

Custodial Technician Preparation for the English Language Learner

Interested in obtaining employment in the Custodial Technician field?

The ESL Fundamentals and Custodial Technicians Certificate will provide students with the necessary knowledge and hands-on training needed to apply for entry-level building maintenance service positions in the public and private sectors. Integrated English language skill curriculum will effectively target the necessary strategies to communicate effectively in the workplace.

All students are eligible!

The average salary for a custodian in California is \$35,100.

To earn the certificate students must complete:

- VOCED 60 – Custodial Technician Training
- VOCED 96 – Blueprint for Workplace Success
- VOCED 410 - Vocational ESL A
