FINANCIAL AID ELIGIBILITY AND APPLICATION PROCESS

WHAT IS FINANCIAL AID?

The purpose of student financial aid is to provide financial assistance to students who, without such aid, would be unable to attend college. Although it is expected that students and parents will make a maximum effort to meet the cost of education, financial aid is available to fill the gap between family resources and the annual educational expenses. Financial aid is intended to supplement the family’s existing income/financial resources and should not be depended upon as the sole means of income to support other non-educational expenses.

Financial aid is available from various sources such as federal and state governments, institutional, and community organizations, as well as individual donors. Financial aid can be awarded in the form of grants, loans, work-study, scholarships, or a combination of these.

WHO IS ELIGIBLE FOR FINANCIAL AID?

To be considered for financial aid, students must meet the following minimum requirements:

- For federal aid eligibility, be a U.S. citizen or an eligible non-citizen. An eligible non-citizen is a U.S. permanent resident who has documentation from the Department of Homeland Security verifying that his/her stay in the U.S. is for other than a temporary purpose.
- For state aid eligibility, be either 1) U.S. citizen or eligible non-citizen, or 2) be classified as an AB 540 student by your college’s Admissions & Records Office.
- Demonstrate financial need (for most programs).
- Have a high school diploma or a recognized equivalent such as a General Education Development (GED) certificate, passed a high school proficiency examination, or completed a high school education in a homeschool setting. (Students who were enrolled in a college or university prior to July 2012 who do not meet this requirement should check with their Financial Aid Office for alternative qualifying options.)
- Be enrolled as a regular student in an eligible Associate Degree, transfer program, or certificate program.
- Be making Satisfactory Academic Progress in a course of study leading to a certificate, AA or AS degree, or transfer to a baccalaureate degree program.
- Not be in default on any student loan such as Federal Perkins Loans, Federal Stafford Loans (subsidized and/or unsubsidized), Federal Direct Loans (subsidized and/or unsubsidized), or Supplemental Loans to Assist Students (SLS) at any college attended.
- Not owe an overpayment on a Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (FSEOG), Academic Competitiveness Grant (ACG), SMART Grant, or Iraq and Afghanistan Service Grant.
- Be registered with Selective Service if required to do so.
- Have a valid Social Security Number (SSN) for federal aid eligibility.
- Must have resolved all drug conviction issues.
- File a federal income tax return if required to do so.

STUDENT DEPENDENCY STATUS

In order to complete the Free Application for Federal Student Aid (FAFSA) or California Dream Act Application (for AB 540 students), it will need to be determined if you are a DEPENDENT or INDEPENDENT student.

If you meet one of the criteria below, complete the FAFSA or California Dream Act Application (for AB 540 students) with your (and your spouse’s, if applicable) income and asset information. If you do NOT meet any of the criteria below, you are a DEPENDENT student and must provide your and your parents’ income and asset information on the FAFSA or California Dream Act Application (for AB 540 students).

DEPENDENCY CRITERIA

- You were born before January 1, 1991.
- You are married.
- You will be enrolled in a master’s or doctoral program (graduate or professional program beyond a bachelor’s degree) in 2014-2015.
- You are currently serving on active duty in the U.S. Armed Forces for purposes other than training.
- You are a veteran of the U.S. Armed Forces.
- You have children who will receive more than half of their support from you between July 1, 2014 and June 30, 2015.
- You have dependents (other than your spouse or children) that live with you and receive more than half of their support from you now and through June 30, 2015.
- At any time since you turned age 13, both your parents were deceased, or you were in foster care, or you were a dependent/ward of the court.
- As of today, you are an emancipated minor as determined by a court in your state of legal residence.
- As of today, you are in legal guardianship as determined by a court in your state of legal residence.
- At any time on or after July 1, 2013, your high school or school district homeless liaison determined that you were an unaccompanied youth who was homeless.
- At any time on or after July 1, 2013, the director of an emergency shelter or transitional housing program funded by the U.S. Department of Housing and Urban Development determined that you were an unaccompanied youth who was homeless.
• At any time on or after July 1, 2013, the director of a runaway or homeless youth basic center or transitional living program determined that you were an unaccompanied youth who was homeless or were self-supporting and at risk of being homeless.

**SPECIAL DEPENDENCY EXCEPTIONS**

Under federal and state laws, if you are a dependent student you are required to provide parental information and signatures on your aid application. Under very limited conditions, you may be able to submit your application without parental information due to special circumstances. Examples of special circumstances include: your parents are incarcerated, or you left home due to an abusive family environment. Notify the Financial Aid Office if you feel that you have special circumstances.

If you believe you have a special circumstance and are unable to provide parental information, you will need to provide documentation to verify your situation. Written evidence may include court or law enforcement documents, letters from school counselor, social worker, or clergy member, and other relevant data that explains your situation.

**HOW TO APPLY**

We encourage all students to apply for financial aid online at [www.fafsa.gov](http://www.fafsa.gov) or at [www.caldreamact.org](http://www.caldreamact.org) (for AB 540 students). Processing is fastest and most accurate when completing your application online. If you want to request a paper application, you may print one from the websites above or you may contact the Federal Student Aid Information Center at 800-433-3243 (for the FAFSA) or the California Student Aid Commission at 888-224-7268 (for the California Dream Act Application).

Students applying for Federal Direct Loans, PLUS Loans, Federal Perkins Loans, Emergency Loans, or scholarships must complete additional applications. Not all colleges participate in all of these programs.

**WHEN TO APPLY**

Campus priority dates are established to encourage early application for financial aid. Also, some federal and state aid programs have limited funding and are awarded on a first come, first served basis to eligible students. Students who miss the priority date may still apply for the remaining funds available. Contact the Financial Aid Office at the college that you plan to attend for other priority funding deadlines. **Staff members are available to answer your questions and help you complete any of the financial aid forms.**

**DEADLINES**

**March 2, 2014**

You must have a submitted FAFSA (or California Dream Act Application for AB 540 students) and a verified grade point average (GPA) for Cal Grant B and C consideration.

**May 1, 2014**

Complete and submit all required documents to your Financial Aid Office. This will ensure that we are able to process your financial aid file in time for the start of the Fall 2014 semester.

**September 2, 2014**

Second chance deadline for community college students to apply for a Cal Grant B (except for AB 540 students). Since the number of awards available in September is limited, it is best to apply by March 2, 2014.

**June 30, 2015**

Deadline for submitting a 2014-2015 Free Application for Federal Student Aid (FAFSA) or California Dream Act Application (for AB 540 students). For Federal Pell Grants, a valid electronically processed FAFSA must be received by the college from the U.S. Department of Education before the last day of the semester for which you are enrolled or June 30, 2015, whichever comes first. **Do not wait until the last minute to apply for financial aid.**

**Federal Direct Loans:** Please check with your college Financial Aid Office for campus specific deadlines.

**VERIFICATION POLICY**

If your application has been selected for verification, you will be required to provide additional documentation. Refer to your campus Financial Aid Office for pertinent deadlines. Failure to meet deadlines may result in the denial of financial aid.

The Financial Aid Office may request additional documentation based on the information submitted on your financial aid application such as:

• Federal tax transcripts
• Verification of untaxed income and benefits
• Verification Worksheet
• Other documents as needed to verify your application or situation

Verification requirements apply to all federal aid programs and the state Cal Grant program.
ENROLLMENT FEES AND NON-RESIDENT TUITION

CALIFORNIA RESIDENT STUDENTS

The Admissions Office determines the residency status for all students. Effective Summer 2012, the enrollment fee for a California resident is $46.00 per unit*. Enrollment fees may be waived for students who are eligible for a Board of Governors (BOG) Fee Waiver.

(* fees are subject to change)

AB 540 STUDENTS

Assembly Bill 540 (AB 540) allows qualified students to be exempt from paying out-of-state tuition at public colleges and universities in California. Contact your Admissions Office to determine if you qualify under this classification.

NON-RESIDENT STUDENTS

The tuition fee for non-resident out-of-state students is $193.00* per unit and $215.00* per unit for students who are from out-of-the-country. **Non-resident students are not eligible for the BOG Fee Waiver.**

(* Tuition and fee rates are subject to change)

DEFERRED TUITION FOR NON-RESIDENT STUDENTS

Tuition fees must be paid at time of registration. A student receiving financial aid may defer payment of tuition. Keep in mind that the Federal Pell Grant and other aid may not pay the full tuition; therefore, a student is responsible for the remaining balance. Please contact your campus Business Office for additional information and assistance.

BOARD OF GOVERNORS (BOG) FEE WAIVER PROGRAM

We encourage all students to apply using the FAFSA or California Dream Act Application (for AB 540 students) so that they will be considered for all available financial aid programs.

The BOG Fee Waiver is offered by the California Community Colleges. The BOG Fee Waiver waives enrollment fees. Applicants are not required to be enrolled in a specific number of units or courses to receive the BOG Fee Waiver. The BOG Fee Waiver only waives enrollment fees and no other fees.

You are eligible to apply for a BOG Fee Waiver if you are:

- A California resident or are classified as an AB 540 student,
- You are enrolled in at least one unit.

You may qualify for a BOG Fee Waiver if any of the following categories applies to you:

**Method A: Receipt of Benefits**

At the time of enrollment you are a recipient of benefits under the TANF/CalWORKs Program, Supplemental Security Income/State Supplementary Payment (SSI/SSP), or General Assistance Program/Generic Relief (GA/GR).

Documented proof of benefits is required.

**Method B: Qualify by Income Standards**

You and/or your family must meet the specified income standards by household size.

**Method C: Student Aid Applicants**

You may be eligible if you have applied for financial aid via the FAFSA or California Dream Act Application (for AB 540 students) and you have been determined to have sufficient financial need.

**Special Criteria: Dependent’s Fee Waiver**

You are eligible if you have a Certification from the California Department of Veterans Affairs or the National Guard Adjutant General that you qualify for a Dependent’s Fee Waiver.

If you are a dependent of deceased law enforcement/ fire suppression personnel killed in the line of duty, you must show documentation from the public agency employer of record.

**Congressional Medal of Honor**

If you are a recipient of the Congressional Medal of Honor or a child of a recipient, submit documentation from the Department of Veterans Affairs.

**Surviving Dependents of Terrorist Attacks on 9/11/2001**

You are eligible if you are a dependent of a victim of the September 11, 2001 terrorist attacks. Submit documentation from the California Victim Compensation and Government Claims Board.

**Domestic Partnership**

If you are in a Registered Domestic Partnership (RDP), you will be treated as an independent, married student to determine eligibility for the BOG Fee Waiver and will need to provide income and household information for your domestic partner. If you are a dependent student and your parent is in a Registered Domestic Partnership, you will be treated the same as a student with married parents and income and household information will be required from the parent’s domestic partner. This is applicable to state aid only, not federal aid.
GENERAL INFORMATION

ENGLISH AS A SECOND LANGUAGE (ESL)

Students enrolled in only ESL classes may be required to submit an ESL Certification Form and/or a Student Educational Plan to the Financial Aid Office signed by an academic counselor.

AUDITED CLASSES

Students cannot receive financial aid, including the BOG Fee Waiver, for enrollment in audited classes. No exceptions to this policy can be made.

ENROLLMENT AND AID ELIGIBILITY

Students must be enrolled at the Los Angeles Community College District (LACCD) college at which they have applied for financial aid in order to be eligible for federal and state aid (other than the BOG Fee Waiver). If you are enrolled in more than one college in the LACCD, you can only have your financial aid processed at one college; preferably the college at which you will complete your program (associate degree, certificate, or transfer program).

ENROLLMENT AT OTHER COLLEGES

Consortium Agreements are in effect for all colleges within the LACCD. If you are attending more than one college within the District in the same academic period, your enrollment status will be the sum total of all units in which you are enrolled throughout the District.

For financial aid programs that are limited in funding, enrollment in a minimum of six (6) approved units may be required at your financial aid processing school. Check with your campus for specific financial aid enrollment requirements.

Please note that if you have an Extension Petition approved by your Financial Aid Office, you must be enrolled in at least one approved class at your financial aid processing school. If the classes you are enrolled in are not approved, the units will not be included in the calculation of your aid.

If you plan to enroll in courses outside of the Los Angeles Community College District (LACCD) and wish to have those courses count for enrollment and payment, you must complete a consortium agreement form. The institution outside of the LACCD must be an eligible institution in order for your financial aid processing school to process the consortium agreement.

Please note: Not all LACCD colleges participate in consortium agreements with schools outside of the LACCD, so be sure to check with the Financial Aid Office.

ITV CLASSES

Students enrolled only in ITV courses must apply for financial aid at Los Angeles Mission College (Federal School Code: 012550). Students enrolled in ITV courses receive their transcripts for those courses from Los Angeles Mission College.

Students taking ITV courses in addition to classes at another LACCD college must have their aid processed at the other LACCD college.

SUMMER 2014 FINANCIAL AID

Students must submit their 2013-2014 Free Application for Federal Student Aid (FAFSA) to receive a Federal Pell Grant. To receive a BOG Fee Waiver you must complete a 2014-2015 FAFSA, BOG Fee Waiver application, or California Dream Act Application (for AB 540 students).

TAX CREDITS

American Opportunity Credit – Under the American Recovery and Reinvestment Act (ARRA), more parents and students qualify for a tax credit, the American opportunity credit, to pay for college expenses. Many of those eligible qualify for the maximum annual credit of $2,500 per student.

The full credit is available to individuals, whose modified adjusted gross income is $80,000 or less, or $160,000 or less for married couples filing a joint return. The credit is phased out for taxpayers with incomes above these levels. These income limits are higher than under the prior Hope and existing Lifetime Learning Credits.

Lifetime Learning Credit – Families may be able to claim up to $2,000 for qualified education expenses. The maximum credit is determined on a per-taxpayer (family) basis, regardless of the number of postsecondary students in the family. Students whose fees are covered by a fee waiver, scholarship, or grant would not be able to add their costs to their families for tax credit calculation.

For more information on tax credit programs (including any changes for the 2014 tax year), you should consult your tax professional or the Internal Revenue Service website at www.irs.gov.
FEDERAL FINANCIAL AID PROGRAMS

FEDERAL PELL GRANT

The Federal Pell Grant provides gift aid assistance to undergraduates who have not yet earned a baccalaureate or first professional degree and who demonstrate financial need. Awards are based on your Expected Family Contribution (EFC) and enrollment status. The maximum annual award is $5,730. Due to the Higher Education Opportunity Act (HEOA), students have a maximum lifetime Pell eligibility of 600% (12 full-time semesters).

FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT (FSEOG)

The FSEOG is a federal grant program designed to supplement other sources of financial aid for students with exceptional need. FSEOG awards are based on financial need and fund availability. A six-unit minimum enrollment (approved units for students with approved Extension Petitions) may be required at your financial aid processing school for FSEOG eligibility. Students must be eligible to receive Pell Grant funds in order to receive FSEOG.

IRAQ AND AFGHANISTAN SERVICE GRANT

Students may be eligible to receive the Iraq and Afghanistan Service Grant if:

- they are not eligible for a Federal Pell Grant on the basis of their Expected Family Contribution, but they meet the remaining Federal Pell Grant eligibility requirements, and
- their parent or guardian was a member of the U.S. armed forces and died as a result of military service performed in Iraq or Afghanistan after the events of 9/11, and
- they were under 24 years old or enrolled in college at least part-time at the time of their parent’s or guardian’s death.

FEDERAL WORK-STUDY

The Federal Work-Study Program (FWS) enables students to earn a portion of their financial aid award through part-time employment either on or off-campus.

To be eligible, a student must meet the eligibility requirements for federal financial aid and must maintain good academic standing while employed under the program. A minimum enrollment (approved units for students with approved Extension Petitions) may be required at your financial aid processing school for FWS eligibility. Check with your campus for minimum enrollment requirements.

LOANS (AID THAT YOU MUST PAY BACK)

A caution about student loans – It takes time for a loan application to be processed by the school, lender, and/or the government. Student loan funds are delivered to the student after enrollment and satisfactory academic progress requirements have been verified. All loans require a minimum of six (6) approved* units. Some campuses may require a minimum of six approved* units at their campus.

(*for students with approved Extension Petitions)

Loans are sources of financial assistance that allow you to spread the cost of education over time. Federal student loans are not automatically included in students’ award packages. Students are not required to borrow a federal student loan.

Loans are serious legal obligations. They must be repaid. You are obligated to repay principal plus interest. We urge all first-time borrowers to spend time learning about the loan process and responsibilities so that they can make informed choices about their education.

Federal Perkins Loan Program

The Federal Perkins Loan is an educational loan with a low (5%) fixed interest rate for students who have exceptional financial need. Loan amounts awarded within the Los Angeles Community College District are determined by individual colleges and the availability of funds. A six-unit minimum enrollment (approved units for students with approved Extension Petitions) may be required at your financial aid processing school for Federal Perkins Loan eligibility.

Repayment begins nine (9) months after the borrower graduates, withdraws, or ceases to be enrolled at least half-time. A repayment period can be extended to 10 years. During the repayment period, five percent (5%) interest is charged on the unpaid balance of the loan principal. A sample repayment schedule is provided below. In the sample case, the loan is for $1,000 and is being repaid on a quarterly basis at the rate of $120 per payment.

Usually, the length of the repayment period is determined by the total amount borrowed. Should a student experience unforeseen circumstances which prevent repayment at the $120 per quarter minimum level, a request for deferment or forbearance can be submitted to the:

**LOS ANGELES COMMUNITY COLLEGE DISTRICT**  
Central Loan Administration Unit (CLAU)  
770 Wilshire Boulevard, 5th Floor  
Los Angeles, California, 90017

To determine eligibility for loan rehabilitation or loan cancellation for teaching, qualified employment, military service and total and permanent disability, please contact the CLAU at (800) 822-5222.

**Federal Direct Loans**

Federal Direct Loans (subsidized and unsubsidized) are loans borrowed directly from the federal government which serves as the lender. The student’s annual borrowing limit may vary based upon the following:

- The amount of unmet need after other financial assistance has been considered;
- The applicant’s year in school (1st or 2nd);
- The applicant’s current level of indebtedness;
- The applicant’s academic progress;
- The applicant’s previous delinquent or defaulted loan history.

**Federal Direct Loans (subsidized)**

Students must complete the FAFSA and demonstrate financial need according to the federal formula in order to be eligible for subsidized direct loans. These loans are processed through the U.S. Department of Education. Under this program, the federal government will pay the interest on behalf of qualified borrowers for as long as the borrower is enrolled at least half-time in a degree-seeking program. Effective July 1, 2013, eligibility for subsidized Direct loans is limited to 150% of a student’s program. What does this mean to you? If you are pursuing an Associate Degree your eligibility for a subsidized loan will be limited to three (3) years. Students must also maintain satisfactory academic progress towards completing their degree requirements.

Information regarding annual and aggregate loan limits may be found at [www.studentloans.gov](http://www.studentloans.gov).

Fees may be charged by the U.S. Department of Education and deducted from each loan disbursement. Interest may be charged during the 6-month grace period, after a student drops below half-time, completes their educational program, or withdraws from college.

Interest rates are set by the U.S. Department of Education and are fixed rates for the term of the loan.

**Federal Direct Loans (unsubsidized)**

Eligibility for the Unsubsidized Direct Loan is not based on a family’s demonstrated need. The U.S. Department of Education is the lender under this program. The government does not pay the interest on behalf of borrowers under the Unsubsidized Direct Loan Program. The student borrower can choose either to make periodic payments of the interest or to have the interest added back into the principal of each loan.

Fees may be charged by the U.S. Department of Education and deducted from each loan disbursement.

Interest rates are set by the U.S. Department of Education and are fixed rates for the term of the loan.

**Federal Parent (PLUS) Loans**

A creditworthy parent of a dependent undergraduate can apply for Federal PLUS loan. Federal PLUS loans are not based on demonstrated need and may be used to replace all or portions of the calculated family contribution for students who completed a FAFSA.

Not all colleges participate in PLUS loans. Contact the Financial Aid Office to learn about loan programs that are offered at your specific college and for details about interest rates, fees, repayment terms, etc.

**Master Promissory Note**

Before you receive a Federal Direct Loan, you will need to sign a Master Promissory Note (MPN) which is your legally binding promise to repay the loan funds you receive. Students can complete their Master Promissory Note (MPN) online at [www.studentloans.gov](http://www.studentloans.gov). Students only need to sign/e-sign one Direct Loan MPN while attending college. The college will not originate your Federal Direct Loan until your MPN has been signed/e-signed and approved by the U.S. Department of Education.

**Mandatory Loan Counseling**

**ENTRANCE LOAN COUNSELING FOR FIRST-TIME BORROWERS**

All first-time Federal Direct borrowers at the institution must complete loan entrance counseling, even if they have borrowed at a previous institution. Some institutions may require entrance counselling of all borrowers even if it is not their first time borrowing at that school. Entrance counseling for direct loans can be completed online at [www.studentloans.gov](http://www.studentloans.gov)

**EXIT LOAN COUNSELING**

All borrowers of Federal Direct Loan funds are required to have an exit interview during their final semester, if their enrollment status drops below half-time, or if they withdraw
from the college. Students will be notified when Exit Loan Counseling needs to be completed.

who are majoring in certain areas. Contact the Financial Aid Office for more information.

**EXTENDED OPPORTUNITY PROGRAM & SERVICES (EOP&S)**

The EOP&S Program is designed primarily for the recruitment and retention of students affected by language, social and economic disadvantages.

EOP&S services include grants and book loans; educational, personal, and career counseling; personal development courses; college survival skills; cultural awareness activities; career workshops; and field trips to four-year colleges and universities.

Criteria for EOP&S students: Qualified to receive a Board of Governors Fee Waiver A or B, educationally disadvantaged, enrolled in 12 or more units, have completed less than 70 units or 6 consecutive semesters, and are California residents.

**COOPERATIVE AGENCIES RESOURCES FOR EDUCATION (CARE)**

CARE is a state funded support service for single parents receiving public assistance who have children under the age of 14.

Services include books and supplies, cash grants, child care, auto repair reimbursement, meal tickets, auto gas cards, parking permits, bus pass/tokens, parenting workshops, counseling services, and on and off-campus referrals.

Not all services are offered at all colleges within the Los Angeles Community College District (LACCD).

**GAIN/CALIFORNIA WORK OPPORTUNITY AND RESPONSIBILITY TO KIDS (CalWORKs)**

CalWORKs is a welfare program that gives cash aid and services to eligible needy families. Greater Avenues for Independence (GAIN) program provides employment-related services to CalWORKs participants. Services offered include job development, child-care, counseling, books, paid work-study, and other support services. Programs offered include General Equivalency Diploma, Adult Basic Education, ESL classes, and vocational classes such as Office Administration, Child Development, Home Health Aide, and Culinary Arts.

**EMERGENCY LOANS**

Some colleges within the Los Angeles Community College District offer limited emergency loan funds to students who face financial emergencies. Contact the college Financial Aid Office for information.

**FINANCIAL AID PROCESS**

**DETERMINING FINANCIAL NEED**

Most financial aid awards are based on demonstrated financial need, which is the difference between the Cost of Attendance (COA) and the Expected Family Contribution (EFC). EFC is the amount that the government believes you and your family can be reasonably expected to contribute toward your college costs this year and is based on your FAFSA information.

COA - EFC = Financial Need.

**COST OF ATTENDANCE (COA)**

In order to treat all students equally, standardized budgets (COA) are established and applied to all applicants. This means all students with similar circumstances will receive the same allowance for tuition and fees, books and supplies, room and board, personal expenses, and transportation.

Other expenses may include, but are not limited to: dependent care, vocational/technical, and disability related expenses. Exceptions may be made to the budget in cases where need can be shown and documented.

HOW FINANCIAL AID IS PACKAGED

Once the student’s financial aid eligibility is established, a “package” of aid is provided which may be a combination of grants, work-study, and loan funds.

Grant eligibility is based on the number of units a student is enrolled in at the time of disbursement. Full-time is considered 12 or more units per semester; three quarter time is considered 9-11 ½ units per semester; half-time is considered 6-8 ½ units per semester; less than half-time is ½ - 5 ½ units per semester.

Federal Pell Grants are scheduled for payments twice a semester. FSEOG and Cal Grants are scheduled for payment once per semester for students enrolled in six (6) or more approved units. Federal Work-Study is paid twice a month. Loans are disbursed twice per loan period.

THE FINANCIAL AID AWARD

The campus processing the student’s aid produces an Award Letter and Award Guide. These are made available online. The Award Letter lists the COA, the EFC, Total Awards, Resources, and Unmet Need amounts applicable to the academic year. Students may receive revised versions of the original Award Letter throughout the academic year. The revisions may reflect additional fees or allowances added to the cost of attendance, educational resources which must be accounted for, semesters of enrollment (partial year vs. full year and vice versa) changes, and addition or deletion of specific awards.

SPECIAL CIRCUMSTANCES

In certain cases, a family’s financial situation can change because of:

• Death in the family
• Separation or divorce
• Loss of employment
• Loss of non-taxable income or benefits

In such cases, the student should contact the Financial Aid Office.

FINANCIAL AID REFUND/DISBURSEMENT

Students who are new to the LACCD will receive a card called the myLACCDcard at their mailing address on file with the Admissions & Records Office. The myLACCDcard is the key for students to select their refund/disbursement preference.

This will allow students a fast and secure way of obtaining their financial aid and also give the freedom of selecting one of two different methods of obtaining their funds.

DO NOT throw away your myLACCDcard. You will need to enter the 16-digit number on the card in order to select your refund/disbursement preference. Log in to www.mylaccdcard.com to choose your refund/disbursement preference.

It is important that students update their address on file with the Admissions & Records Office, Business Office or Financial Aid Office to ensure receipt of their card.

Disbursement dates and deadlines are governed by Federal, State, District and/or Institutional regulations and policies.

Disbursements will be adjusted if enrollment is less than full-time. Supplemental disbursements occur throughout the academic year. Any outstanding non-mandatory institutional debts must be paid in full before we can process your disbursement, unless you have authorized the LACCD to deduct such debts from your financial aid disbursement. Disbursements for late starting classes will not be issued until the class begins. Not all disbursements will adhere to this schedule because disbursements depend upon when your award was processed and the date your classes began. Students are encouraged to logon to the Student Information System (SIS) at https://services.laccd.edu/districtsite/sis_logon.asp to view their disbursement information.

CHANGE OF ENROLLMENT STATUS

Colleges must review payments of funds to students each enrollment period to determine if students have received an overpayment. If you did not attend any of your classes prior to the first day of instruction, and were dropped by the instructor after you already received financial aid funds, you will have to repay all of the funds you received. If you are paid at one level of enrollment and then drop units, you may be subject to repayment of some or all of the funds you received.

Students who receive federal financial aid and then withdraw from ALL classes at their financial aid processing school will not receive further disbursements.

It is your responsibility to drop your classes through the Admissions & Records Office if you do not attend. Failure to drop classes may result in a financial aid overpayment, which may require repayment of the financial aid you received.
Example: You were enrolled in 12 units (full-time) at the beginning of the semester and received your first disbursement for $1,000. You then drop 3 classes (9 units) and remain in 3 units (less than half-time). The disbursement for less than half-time enrollment is $432. You are overpaid $568 and you must repay this amount before receiving any future financial aid.

RETURN TO TITLE IV

Students who receive federal financial aid and then withdraw from ALL classes at their financial aid processing school may have to repay some or all of the federal funds they received. This also applies to students enrolled at more than one campus.

The student’s eligibility for financial aid is based upon enrollment. The Higher Education Amendment of 1998 governs the Return to Title IV Funds Policy for a student who completely withdraws from a period of enrollment (i.e., semester). These rules assume that a student “earns” aid based on his/her semester enrollment. “Unearned” aid, other than Federal Work-Study, must be returned. Unearned aid is the amount of federal financial aid disbursed that exceeds the amount the student has earned. Unearned aid may be subject to repayment.

During the first 60% of the semester enrollment, a student “earns” aid in direct proportion to the length of time of his/her enrollment. The percentage of time the student remained enrolled is the percentage of aid for that period for which the student earned his/her aid. A student who remains enrolled beyond the 60% point of the semester has earned all of his/her aid disbursed for the period. If a student owes a repayment, the student will be notified by email. The repayment may include institutional charges.

The student has 45 calendar days from the date of the notification to repay. A hold will be placed on the student’s academic and financial aid records. The hold will prevent the student from receiving college services and will jeopardize future financial aid eligibility. Unpaid overpayments can be reported to the U.S. Department of Education for collection.

It is advised that the student contact the Financial Aid Office before withdrawing from all of his/her classes so the student understands the results of his/her actions. Please refer to the college schedule of classes or the college catalog for the policy regarding the refunding of enrollment fees and nonresident tuition.

STUDENT INFORMATION

Students may inquire about the following information at the Financial Aid Office:

1. Information on all financial assistance available, which includes all federal, state, and institutional financial aid programs.
2. Disclosure of deadlines for applications of each financial aid program and for any supporting documentation.
3. The effect of dropping classes on a student’s financial aid eligibility.
4. An explanation of how student’s financial aid eligibility is determined.
5. If a student feels he/she has special circumstances or the financial aid award does not reflect his/her current situation, a consideration for review may be requested.
6. An explanation of a student’s financial aid offer, including the portion of financial aid the student receives that must be repaid (loans) and the portion that is grant aid or work-study and does not need to be repaid.
7. An explanation of the types and terms of loans available including interest rates, repayment terms and conditions of deferment and cancellation.
8. How the Los Angeles Community College District determines whether students are making Satisfactory Academic Progress and what happens if they are not.

STUDENT RESPONSIBILITIES

Students must take responsibility for:

1. Effective Spring 2013 all official communication will be done through the LACCD issued email. Students are responsible for checking their email on a regular basis.
2. Submitting all financial aid applications and requested documents by specified deadlines.
3. Having a valid Social Security Number (SSN) on file in the Admissions & Records Office for the purposes of processing and reporting federal aid and most state aid.
4. Enrolling in an eligible program, which is defined as a certificate, an associate degree (AA/AS), or a two-year academic transfer program that is acceptable for full credit toward a baccalaureate degree. Students must declare an educational goal and major, and update changes with the Admissions & Records Office.
5. Maintaining Satisfactory Academic Progress (SAP) standards. (The SAP Policy is also in the college catalog.)
6. Completing all financial aid forms ACCURATELY AND COMPLETELY. If this is not done, aid could be delayed. Errors must be corrected before any financial aid can be disbursed.

7. Reading and understanding all financial aid forms and information. We advise students to retain copies of all documents submitted.

8. Choosing a financial aid processing school to process financial aid. Students MAY NOT receive financial aid from more than one institution at the same time or periods of overlapping terms (except for the BOG Fee Waiver).

9. Notifying the appropriate entity (college, lender, California Student Aid Commission, U.S. Department of Education, etc.) of changes in your name, address, school enrollment status, or transfer to another college.

10. Repaying financial aid funds if it is determined that the student was ineligible to receive funds for any reason (i.e., Return to Title IV, overpayments, overawards).

11. Not misreporting information. Intentional misreporting of information on application forms for financial aid is a violation of the law and is considered a criminal offense subject to penalties under the U.S. Criminal Code, and the denial of the student’s application. Additionally, regulations require that all cases of suspected fraud emanating from misrepresentation be reported to the Office of Inspector General.

**SATISFACTORY ACADEMIC PROGRESS (SAP) POLICY**

**General Information**

In accordance with the Higher Education Act of 1965, as amended, the Los Angeles Community College District (LACCD) established the following standards of Satisfactory Academic Progress (SAP). These standards apply to all students who apply for and receive financial aid from the programs listed below.

- Federal Pell Grant
- Iraq and Afghanistan Service Grant
- Federal Supplemental Educational Opportunity Grant (FSEOG)
- Federal Work-Study (FWS)
- Federal Perkins Loan
- Federal Nursing Loan
- Federal Direct Stafford (Student) and PLUS (Parent) Loan
- Cal Grant (B and C)
- Child Development Grant
- California Chafee Grant
- California National Guard Education Assistance Award Program (CNG EAAP)

Current and previous coursework earned at any college within the LACCD will be reviewed for compliance with the standards put forth in this policy. Units reported on transcripts submitted to Admissions & Records Offices in the LACCD will be evaluated for SAP purposes.

**Consortium Classes**

- All classes throughout the LACCD will be included when reviewing satisfactory academic progress.
- For students aided under a Consortium Agreement with colleges outside the LACCD, consortium class units will be counted during satisfactory academic progress review.

**Transfer Units**

Transfer units from institutions outside the LACCD will be counted for SAP standing. Transfer units are added when the institution receives transcripts from outside the district.

**General Requirements**

Students receiving financial aid must be enrolled in an eligible program. An eligible program is defined as:

- A certificate program that prepares a student for gainful employment in a recognized occupation, or
- An associate degree (AA or AS), or
- A two-year academic transfer program that is acceptable for full credit toward a bachelor’s degree.

**Satisfactory Academic Progress Standards**

To meet satisfactory academic progress standards students must:

- Maintain a 2.0 or higher cumulative GPA (Grade Point Average).
- Complete a minimum of 67% cumulative units attempted.
  - Entries recorded in the student’s academic record as Incomplete (INC), No Pass (NP), and/or Withdrawal (W) are considered non-grades and must be 33% or less than the cumulative units attempted.
- Have attempted fewer than ninety (90) units for students who indicate an AA/AS degrees and/or transfer program as their educational goal.
  - Remedial ESL and other remedial classes which are classified as “Basic Skills” classes are excluded from the ninety (90) unit limit when determining attempted units.
Students who have already earned an associate or higher degree outside the LACCD will need to follow the appeal procedure.

- In Progress (IP) grades count as attempted units in the maximum time frame only. It does not affect cumulative grade point average in the qualitative measure nor is it included as completed units in the quantitative measure.

**Application of Standards**

- Satisfactory Academic Progress for financial aid applicants will be determined at the end of each payment period/semester.
- Students who are initially in good standing but now have a cumulative GPA of less than 2.0 and/or their cumulative non-grades are greater than 33% will receive Warning Letters but remain eligible for the following term of enrollment in the LACCD.
- Students will be disqualified if they have one or more of the following academic deficiencies:
  - Total units attempted (excluding remedial ESL and other remedial classes) are equal to or greater than ninety (90).
  - Associate or higher degree earned outside the LACCD.
  - Cumulative GPA is less than 2.0 following a semester for which the student received a Warning Letter.
  - Cumulative Non-Grades are greater than 33% following a semester for which the student received a Warning Letter.
- Students who are disqualified from financial aid will be notified by email and receive information regarding the appeal process.
- A student who has been disqualified at any college in the LACCD is disqualified at all colleges within the LACCD.

**Maximum Time Length**

Students who are attending for the purpose of obtaining an Associate of Arts degree (AA), an Associate of Science degree (AS), or completion of requirements for transfer to a four-year college need to complete their objective before reaching the 90 unit limit. Some certificate programs may be completed in less time than that required for the Associate of Arts (AA), Associate of Science (AS), and transfer programs.

Exceptions may be made when the requirements of a student’s objective cause the student to exceed the maximum time limit.

The table below shows the normal completion time and maximum time for certificate programs of varying lengths.

To be eligible for financial aid, a program must be at least six (6) months in length with a minimum of sixteen (16) units.

Students enrolled in a certificate program may continue to qualify for financial aid until they reach the ninety (90) attempted unit limit, six (6) full-time semesters, or the equivalent, if they are planning to obtain an AA or AS degree, or to transfer to a four-year school in addition to obtaining the certificate.

Summer and Winter terms are included in the evaluation of Satisfactory Academic Progress standards. Summer is considered a separate semester for evaluation purposes. Winter term, as it is combined with Fall semester for payment purposes, will be included with Fall semester for SAP evaluation purposes.

**FRAUD**

To report fraud, waste, abuse, misuse or mismanagement of U.S. Department of Education program funds (this could include complaints concerning employees, fund recipients, educational institutions, contractors, collection agencies, or lending institutions), please contact the U.S. Department of Education Office of Inspector General (USDE OIG) at 1-800-MIS-USED (1-800-647-8733).
