

Academic & Workforce Success

**Earn a Certificate of Competency
and receive academic and workforce preparation!**

You don't have to pick!

This free certificate can help you develop skills that are applicable to both the academic and the work environment!

This certificate program prepares students to become a successful online student, assists students with setting and achieving educational and career goals, and helps them develop the necessary research, career exploration, study, English and Math for college and workforce success.

To earn the certificate, students must complete:

- BSICKSL 105 – Student Success in Hybrid & Online Classes
- BSICKSL 73 – Industry Overview & Career Opportunities

electives (select 1)

- BSICKSL 27 – Foundations: Study Skills
- BSICKSL 44 – Reading and Writing for College and Career
- BSICKSL 98 – Math for College and Career Readiness
