Comprehensive Program Review Evaluation Committee
Meeting Minutes
of March 21, 2007

Attending: Judith Fierro, Fran Leonard, Li Lei, Matt Robertson

I. Minutes of the February 28, 2007 meeting were approved.

II. The committee looked at the rationale for the recommendations for
A. Speech, written up by Li Lei
B. Computer Science, written up by Matt

These were discussed by the committee and will be shared with the respective chairs. Based on the feedback of the chairs, the rationales will be provided to the College Planning Committee, which requested these.

III. The committee then discussed the commendations and recommendations for biological science, which Fran presented to the group. All members signed the report. Fran will also get the chair’s signature, Phyllis Morrison, and forward the report to Nikki Jacobson, chair of the College Planning Committee, attaching the relevant page from the program review report that addresses the 1 recommendation on SLOs.

IV. The group will next look at commendations and recommendations for aviation’s report, which had been distributed, read and discussed. Matt referred us to the minutes of the committee’s November 20, 2006 meeting. The committee will discuss these at its next meeting, scheduled for Wednesday, April 28, 2007, at 1 pm to 2 pm in the PCR.
