Welcome

English 021 is a developmental reading and writing course. Students need to learn how to write a variety of stylistically and mechanically correct sentences. They also need to learn how to write a composition that supports the thesis using direct quotations from the text. Students will learn to write one to two page paragraph compositions and two to three page multi-paragraph compositions.

Individually, in pairs, in small groups, and as a class, students will complete grammar and punctuation exercises, read models of good writing, write compositions that incorporate these models’ practices, and evaluate their own and others’ compositions to learn how to analyze writing objectively to determine whether a composition flows from beginning, middle, to end, and has a supported thesis.

Course Description:

This reading/writing course enables students to write basic academic prose and incorporate English usage rules and college-level vocabulary into sentences, so it will help students to succeed in college courses.

### Grading

**Grading Policy:**

The average of all your writing assignments, class work, tests together with attendance and participation will determine the final grade. Active class participation is mandatory in order to earn an “A” or “B” in the course. Each absence will drop the participation grade. Each tardy (arriving late or leaving early or walking in and out of class) will deduct from the participation grade. All assignments must meet course standards and be submitted on deadline. **In order to pass the course, all essays and the midterm and final must be submitted.**

**Grading Scale**

<tr>

</tr>
</tbody>
</table>

**Late Assignments**

Each student is allowed one late essay assignment. It must be turned in by the next class meeting to receive credit and the grade will be reduced by one letter grade. **DO NOT e-mail me your essays and other typed assignments. They will not be accepted. Other late assignments will not be accepted.**

### Class Policies

**Attendance**

Because class discussions and group work are an integral part of this course, attendance is mandatory. Up to 3 absences are allowed. After that, you could be dropped. Students are expected to attend every class meeting, to arrive on time and stay throughout the class period. **Excessive absenteeism will lower your grade, as well as walking in and out of class.** 3 tardies = 1 absence. Students may be dropped from class for excessive tardiness, or for failure to attend class the first day or during the entire first week of the class.
Walking In and Out of Class
When you arrive to class, make sure you have used the restroom, had a chance to eat, check your messages, etc. Walking in and out is rude and disruptive. If you need to leave early, or have some other problem, you need to notify me in advance. **Any student who makes a habit of walking in and out of class may be asked to leave.**

Preparedness
You are expected to arrive on time. You will come to each class session prepared. You will have your books, binder, pens/pencils, any work that is due, and you will be prepared to discuss all readings/assignments.

Cell Phones, iPods, etc.
**Turn them off and put them away when class begins!** Although it may not seem possible, you can survive without talking and texting on your cell phone, or listening to your iPod, for a little over an hour. Talking and texting on cell phones not only distract you, but they are a distraction for me and your peers. Distractions interrupt/disrupt the class and I will not tolerate interruptions. **You will be asked to leave if this occurs.**

A Note on my Revision Policy
If you receive a grade you are dissatisfied with, you are welcome to revise and resubmit (within a week of the paper being returned to you) that paper provided that you come talk with me and/or visit one of the tutors on campus. This does not guarantee a higher grade, but you cannot receive a lower grade.

Contacting Me
I will email the class with updates, reminders, instructions, and clarifications. I do this to make sure that the class is clear on what is expected of them. I am available to answer questions through email and will get back to you within 24 hours. In the subject of your emails to me please put your last name and English 21. Otherwise, I might not respond to you.

**College Policies:**

**Academic Integrity (Plagiarism)**
In accordance with code 9803.28, academic dishonesty is prohibited and will not be tolerated in this class. Violations of academic integrity include, but are not limited to, the following actions: cheating on an exam, plagiarism, working together on an assignment, paper or project when the instructor has specifically stated students should not do so, submitting the same term paper to more than one instructor, or allowing another individual to assume one’s identity for the purpose of enhancing one’s grade. Academic dishonesty of any type, such as cheating or knowingly furnishing false information, by a student provides grounds for disciplinary action by the instructor or college. In written work, no material may be copied from another without proper quotation marks, footnotes, or appropriate documentation.

- Plagiarism will result in a zero for the assignment, possible dismissal from the class and disciplinary action from the college. You will not receive credit for any essay missing previous drafts, citations and/or a Works Cited page.
Student Conduct
According to code 9803.15, disruption of classes or college activities is prohibited and will not be tolerated. Refer to the catalog and the Standards of Student Conduct in the Schedule of Classes for more information.

Recording Devices
State law in California prohibits the use of any electronic listening or recording device in a classroom without prior consent of the instructor and college administration. Any student who needs to use electronic aids must secure the consent of the instructor. If the instructor agrees to the request, a notice of consent must be forwarded to the Vice President of Academic Affairs for approval (WLAC College Catalog).
