

Approved Programs of Study For F1 Visa Students

Majors approved for F1 Visa students are determined each academic year. Majors that do not conform to F1 Visa enrollment requirements are omitted from this form; but may be approved again when the scheduling and format of the classes align with F1 Visa student enrollment standards.

University Transfer Path

West will admit students for any major that is related to a university transfer goal. We encourage you to meet with an academic counselor to confirm that West offers the appropriate courses for your major.

Transfer Degrees: Associate of Arts (A.A.) or Associate of Science (A.S.)

These degrees are designed to provide a clear pathway to a CSU major and baccalaureate (B.A.) degree. Students awarded an AA-T or AS-T degree are guaranteed admission with junior standing in the CSU system and given priority consideration to their local CSU campus or to a program that is deemed similar to their community college major.
