## OTHER PARKING OPTIONS

We recommend Loehmann's parking lot just south of Third St. There are entrances on La Cienega & San Vicente. The first 2 hours is \$1. No validation is necessary from Loehmann's or the Studio. If you stay a third hour, the cost is another \$2. Allow yourself 5 minutes to park your car and walk to the studio so you are not late for class. Loehmann's lot closes at 10 pm, so you must get your car out of the lot before then. If your lesson is at 9 pm, park in our lot directly behind the Studio.

We will partially validate parking at the parking lot for the Cedars-Sinai Office Towers, however they have raised their prices! This lot is catty-corner from the liquor store on the N/W corner of Third Street and Sherbourne Drive, just west of the Studio. Enter via Sherbourne Dr. and turn left into the garage.

Monday through Thursday you may enter the validated lot from 6 – 8:45 pm.

The lot is open all day on Saturday. To enter the validated lot after 8 pm, pull forward and push the buzzer for the security guard to let you in. Ignore the sign that says it's closed.
