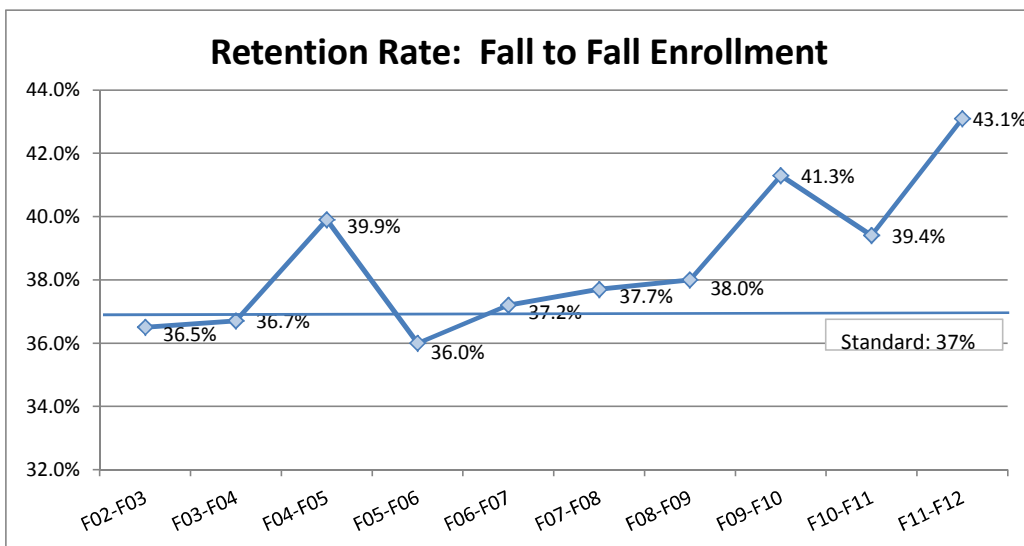

60%

Successful course completion rate equals the number of students who receive a successful grade (A, B, C, P) divided by the number of students who enrolled in the course and received a grade or W.

15b. Institution-set standard for student retention, Fall to Fall semesters, percentage:

37%

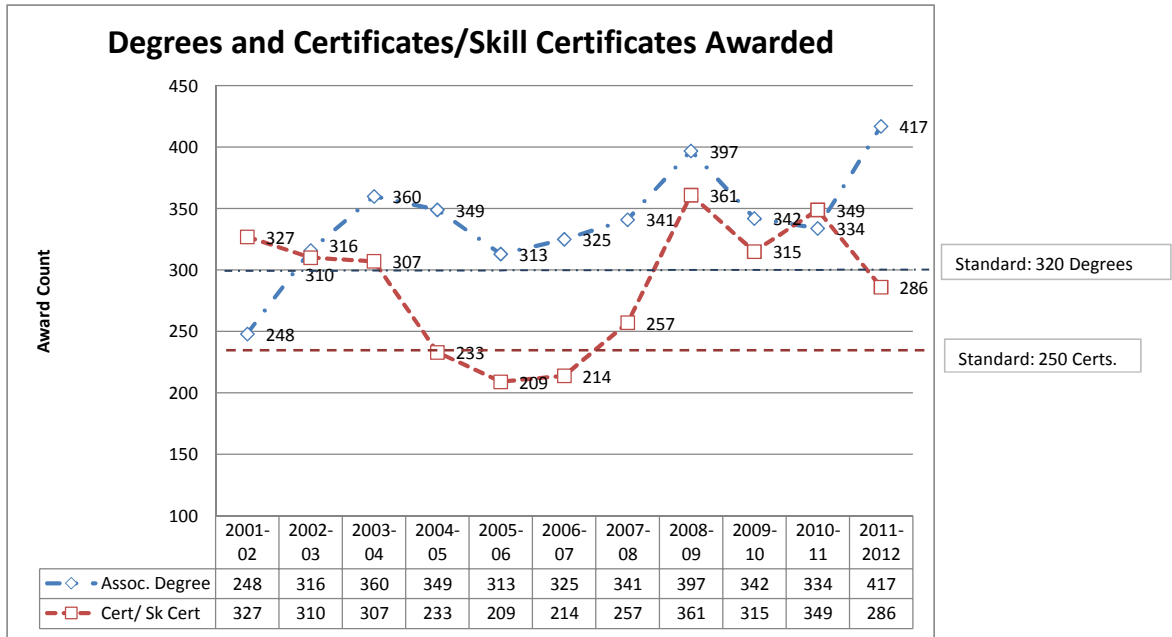

Retention rate equals the number of students who completed a course (grade A-F, N, P) in one fall and who enrolled in a course (grade A-F, N, P, W) the following fall.

* An institution-set standard is the level of performance set by the institution to meet educational quality and institutional effectiveness expectations. This number may differ from a performance improvement "goal" which an institution may aspire to meet.
