Class Policies

Attendance
Because class discussions and group work are an integral part of this course, attendance is mandatory. Up to 3 absences are allowed. After that, you could be dropped. Students are expected to attend every class meeting, to arrive on time and stay throughout the class period. Excessive absenteeism will lower your grade, as well as walking in and out of class. 3 tardies = 1 absence. Students may be dropped from class for excessive tardiness, or for failure to attend class the first day or during the entire first week of the class.

Walking In and Out of Class
When you arrive to class, make sure you have used the restroom, had a chance to eat, check your messages, etc. Walking in and out is rude and disruptive. If you need to leave early, or have some other problem, you need to notify me in advance. Any student who makes a habit of walking in and out of class may be asked to leave.

Preparedness
You are expected to arrive on time. You will come to each class session prepared. You will have your books, binder, pens/pencils, any work that is due, and you will be prepared to discuss all readings/assignments.

Cell Phones, iPods, etc.
Turn them off and put them away when class begins!

Contacting Me
E-mail is the best and quickest way to contact me. If you have a problem, do not let it snowball. Contact me immediately. Students are expected to ask questions and obtain help from instructor via email and/or during office hours.

Refer to the course website/blog for more information on UMOJA policies.

College Policies

Academic Integrity (Plagiarism)
In accordance with code 9803.28, academic dishonesty is prohibited. Violations of academic integrity include, but are not limited to, the following actions: cheating on an exam, plagiarism, working together on an assignment, paper or project when the instructor has specifically stated students should not do so, submitting the same term paper to more than one instructor, or allowing another individual to assume one’s identity for the purpose of enhancing one’s grade. Academic dishonesty of any type, such as cheating or knowingly furnishing false information, by a student provides grounds for disciplinary action by the instructor or college. In written work, no material may be copied from another without proper quotation marks, footnotes, or appropriate documentation.

- Plagiarism will result in a zero for the assignment, possible dismissal from the class and disciplinary action from the college. You will not receive credit for any essay missing previous drafts, citations and/or a Works Cited page.

Student Conduct
According to code 9803.15, disruption of classes or college activities is prohibited. Refer to the catalog and the Standards of Student Conduct in the Schedule of Classes for more information.
