## Our Commitment To You

*Our goal is to provide you with a supportive college environment to help you clarify your academic goals. We will realistically evaluate your unique personal strengths. We will help you develop skills required for your success. We are dedicated to helping you make confident decisions in your choice of an academic major, career, or transfer to a four-year college or university. We will identify the appropriate skills and corresponding classes to help you attain your immediate goals. We support your achievement at West L.A. College.*

*We are your West Los Angeles College Counseling Center.*
