

Licensing/Employment Test Prep

All students are eligible!

Creative leadership skills drive productivity and foster success in a company!

This certificate program covers a wide variety of employment certifications, licensures and other contextualized exams to adequately prepare students for employer-based tests. Students will be prepared to enter the workforce through resume development, interview skills and workplace skills.

To earn the certificate students must complete:

- BSICSKL 74– Employment Test Prep (18-72)
- VOCED 96 – Blueprint for Workplace Success (9-36)
