Mental Health to discuss joy and art in supporting mental health. Could ASO support a food allowance for both events, the fee for insurance costs, and copies of the speakers' books that would be given out to students? I would anticipate about 40-50 people at each event because both have a very strong social media presence. Note that I did not include enough funding for everyone to get a book, but I thought they could be raffled off, unless additional funds are allocated.
