

# Financial Literacy for College & the Workplace

This certificate program helps students increase their successful navigation of and access to cost-effective financial resources and strategies for college, wealth-building banking, credit resources, and strategies as they enter and advance in the workforce. The knowledge and skills gained in this program will help students identify and avoid predatory banking, tax and lending products and practices.

## All students are eligible!

The power of financial stability is within your reach and it starts with knowledge!

To earn the certificate students must complete:

- BSICSKL 65– Financial Literacy: Credit Basics (3-18)
- BSICSKL 66 – Financial Literacy: Money Management (3-18)
