

21st Century Employability Skills: Communication & Digital Fluency

Students will be eligible to receive two digital badges upon successfully completion.

This certificate program prepares students with the necessary skills and training in communication and digital literacy in the workplace. In addition, it gives students education, development and training that enhances their workplace-related writing skills, verbal and nonverbal communication skills, and passive and active listening skills for success in the workplace.

All students are eligible!

Having job-ready skills is a better indication of your abilities.

To earn the certificate students must complete:

- BSICSKL 116 – 21st Century Employability Skills: Communication
- BSICSKL 117 – 21st Century Employability Skills: Digital Fluency
