**OUR VISION**
WEST: A gateway to success for every student.

**OUR MISSION**
West Los Angeles College provides a transformative educational experience.

At West, education enriches students with the knowledge and skills needed to earn certificates and degrees, to transfer, to build careers, and to pursue life-long learning.
Dear Wildcat Supporters,

On behalf of our student-athletes who have chosen West LA College as the best place to pursue their higher education and continue their athletic careers, we invite you to support West Athletics. Your participation in the Wildcat Golf Classic will allow us to address departmental challenges as we strive to provide exceptional service, facilities and equipment.

Your participation assists West Los Angeles College, and we believe, you as a participant will realize valuable benefits as well. The benefit to you and/or your organization can be returned in several ways. The proceeds will serve to increase the positive experiences of many young adults as they strive to become societal contributors and leaders. You will be involved in a like-minded community who has answered the call and have a dedication to assisting young adults. Your company may be remembered when other participants and student-athletes have a need.

West Athletics challenges its student-athletes with two simple guidelines: Compete! Complete! It is our expectation that all will do their best in the classroom, on the field and in later life. In addition, once our student-athletes have begun, we look for no less than a finish—and we will do our very best to assist our students in their endeavors. In the end, we truly believe in our WLAC creed.
